RE: 2019 – 2020 Illinois 5Essential Surveys for School Improvement

Dear Parent(s) and Guardian(s):

Parents across Illinois now have an opportunity to participate in the 8th annual statewide Illinois 5Essentials Survey. This survey is designed to generate a detailed picture of the inner workings of Oak Park and River Forest High School. As a parent, this opportunity will allow you to share your thoughts on the important elements of school effectiveness in a survey about your child’s learning community.

On behalf of the Illinois State Board of Education, the Illinois 5Essentials Survey will be administered online by UChicago Impact at the University of Chicago. The survey gathers data related to five indicators that can predict important student outcomes, including improved attendance and larger test score gains. These five indicators that affect and predict school success are:

- Effective Leaders
- Collaborative Teachers
- Involved Families
- Supportive Environments
- Ambitious Instruction

Prior research in more than 400 schools has shown that schools that were strong on at least three of these “5Essential” indicators were 10 times more likely to improve student learning gains in math and reading than those that were weak on three or more Essentials.

All teachers and 4th through 12th grade students will be responding to this survey. 5Essentials Reports will be generated for schools if their teachers and/or students meet the response rate threshold of 50 percent. These reports will be sent to schools and districts in March 2020 and will also be included in the State School Report Card.

Additionally, District 200 has chosen to provide the optional Parent Supplement survey. If at least 20 percent of Oak Park & River Forest High School parents complete this survey, a
parent supplement report will also be generated. The parent data will not be reported on the State Report Card.

Your participation in the parent portion of the survey will help us understand the conditions in the OPRF learning community and guide improvement. Your identity and survey responses will be kept completely confidential and will never be connected to you or your child.

The Illinois 5Essentials Survey for parents will be conducted from October 23, 2019 through February 14, 2020. To take the survey please visit https://survey.5-essentials.org/illinois/ and select the appropriate survey to begin.
