A student in the teacher assistant program can gain a placement in elementary or middle school environment. The purpose of teacher assistant is to work with the cooperating teacher in every activities with students. If a student is interested in the teaching profession, this is an excellent way for students to gain experience to find out if teaching is for them. This program is first hour every day at the placement. The student is responsible for transportation. Students are expected to follow the requirements of the syllabus. This is an unpaid option. See Ms. Jarosch is interested.
