

Oak Park and River Forest High School Facilities Master Plan: Imagine OPRF Components

In its November 2018 recommendations to the Board of Education, the Imagine OPRF Work Group presented a comprehensive facilities plan to be done in five projects over roughly 10 years. Execution of projects depends on separate Board approval for each one; currently Project 1 is the only one approved and underway. Costs for projects that are five years or more years in the future are difficult to project with any accuracy and therefore are not included here.

PROJECT 1 \$ 32,631,500*	PROJECT 2 \$65,367,600	PROJECT 3	PROJECT 4	PROJECT 5
