

Sheboygan Falls High School Calculator Rental Agreement

I, _____, (Grade _____) agree to rent a calculator from the
(student name)
Sheboygan Falls High School Math Department according to the following conditions:

1. A deposit of \$35.00 is required for the school year.
Please make checks payable to Sheboygan Falls School District.
2. Students are responsible for providing batteries for the calculator.
3. In the event that a calculator is lost/stolen/damaged:
 - a. \$50.00 is required to replace the rental calculator.
* Students not paying the replacement fee will be reported to the office and put on the obligation list. Graduation ceremony participation is affected by non-payment of obligations.
 - b. The \$35.00 deposit is not returned.
 - c. When all fees are paid, the student will need to sign another rental agreement with the required deposit OR purchase his/her own calculator.
4. Calculators must be returned before the student leaves for the summer. When the calculator is returned in good condition, the deposit of \$35.00 will be returned.
Procedure for returning calculators:
 - a. Bring the calculator to Mrs. Hasler's room (A106) on or before the last day of school. All programs, etc. should be deleted.
 - b. If the calculator is in good working condition a \$35.00 check will be mailed, during the summer, to the student/parent listed below.

Check should be made payable to: _____
