Semi Annual Security Report  
2022/Spring

The Semiannual Security Report and new reporting requirements contain statistics covering October 2021 – March 2022. The crime statistics chart includes Clery Act Data and information related to statistics of incidents of power-based violence. It includes but is more expansive than sexual misconduct and Title IX misconduct.

As a best practice in the Board of Regents (BOR) Uniform Policy on Power-Based Violence, crime statistics that appear in RED on the Semiannual Security Report are recommended to be reported as well.
