# 2020-21 Elementary Student Forum

Superintendent Adams charged the Elementary Reopening Committee with developing recommendations for reimagining elementary schools in the time of the COVID-19 pandemic. She asked the committee to define the framework for learning in three modalities: fully on-site, blended and fully virtual/off-site.

The team's best thinking to date, given the parameters, is presented within. The team continues to research, review guidance documents from the Reimagine Education Advisory Council and the NYS Departments of Health and Education, and seek input from stakeholders to inform this recommendation.

Our ultimate goal and purpose is to present our best recommendation for a safe plan for reopening that creates the most conducive learning environment within the guidance parameters.

# 2020-21 Reopening Discussion

## Required components of our Reopening Plan

- Parent choice: in-person, hybrid, virtual
- Enhanced academic rigor and accountability
- Students and employees wearing masks
  - Families are asked to provide masks for their children
  - The district will have replacement masks and also face shields as an option for employees
- Daily health screenings/temperature checks for all employees and students
- Parents asked to take their child's temperature daily before coming to school
- Contact tracing and coordination with local health department guidelines
- Daily cleaning and disinfecting protocols
- Shared books and supplies minimized
  - Where used, books (e.g., library books, trade books) and supplies (e.g., science lab materials) will be disinfected or allowed to remain untouched between use (as per CDC and DOH guidelines)
- School visitors will be restricted to those required for school business
- Students and staff will be trained on proper hand hygiene practices

## Elementary Reopening Overview – Current Status

- Planning for PK-5 students to attend school every day
- Sixth-grade classes at ASH, Eagle Point, Giffen and TOAST may follow the middle school schedule
- Classes split in half to class sizes of 12 students spaced 6 feet apart, or classes placed in larger learning environments (gym, café, library) to house full classes 6 feet apart
- Staff assigned to best support the needs of all students; however, all students may be with their classroom teacher for half of the day.

*Note: No decisions have been finalized at this time.*

# CSDA 2020-21 Reopening

## Elementary Reopening Overview – Current Status

- Staggered arrival/dismissal to allow for student symptom screenings, grab-and-go breakfast and daily teacher planning time
- Students and employees will wear masks and maintain 6 feet of social distancing
- Students have individual sets of all classroom and personal materials
- Limited student movement, reduced adult contact
- Students are primarily located in one space for the duration of the day
- Use outdoors and hallways to create opportunities for movement breaks and recess for students in assigned groups

*Note: No decisions have been finalized at this time.*

# CSDA 2020-21 Reopening

## Building Space and Staffing – Current Status

### Space for class sizes of 12+ at 6 feet apart

- ASH, Arbor Hill, Giffen, Eagle Point, Montessori, Pine Hills and TOAST may keep all PK-5 in their building
- Delaware Dual Language and PK-5 at New Scotland may relocate to Myers
- Schuyler and Sheridan Prep may need to send grades 4-5 to Clement
- Some self-contained sections may need to be relocated with grade-level peers
- Sixth-grade students from ASH, Eagle Point, Giffen and TOAST may be housed at Hackett, North Albany or O’Neal

*Note: No decisions have been finalized at this time.*

## Recommendations for Curriculum and Instruction

### ➤ Flipped classroom

- Instructional model where students lead their learning with tasks to build background knowledge and practice when they are with the supervising adult
- Teacher-facilitated time may be used to provide explicit teaching and feedback to advance student learning

### ➤ Virtual instruction

- Google Classroom, Nearpod, Dreambox, Lexia Wonders, Envisions and Foss will be the primary resources for virtual learning. They may be active year-round to support in-person instruction, remote instruction, and potential temporary and long-term closures
- A schedule of live instruction may be provided for each grade level
- Student attendance will be taken
- Standards-based approach to grading
- Grab-and-go materials will be established for each classroom
- Teachers and coaches will support the structure for virtual instruction

*Note: No decisions have been finalized at this time.*

# CSDA 2020-21 Reopening

## Next Steps

- Assess transportation capacity to serve all eligible elementary-level students with social distancing and PPE guidelines in place
- Determine multiple entry points at each building and design staggered arrival and dismissal procedures
- Finalize staff and student supervision pairings, rotations and schedules
- Develop a communication plan for students, families and staff to provide clear guidance on re-entry procedures

*Note: No decisions have been finalized at this time.*

## Student Focus Group Questions

1. What was the online learning experience like for you during the school closure? What was most helpful? What can we improve to make it the best possible learning experience?
2. What are you most concerned about as you think about school restarting in September, whether it is in-person, online or some mixture of both?
3. What are you most excited about as you think about school restarting?
4. Is there anything else you would like us to know as we plan for the restart of school?
