

CHARGER NEWS

VOLUME 5

ISSUE 22

FEBRUARY 19, 2021

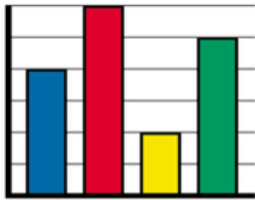

The parish and school community of Saint Coleman join together to provide students moral guidance and learning in a safe, Christ-centered, and academically challenging environment based on the beliefs and practices of the Catholic faith.

PE Uniforms

Students should be wearing their SCS PE Uniform to school on their PE days. T-shirts from previous year's Festivals, Walk-a-Thons, Sports Days, etc. may only be worn to school on dress down days.

Terra Nova Testing

Bar Graph

Terra Nova Testing is scheduled for March 1st-5th. **All students are required to be on campus for testing; including Livestream students.** We will provide classrooms specifically for these students so that Livestream and On Campus groups are not mixed. Scholarship students risk losing funding if they are not present on campus for testing. Dr. St. Thomas will provide more information to the Livestream families about where their child(ren) will be testing and the schedule.

Please help your child(ren) do their best by planning ahead: get plenty of rest, eat a good breakfast, and arrive to school on time every day to get settled before testing. Do not plan absences or early dismissals during testing week. Make-up tests will be scheduled for **excused** absences only.

SCS Open Registration

Registration for siblings and new students for the 2021-2022 school year is ongoing. Visit stcoleman.org/admissions for an application packet, if needed, and **please spread the word.**

Priority re-registration for currently enrolled students ended January 31st. Please complete and submit your online form(s), if you have not already done so, to reserve your space for next year.

If your family does not plan on returning to SCS for the 2021-2022 school year, please notify Mrs. Jaen at admissions@stcoleman.org or Mrs. Perkins at mperkins@stcoleman.org as soon as possible.

Step Up for Students Income-Based Scholarships

The **Florida Tax Credit Scholarship** is based on financial need, not how well your child does in school. View qualifying income and eligibility requirements [here](#) and/or call 877-735-7837 to learn more. Students on the scholarship for four or more years are 99% more likely to attend a four-year college and 45% more likely to earn a bachelor's degree.

Renewal Families can complete their paperwork NOW for the 2021-2022 school year by logging-in to their Step Up for Students accounts! stepupforstudents.org

NEW Family Applications for the 2021-2022 school year will open in March. Join the interest list [here](#) to be notified when applications are available.
