Central Maintenance/Technology

Vehicles

Staff who are assigned a district vehicle will be responsible for cleaning/ disinfecting the vehicle at the end of their shift; trained by Labor Foreman		
--	--	--

Disinfect building with mister to include hallways, bathrooms, classrooms, offices, entrances, library, etc. this may not be used in occupied space		
---	--	--

<i>These spaces are not planned to be used by students or staff at this time</i>

- * School health office cleaning must occur after each use of: cots, bathrooms and health office equipment will be supported by school nurses
- Normal routine cleaning with soap and water removes germs and dirt from surfaces. You must clean a surface/object before disinfecting. You must follow contact/dwell times for the disinfect for it to be effective.
