

Job Shadowing

<i>Grade:</i>	<i>9-12</i>
<i>Prerequisite:</i>	<i>Complete Job Shadow request through Career Cruising/Inspire Sheboygan County</i>
<i>Course Hrs/Credit:</i>	<i>This program is not for course credit</i>

Students may gain experience in a career of interest by participating in a job shadow through Inspire Sheboygan County. Students log into their Career Cruising account and choose a career of interest. They then go to the Inspire Sheboygan County box and click on Related Companies. Students choose a company of interest, click on activities and select job shadow. Once a student has requested a job shadow, it may take up to two weeks to schedule it. Once a job shadow has been scheduled, students need to bring in a note from a parent to excuse them to the high school office and obtain a pre-arranged absence form.

Students must arrange their own transportation to the job shadow.
