3. Reports

Matt Ferreira reviewed the YTD reports included. No significant variances from last month.
Approximately $60K at this current fiscal yearend less the funding of the Building Maintenance Expendable Trust leaves approximately $25K to be returned to the town.
A brief discussion was held on summer projects learning that no capital projects are planned. A plan is being developed for the repair of the gym roof as a potential warrant article. ARM will be contacted to perform an evaluation of the roof, create specifications, and manage the process. Approximately $5-6K for ARM’s consulting fee. The Roof Expendable Trust could be used for this expense. The board was in agreement that the roof repair project should move forward.

5. Continuing Business
Information: A. Update on COVID-19 relative to School Closure
Bill reported the Task Force and Working Groups are continuing.
A meeting has been scheduled for Monday, June 15th to update the Joint Board on the Task Force findings. Briefings for Staff and the Community are tentatively scheduled for June 16th. We will not have any final answers but plan to address questions and provide recommendations as to what we know at that time. Original planning was for 3 different scenarios. We have determined that there are certain items that are not scenario dependent. We need to ensure there is a robust technology infrastructure in all schools with equal upload and download speeds. We need to plan on the possibility of remote instruction. We need a better schedule with real measurements of grading and reporting, minimum expectations for asynchronous learning and teacher planning time. We need to take another look at the calendar to build more professional development time at the beginning of the school year for teachers to better prepare. We are also taking the same approach with South Hampton - Amesbury High School graduates that we are doing for Winnacunnet graduates with respect to the Post Secondary Group and the supports we will provide to the students as they move on from high school.

6. New Business

The South Hampton Board meetings will continue to be held on the first Thursday of each month at 4:30 p.m. It was noted that Joint Board updates will be scheduled as necessary throughout the summer.

Public Comment Received:
May 7, 2020
South Hampton School Board and SAU 21,
I hope that you are all safe and doing well. I would like to start by apologizing for being unable to join meetings via video Zoom or by telephone. There seem to be technical issues that are making this impossible. I want to thank SAU 21, and specifically Rhonda Evans, for doing an amazing job of district wide communication during this pandemic. Superintendent Lupini, I know you already know this, but you have assembled quite a team. I have been impressed by Doctors Hobbs and Arakelian. My daughter will be fortunate to be under their leadership. Bill, you have demonstrated exemplary leadership during this time of uncertainty. Matt, thank you for organizing the GoFund Me page. No child should ever have to go hungry. I have a few bullet points and a question: Amesbury, MA School Board passed their FY 20-21 School budget that included a $500 per South Hampton High School student increase. Approximately $15,000.00 school budget increase. The 70 Methuen and Haverhill, MA school choice students will be covering their $400,000 special needs budget shortfall. School Committee and Finance Chair, Mel Webster, has floated the idea of moving financial resources from the high school to K-8 in Amesbury. Amesbury, MA is experiencing student attrition issues. The Amesbury Middle Class of 19 was 25 students out of district, while this year’s 2020 middle school graduating class is an additional 40 students. So potentially the South Hampton tax payers will be investing more money for less high school services. Lastly, my question is: Principle McGowan will be on the SAU 21 update this Saturday. Will Principle Elizabeth McAndrews be joining him? Thank you Principals Huston and Witt for last week’s participation. Stay Well, and thank you for your service.
Sincerely, Pete Di Stefano 19 Woodman Road South Hampton NH 03827-3606 (M) 8475331750
