MEMORANDUM

DATE: May 24, 2018

TO: District 200 Board of Education

FROM: Dr. Joylynn Pruitt-Adams, Superintendent, and Jennifer Cassell, Culture, Climate, and Behavior Committee Chair

RE: Culture, Climate, and Behavior Committee 2017-18 Recommendations

Background

On January 28, 2016, the Board of Education formed the Culture Climate and Behavior (CCB) committee. The committee consists of board members, administrators, faculty, staff, students, parents, and community members. During the 2017-18 school year, CCB committee members met twice a month to study, discuss, and make recommendations to improve Oak Park and River Forest High School’s culture, climate, and student behavior.

Over the course of this school year, the committee divided into small work groups to focus on four discreet assignments: Student and Family Voice and Belonging; Faculty and Staff Voice and Innovation; Community Voice and Connections; and Student Tardiness. After research and discussion, each work group developed draft recommendations and presented their findings and recommendations to the committee at large. The draft recommendations were refined or deleted based on committee feedback. On April 4, 2018, Dr. Pruitt-Adams and Jennifer Cassell presented the draft recommendations to the Faculty Senate and received comments during the meeting and through a staff feedback online tool. CCB used the feedback received and knowledge gained throughout the course of the last two years to finalize and approve the recommendations.

The Committee of the Whole reviewed these recommendations and it was the consensus of the majority of the members to move them forward to the Board of Education for approval.

Motion
Move to adopt the recommendations of the CCB Committee as presented.

Board Goals 2, 3, and 5.
