Item 5 – Conduct Hearing on the 2016-2017 Budget

A motion, second, and vote are required to enter into the budget hearing and the same is required to close the budget hearing prior to adopting the SY 16-17 budget.

Exhibit 1 is the updated School District Budget Form which states the estimated revenue and expenses for SY 16-17. The following is a summary of significant changes that have occurred since the tentative budget was approved in August:

- $450,000 was added to the Fund 60 expense budget to pay for the interior mold remediation work that had to be completed in August. $200,000 was added in the revenue budget for Fund 60, due to anticipated insurance reimbursement.
- Final General State Aid calculations are showing approximately $70,000 less than was originally anticipated.
- Health Insurance figures were updated after the open enrollment period was completed.
- Fund 20 has a total expenditure budget that exceeds the 15-16 expenditure budget by almost $700,000. This is primarily due to the parking lot construction project.

Exhibit 2 Analysis of the fund balances over the past few years.

**Administrative Expenditures Hearing Information**

- The Administrative Costs Calculation which is displayed in the budget shows a 59% in Administrative Costs for the 2016-2017 school year. This calculation includes salary and benefits of the Superintendent and the District Secretary. The reason for the increase this year is the addition of an Assistant Superintendent position. Since the increase is above 5%, the Board needs to take further action.
- According to ISBE, Districts that fall within the lowest 25th percentile (4th Quartile) for administrative costs per pupil can waive the limitation by Board action. The Board must approve a resolution waiving the limitation by a 2/3 majority.
- Based on the most recent Annual Financial Report data, ISBE stated that in order to be in the 4th Quartile, administrative costs must be at $283.24 per pupil and lower. Currently, BHSD 38 has an administrative cost per pupil of $168.97, which ranks the District at 355 out of 373 Elementary school districts. This places BHSD in the 4th Quartile, allowing the Board to approve a resolution to waive the 5% restriction.
