

**OPRF – Draft Vision and Mission Statement
Draft #2**

Vision statement

Oak Park and River Forest High School will be a national model for educational **excellence** and equity. **We will increase educational opportunities and outcomes** for all students through a learning environment characterized by integrity, trust, compassion and understanding that nurtures the human spirit **and allows all students to reach their full human potential.**

Mission statement

Oak Park **and** River Forest High School embraces its diversity and provides a rich, dynamic, supportive learning environment for all students. By providing an equitable, holistic education, we cultivate the knowledge, skills, and character necessary for success and leadership in our ever-changing global society. **Our students are proud of and connected to their school; our community participates fully in the life of the school.**
