## Deadline to opt into/out of on-site classes is TODAY

- **If you do not make your selection TODAY, your child automatically be placed in remote-only classes for the full second semester; they will *not* be able to switch to on-site classes later.**
- To see complete information and instructions for making your choice, [click here](#).
- Want to confirm you've made the correction selection? [Click here](#) for instructions.
- We anticipate sending students their cohort assignments by the time second semester classes begin on Monday, Jan. 11.
- **NOTE:** We will not implement hybrid learning until it is safe to do so. The soonest hybrid learning might begin would be January 19. This date, however, depends on local and county COVID-19 metrics

## Board of Education to discuss saliva screening on Dec. 17

To help identify potential cases of COVID-19 and reduce the chances of transmission in the building, the district is considering implementing a saliva screening process for students and staff. At its Dec. 17, 2020, regular meeting, the Board of Education will discuss two screeners the district has been considering and the pros and cons of implementation. To watch the live stream of the Board meeting, which begins at 7:30 p.m. on the 17th, [click here](#) to visit our YouTube channel.

## Remote learning continues through the end of semester 1

As announced last week, we will remain on a fully remote schedule through final exams, which conclude on Wednesday, Dec. 23.

## Teacher, Employee & Volunteer of the Month is back!

Congratulations to our December recipients, *Faculty of the Month Meghan Cabill* and *Employee of the Month Tim Hasso*. To nominate someone, please [click here](#). We'll honor recipients at the Board meeting each month.

## Huskie Booster Club turns 50!

To mark the occasion, the Boosters are donating a whopping \$40,000 to fund two elements of Imagine OPRF Project 1: a new Tradition of Excellence Wall and a new video wall in the Welcome Center. [Click here](#) to read more. A HUGE thank you to the Boosters, who have done so much to support the 4 A's at OPRF: Academics, Activities, Arts, and Athletics.

## Follow the 3W's to get students back on site

We need *everyone* in our community to follow the 3W's:

- **Wear a mask.** Make sure your nose and mouth are covered.
- **Watch your distance.** Stay 6 feet apart.
- **Wash up.** Practice good hand hygiene by washing with soap and water for at least 20 seconds.
