Board Goal 1: We believe robust communication with the community is vital to the ongoing support and growth our school and its education initiatives. The North Hampton School Board will work with the NHS and SAU administration to design and implement an education and communication effort for the North Hampton community relative to our Competency Based Education initiatives.

Board Goal 2: We are committed to recognizing the valuable work of our teachers and providing an opportunity for the community to hear about their work and the accomplishments of our students. The North Hampton School Board will create opportunities to hear about the work of our teachers and students at board meetings.

Board Goal 3: Reviewing and updating the mission and vision of the North Hampton School is a task that should encompass all stakeholders. The North Hampton School Board will initiate and participate in a visioning process with the School, the SAU, and the North Hampton community.
