CONCUSSION STATEMENT

I certify that I have been provided with an information sheet on concussions in youth sports in compliance with NYSPHSAA and CDC's guidelines. If any player/participant is suspected of suffering a concussion or brain injury, the player will be removed from practice or competition and not returned to practice or competition until cleared in writing by a licensed health care provider trained in evaluation and management of concussions, and the school chief medical officer.

ATHLETIC INJURY WARNING STATEMENT

Participation in the Interscholastic Athletic Program is on a voluntary basis. Parents/guardians and students should realize that, as in any athletic activity, there is an element of risk involved whereas physical injuries may occur. Please be assured that our school officials will utilize all precautionary measures to safeguard the student's/athlete's health. Please note, however, that in the event of athletic injury to your child, the parents/guardians are responsible for medical and/or hospital expenses incurred. The School District does carry a Supplementary Insurance Plan to assist parents when their own personal health insurance does not cover the entire medical and/or hospital expense. Medical insurance information can be obtained by calling the District Office.

YOUR CHILD MAY NOT PARTICIPATE IN INTERSCHOLASTIC SPORTS OR PRACTICES UNTIL THE REQUIRED PHYSICAL AND HISTORY HAS BEEN REVIEWED BY THE SCHOOL NURSE.
