

OPRF – Draft Vision and Mission Statement

Vision statement

OPRFHS will be a national model for educational equity. Achievement gaps will be significantly diminished in a learning environment characterized by integrity, trust, compassion and understanding that nurtures the human spirit.

Mission statements

Current Mission Statement:

Oak Park River Forest High School embraces its diversity and provides a rich, dynamic, supportive learning environment for all students which equitably and holistically cultivates the knowledge, skills, and character necessary for success and leadership in our ever-changing global society.

New Draft Mission Statement:

Oak Park River Forest High School embraces its diversity and provides a rich, dynamic, supportive learning environment for all students. By providing an equitable, holistic education, we cultivate the knowledge, skills, and character necessary for success and leadership in our ever-changing global society.
