

TLL Task Force - April 9, 2013

Present: Glynis, Ginger, Claudia, Aleta, John, Naomi, Jon and Phil

The task force addressed the first of 4 goal statements - ***All OPRFHS educators will provide rich, engaging learning opportunities that set high expectations for all students and foster collaboration, problem solving, reflection, critical thinking and independent learning.*** The group began drafting Action Plan Steps, which will be available after more revision. Three steps were started after the considerable discussion on this goal statement.

An article titled Maximizing the Assets of a Diverse Community was noted as a resource. It is available at the following link:
