

Oak Park and River Forest High School

District 200

201 North Scoville Avenue • Oak Park, IL 60302-2296

2008-2009 Board and Superintendent Goals

Goal 1. Student Achievement

The District will develop a multi-year plan to raise student academic achievement for all students, with special emphasis/focus on underachieving African American students, utilizing indices of achievement; identifying and implementing effective instructional strategies by teachers through professional development; incorporating the Board approved six (6) Fall 2008 initiatives; increasing and tracking student co-curricular participation; and conducting separate Board, Administration, and Faculty professional development strands on race and student achievement.

Goal 2. Quantitative Mass Achievement Measures

The District will describe, as precisely as possible, what it means by “student academic achievement” and “racial academic achievement gap;” define quantitative mass indicators of student academic achievement and the racial academic achievement gap; describe the specific limitations of the quantitative mass indicators regarding the validity of their use; and describe the specific formal processes by which we will use and improve these definitions over time.

Goal 3. Recruitment and Retention of Minority Administrative and Certified Staff

- A. The District will complete the development and implementation of a formal program for the recruitment of Administrators and Faculty with an emphasis on the recruitment of minority candidates. With its implementation, the District will establish an annual goal of employing minority candidates as 35% of all Administrators and Faculty employees.
 - B. The District will develop and implement a plan for the retention of minority Administrators and Faculty.
-

Goal 4. Green School Initiative

The District will develop and begin to implement a comprehensive “Green School” plan encompassing the following areas: indoor cleaning chemicals and supplies; Food Service; outdoor grounds chemicals and supplies; Integrated Pest Management (IPM); paper recycling; paper consumption; and energy.
