Reports

Dr. Isoye congratulated the June 2015 graduates. He noted that the ticket system and the number of tickets allocated will be evaluated for next year. Dr. Isoye reported that the staff celebrated the milestones of people in the District with 20, 25, and 30 years of service, those faculty members that received tenure and those who were retiring. Dr. Isoye noted that summer school was up and running. The summer musical will be *Joseph and the Amazing Technicolor Coat* on July 10, 11, and 12. He also thanked those Board of Education members and administrators who were at A day in Our Village. Electricity will be out in the old part of the building on Friday, June 26, and thus there will be limited access with few people in the building.

Discussion ensued regarding the Board of Education goals for the 2015-16 school year. Reports were given on professional development, a testing coordinator, residency and an end-of-the-year update on the Board of Education of Education goals for 2014-15. The Preliminary Budget was presented. A Hearing was held on the Driver Education fee.
