i. Discussion on future Board meeting times flowing from closed session to open session

Mazur commented that other school Boards start their open session directly after closed session. Kueter commented that the same thing happens where she works. People would have to come at 6:00 and wait for the closed session to be over. Lyons would not like to see people having to wait, particularly the students who come for the academic spotlight. Enters felt it might be hard on the parents as well. Kueter asked about doing it only during the summer when the academic spotlight is not presented. Mr. Gold commented that we could change the order of the agenda if needed. It was decided we could try next summer to have the open session start directly after the closed session for the summer only.
