

The Bookstore: What can we do for you and your student?

Questions? Call us at 708-434-3940

1. We provide all curriculum – paid for by the Instructional Material Fee

a. Students check out/in their textbooks linked to their ID# from the Bookstore's library system.

Textbooks have individual barcodes and specific due dates. Fall ONE-Semester course books due day before winter break!

- **If not returned to the Bookstore by the due date, a \$5.00 late fee and the book's new replacement cost will be billed.**
If textbook is returned before the end of the school year, the replacement fee will be reversed.
- **Books checked out by a student should NEVER be left in a classroom, nor should you expect a teacher to return their book.**
- **If a textbook is lost or damaged (highlighted, water damaged, broken bindings, etc.), the student is financially responsible.**
BUT – Do NOT pay for lost/damaged books w/out contacting the Bookstore first.
- **Lockers must be cleaned out in May by the last day of finals.**
Found textbooks are each assessed an additional \$5 locker cleanout fee on top of a \$5 late fee.

b. Novels, workbooks and initial art kits are delivered to classrooms at time of need and handed to the students by their teachers.

- **These items** (along with other classroom handouts) belong to the student, and are not returned to the Bookstore.
- **Art kits stay w/classroom** if student transfers out.

c. Thus there is no reason a student should not have their materials for class.

2. We can collect fees

a. Can take payment for ANY billed obligation in Skyward with cash, check, Visa, MasterCard, or Discover – though use of the online payment option through Family Access is encouraged.

- **District fees (vary/yr.), Tech fee and IMF, plus any other outstanding charges,**

Student schedules will NOT be released to students unless obligations have been paid in full, or payment arrangements have been made in the Bookstore. Schedules are NOT released early and NOT mailed home with payment, as they were by the middle schools.

b. Applies fee waivers to district fees/tech fees/IMF.

- Families may qualify for a waiver of their fees if they qualify for the Federal Free and Reduced Lunch Program.
If your family qualifies, the school fees will be waived or reduced based upon your status. Applications will be online (oprfs.org/food-services). See application for instructions.

c. Sends out monthly statements

- **Obligations can be billed on Skyward by any department such as Athletics, Fine Arts, Science, Discipline, etc.**

Questions should be first directed to the department that billed you. If unsure, call the Bookstore @ 708-434-3940.

3. We are the LOST & FOUND for BOOKS and BACKPACKS ONLY

a. If your student misplaced their book/binder/backpack, have them come to the Bookstore to check to see if it was turned in.

We will issue another textbook if possible so they don't get behind, but additional novels/workbooks must be purchased. They will be still responsible for the 1st textbook checked out to them.
