Lice: It's That Time of the Year Again

Please remember that sleepovers, sharing of hats and brushes, etc. are common ways for lice to spread and the return to school is a frequent times for lice to be found. Please help us be proactive: check / re-check your child(ren) as needed and report any cases of lice to the school office.

Morning Check-In Questions

Remember to take a minute or two before leaving home in the morning to complete the Check-In process/questions in PikMyKid for your child(ren). There are currently three (3) questions from the ADoM that are required to be answered for each child. Teachers will begin calling from homeroom to ask parents/guardians the questions if they remain unanswered when the student arrives in class. Please help us avoid this morning disruption and thank you to the families that have been diligent about answering the questions each day.
