Oak Park-River Forest High School Junior,

The SAT has become a rite of passage for juniors. In fact, because of the pivotal role this test plays in college admissions, Illinois will be paying for every student in the Class of 2022 to take the SAT on April 13, 2021. To prepare its junior class, Oak Park-River Forest High School has invited ExcelEdge to offer **SAT 1600**. In fact, since 1989 over 7,100 OP-RF grads have increased their scores thanks to ExcelEdge test preparation.

Give yourself the Edge. A leader in Midwest test preparation, ExcelEdge has meticulously analyzed this College Board SAT to ensure students receive a highly specialized program tailored to the test. This year our classes will be hosted live using Google Meets to ensure an interactive classroom experience. You can count on experienced instructors who are certified content specialists to teach you point-producing offensive and defensive strategies to navigate difficult items. Our teaching team will show you exactly what to expect on this test. We will teach you how to eliminate choices, how to answer items quickly, and how to maximize your score. To see what our schools, our parents, and the graduates of our program have said, please visit our website: www.exceledgeinc.com.

Timing is everything. We have deliberately scheduled **SAT 1600** to wrap up just before the April 13th SAT exam. By spring, students will have mastered junior curriculum, which the exam targets. By completing the program in the weeks just before the SAT, students can master test content and strategy and put these skills to immediate use.

Register for SAT 1600. To join our program, which will be held online, please visit the Oak Park and River Forest High School RevTrak website, select Shop, then select Testing, and select your desired class from the list. You also may register on the ExcelEdge website: www.exceledgeinc.com. Tuition is \$325. **Registration is now open and closes on December 31.** Please select from the following days/times. Students may make up absences on alternate days.

Mondays – 7-9pm

Tuesdays – 4-6pm or 7-9pm

Wednesdays – 4-6pm or 7-9pm

Thursdays – 7-9pm

Saturdays – 10am-noon

Contact us with any questions. If you have any questions about **SAT 1600**, please feel free contact ExcelEdge at info@exceledgeinc.com / 219-838-0740. We look forward to working with you!
