

Seabrook Middle School Weekly Communication

Thursday September 17 2020

Next Week 9/21-9/25:

Monday - B Day

Tuesday - A Day

Wednesday - B Day, Early Release

Thursday - A Day

Friday - B Day

**The schedule is in PowerSchool for students and parents to view as well.

- **Schedule Change:** Please note that after a couple of weeks of online learning we have adjusted the schedule by a little bit. We realized students need a break in between classes so they don't feel rushed. The new schedule allows for that. The schedule is posted below and is also on PowerSchool. It will begin on Monday (9/28).
- **PowerSchool:** If you have not already done so please create a PowerSchool Portal account. If you are unsure of the Access ID and Access Password you need to create an account please email Mrs. Mounsey at lmounsey@sau21.org and she can send it to you. You need to go into the portal to fill out returning student paperwork. This is extremely important so we have the most up to date information on your child. Please do that ASAP! The portal will also show your child's daily schedule as well as his/her grades. Grades will be posted beginning September 28th (we needed to push this back by a week due to the later school start this year).
- **Thank you!:** Thank you parents, guardians, neighbors, friends, relatives for stepping up to help our students to be successful. We are already seeing more success with student participation and we hope to keep it going. Thank

Seabrook Middle School Weekly Communication

you also to our amazing staff of Teachers, Educational Assistants, Administrative Assistants, Technology Staff, Custodians and Food Service Workers for making this all happen. These are uncertain times and we all wish for things to go back to normal and for students to return to school. We will get there and we need a lot of patience and grace in the meantime. I am thankful for our families and for the hard work and dedication to the education of our students.

As always please don't hesitate to reach out with any questions or concerns.

Erin Milbury, Principal
