This will permit orderly scheduling for public remarks on the agenda. Any individual desiring to speak shall give his or her name, address and the group, if any, that is represented. Speakers may offer such objective criticisms of school operations and programs that concern them. But in public session, the Board will not hear personal complaints of school personnel nor against any person connected with the school system.
INFORMATION ON NON-PUBLIC SESSIONS

On Occasion the Board will need to enter into Non-public Session. When a motion is made to do so, it will be done under the provisions of NH State Law RSA 91-A:3 II, and one or more of the following reasons will be claimed for entering Non-public Session:

a. The dismissal, promotion, or compensation of any public employee or the disciplining of such employee, or the investigation of any charges against him/her, unless the employee affected (a) has a right to a meeting; and (b) requests that the meeting be open in which case the request will be granted.

b. The hiring of any person as a public employee.

c. Matters, which if discussed in public, would likely affect adversely the reputation of any person. Other than a member of the body or agency itself, unless such person requests an open meeting.

d. Consideration of the acquisition, sale, or lease of real property or personal property which, if discussed in public, would likely benefit a party or parties whose interests are adverse to those of the general community.

e. Consideration or negotiation of pending claims or litigation which has been threatened in writing or filed against the body or agency of any sub-division thereof, or against any member thereof because of his/her membership in such body or agency, until the claim or litigation has been fully adjudicated or otherwise settled.
