

Dear Saint Jeanne Families,

As the situation with the Covid19 outbreak continues, we have received notice from the Diocese of Orange that effective immediately, all schools will close until April 20. Saint Jeanne de Lestonnac School will follow this directive. We are aware of the potential hardships this will cause our Saint Jeanne families, but we feel that it is best as a Catholic school, given the current circumstances, to align and support the Bishop and Superintendent of the Diocese of Orange.

We will be working with our faculty to get our online platforms available for your child. We will also provide you with details regarding remote learning and parent involvement regarding every grade level and curricular area.

Please feel free to read the Superintendent's letter regarding the closure and the events that led to this decision. Sister Cecilia will be in the office daily from 8 am - 4 pm and we will also have front office staff available to you Monday through Friday from 7:30 am - 4 pm.

Thank you for your patience and understanding as we cope with the events that are unfolding in our society. As always, we look to God for his joy and peace in our situation. We rest in the grace of His Son, Jesus Christ, and the ever-present love of our Mother Mary.

In the Company of Mary,

Sister Cecilia Durán, O.D.N.

**ROMAN CATHOLIC
DIOCESE of ORANGE**

PASTORAL CENTER: DEPARTMENT OF CATHOLIC SCHOOLS
13280 CHAPMAN AVENUE, GARDEN GROVE, CA 92840

March 13, 2020

Dear Diocese of Orange families,

As a follow up to my letter previous letter, I want to reiterate that the public's health and safety are paramount to the Diocese of Orange and all of our community and educational partners. While there have been no confirmed COVID-19 diagnoses within any of our schools, we want to ensure that we are acting with prudence and diligence for the best interest of our students, teachers, and families.

After careful consideration and in light of the fluid nature of this pandemic, the Diocese of Orange elementary schools will close their school buildings and cancel classes and student-related activities from **March 16 – April 17, 2020**. We plan to re-open schools on April 20, 2020 following the Easter Break. This closure includes any planned school events such as fundraisers, community events as well as field trips. This closure means that school buildings will not be open to children, parents, or community members during this time. Course content will be delivered utilizing the Diocesan distance learning protocol which has been distributed to all schools.

I understand this is an evolving health concern, and guidance is changing daily. This complex decision involved close collaboration and coordination with the Orange County Health Agency and Bishop Kevin Vann. I also ask that you please inform your school principal if your child receives a confirmed diagnosis of COVID-19.

I understand this may cause a hardship for many families. We made this decision out of maximum consideration for the health and safety of our children and school community members.

As we proceed, we are aware that there continues to be many concerns around COVID-19 and want to ensure families that we are working closely with OC Health Agency for updates and guidance. For the latest information on COVID-19, families are encouraged to visit the OC Health Agency webpage dedicated to COVID-19 (<http://www.ochealthinfo.com/>) and the CDC homepage.

As a community of faith, let us hold one another in prayer during this challenging time. Please pray especially for the sick, health care providers, public health officials, and all community leaders during the weeks to come.

For updates regarding this closure, please visit our OC Catholic Schools website at <https://oc Catholicschools.org/>.

In mission,

Erin C.O. Barisano, Ed.D.
Superintendent of Catholic Schools
Diocese of Orange
