Step 2: You will get a login screen like the one to the right. Please type in your login ID and password and click “Sign In”.

After you log in, you can change your password by clicking on “My Account” in the upper right corner. To change your password, click on the “Change Password” button. Enter your current password. Enter your new password twice and click the “Save” button.

Click on “Calendar” on the left side. You will see important dates and assignments:

If you have more than one student, choose the student you wish to view from the drop-down list.

Important dates are listed here.
