**Audio Recording of Board Meetings - Update**

Mr. Carioscio reported that he had manipulated the audio tapes of two meetings so that the audio recordings of each agenda item was marked, allowing for that portion to be linked to the agenda. He explained the processes he had used to date to accomplish this project. First, he used YouTube editor and audio editor. Approximately 20 hours were used to accomplish this. He was exploring other venues as to how to do this and he anticipated that it might ultimately take 5 hours to accomplish this. He asked for time to develop the audio link based on topic, but it may not be a link on the agenda.

The Committee chair felt that if this task could be accomplished within a 2-hour timeframe it might be worth it, but not more than that amount of time. A policy on audio recordings may have to be developed as well. This will come forward in a couple of months.

**Student Discipline**

Raising Student Voice event was on Saturday, October 10, 2015 and approximately 30 students participate. While student leaders were disappointed with the number of students who participated, they continued their own discussion, as they had not had that opportunity previously. The information is being collated and a report will be received from Chicago VOYCE. Students will debrief on the event and how to go forward in the future. This was a great opportunity for these students made possible by Jonathan Silver, Esteban Medina, Brian Beyers, Kris Johnson, and Latonia Jackson.
PTAC
The administration is talking with someone about facilitating a discussion on the philosophy of discipline. Other options will be explored for experts on Restorative Justice.

Dr. Isoye and Mr. Rouse are working on who will be part of PTAC and student engagement will be important. They hope to send out invites by the end of the month and meet next month.

Superintendent Evaluation Process
Ms. Spivy had received feedback from one BOE member and will send a reminder to send their input.

Adjournment
At 6:38 p.m., the Policy Evaluation and Goals Committee adjourned.
