Students may enter the school between 7:00-7:30 each morning. Only students officially enrolled in the Shining Stars Before/After School program will be allowed entry prior to 7:00 AM. Afternoon bus and car rider dismissal begins at 2:00 PM. All students officially enrolled in the Shining Stars Before/After School program are able to stay after school until 6:30 PM.

DRESS CODE

The purpose of this dress code is to assist administrators, teachers, students, and parents in fulfilling the mission of Barrow County Schools to provide all students quality educational opportunities that enable them to become successful, responsible, and contributing citizens. To accomplish this mission, the learning environment must be one that is safe, disciplined, and free of distractions. Therefore, the dress code regulations that follow are not designed to inhibit personal taste but to encourage learning, good behavior, and safety.

1. Any clothing, hairstyle, jewelry, chains, or attire that is distracting or causes a disruption or constitutes a safety issue will not be permitted at school.
2. Shorts, skirts, dresses, and spirit wear must be of reasonable length; e.g., mid-thigh if they are to be worn at school. All shirts, dresses, and blouses should have moderate sleeves.
3. Clothing such as skirts, pants, trousers, etc. must be worn at the waist. Clothing shall not be poorly fitted or oversized or extremely baggy. Clothing that exposes underclothing or impedes walking will not be permitted. Jeans, etc., with holes not permitted.
4. Clothing and/or jewelry, which advertises or displays any insignia of alcohol, illegal drugs, or tobacco is not permitted.
5. Clothing and/or jewelry with words or symbols which are offensive, insulting, embarrassing, sexually suggestive, obscene, gang-related, or promote violence, terrorism, or abusive behavior will not be permitted at school.
6. Clothing that distracts by exposing or accentuating the body, such as spandex pants, see-through garments, halter or tube tops, backless dresses, muscle shirts, bare midriff outfits, or shirts, blouses, etc., that are tied at or may rise above the waist will not be permitted at school.
7. Sunglasses, caps, hats, and other head-coverings such as bandannas and hoods will not be worn inside the school building.
8. Appropriate shoes must be worn at all times at school.

Discretionary Statement: The Principals/Site Administrators have the authority to interpret the dress code and make a case-by-case determination for appropriateness of dress and appearance, which is or is not covered in these dress code standards. Principals/Site Administrators may make occasional, school-wide exceptions to these standards for such events as "hat days" or "spirit days." Normally scheduled "Spirit Wear Days" may be scheduled on Thursday and Friday of each week for the entire school.

VISITORS

Outside visitors to schools (parents, district office staff, etc.) will need to make appointments and abide by provided guidelines (wear a mask that covers both nose and mouth, complete a symptom checklist, and submit to a temperature screening) before entering the building. During

Updated July 7, 2020

**Barrow County School System
SY 2020-21**

Level 2/moderate spread, such visitors must be pre-approved by the building Principal. Parents coming to check out their children from school early do not need an appointment, but will need to wait outside the building and their child will come out to meet them.

Approved visitors will use the intercom system by pushing the intercom button, waiting for a response from a BES staff member, and showing a photo ID to the camera. A staff member will buzz in essential or pre-approved visitors. Once buzzed in to the building, all visitors are to report to the main office, show/scan their photo ID, and sign in to receive a visitor's pass. Any staff member who sees a person without a visitor's badge has been directed to question the person and direct them to the office. Parents/guardians are asked to schedule visits with a teacher prior to coming to school. This will ensure optimal instruction time without interruptions.

LUNCH WITH YOUR CHILD

We will not be permitting outside visitors for lunch this school year. Thank you for understanding.

EARLY DISMISSAL PROCEDURES

Parents are encouraged to schedule outside appointments for their child before/after school hours. However, early dismissals will be granted for the same reasons as excused absences. If parents know that a student will be picked up during the day, please send a handwritten note or email to the teacher indicating the time the student will be leaving. There will be no check outs from 1:00-2:00 except for extreme emergencies. Please be aware of this policy when making appointments or arrangements for your child to leave early. This procedure is for the safety of all students. When you arrive, you will buzz the front office and show your ID. A staff member will then call your student to the front office and escort your child to the front door.

TRANSPORTATION:

Car riders are dismissed beginning at 2:00. If your child is to be a car rider, the office will assign you a car rider tag to hang on your mirror. You will get in the car rider line in the front of the building to pick up your child. Mrs. Duke or another BES employee will be directing traffic and will assist you in lining up in the proper order for dismissal.

All transportation changes are to be done in writing. Please send a note or with your child or email your child's teacher indicating the change. Any child who does not have a written transportation change will be expected to follow their regularly scheduled transportation routine, whether that is by car or by bus. We cannot accept transportation changes over the phone. This is for the safety and well-being of our students. We must receive it by 1:00 at 770-307-0529 for same-day transportation changes. If sending a fax or email, please call the front office to alert them and get directions for next steps.

If the transportation change involves your child going to another child's home for an event such as a play date or sleepover, *we must have written communication from both students' parents.* This is to ensure both families are aware of the situation so that all of our students are safe. If we do not have written communication from both parties, the students will follow their regularly scheduled transportation.

SHINING STARS BEFORE/AFTER SCHOOL CARE PROGRAM (Weekly Paid Program)

The Bethlehem Shining Stars Before/After School Program is a program available to all BES students Monday through Friday from 6:30-7:00 AM and 2:00 – 6:30 PM. Morning drop-off will

Barrow County School System
SY 2020-21

occur from 6:30-6:45 at the back of the school. After 6:45, parents will have to get in the car rider line in front of the school due to buses arriving in the back. Afternoon pick-up will also take place at the back of the school. Parents may not arrive at the back doors prior to 2:30 so our buses have time to depart safely.

There are several rotations available including homework assistance, technology access and creative and free play. We have a limited number of available slots each year. Please contact our ASP Director, Rebecca McDaniel, at 770-867-2238 or Rebecca.McDaniel@barrow.k12.ga.us for our weekly rate information and enrollment procedures.

STUDENT BIRTHDAYS

We will not be accepting any outside snacks or food or visitors for birthday celebrations. Your child's teacher will be sure to do something in the classroom to help your child feel special. Thank you for understanding.

PHONES & OTHER ELECTRONIC DEVICES

Our school has greatly increased the number of devices available for student use. Cell phones are not needed to support instruction. At the elementary school level, cell phones serve as a distraction to students and negatively impact our ability to provide a safe and productive learning environment both on the bus and in the building. As such, elementary schools have opted out of the BYOT (Bring Your Own Technology) district program. Phones and other student-owned electronic devices will not be permitted for use at school or on the bus, and we would prefer they not even be sent to school with students. If there is no way to avoid this, the phone must be left turned completely off (not silenced or vibrate) and in the backpack at all times. Students who violate this protocol may be subject to having their phone placed in the front office, and the parent will be required to come to the school to pick it up. The school is not responsible for lost or stolen electronic devices.

CLINIC INFORMATION

When should your child stay home from school?

- If he/she is running a fever. Temperature must be below 100.4 for **72 hours** without Tylenol or Motrin before a student may return to school.
- If he/she is vomiting. No vomiting for a full 24 hours before returning to school.
- If he/she is having diarrhea. No diarrhea for a full 24 hours before returning to school.
- If you have questions, please call the school and ask for the nurse or clinic worker.

What if my child becomes sick or is injured while at school?

- In case of an emergency illness or accident involving students on the school grounds or in the school building, the school will immediately notify the parents. In order to do this, the school must have current phone numbers for parents and emergency contacts. Please help us by keeping this information up to date and send information to school in writing. You may also visit www.barrow.k12.ga.us and update your information on Infinite Campus.
- Only the school nurse or front office will authorize a student's dismissal from school due to sickness or injury. Teachers and students are not allowed to make phone calls regarding this.

**Barrow County School System
SY 2020-21**

EMERGENCY DRILLS

We are required to conduct one fire drill per month, one tornado/weather drill per semester, and one lockdown/intruder drill per quarter. These drills are done in order to prepare all students and staff for what to do should we have an emergency.

HOMEWORK

All students at BES are encouraged to read independently or with a parent for 20 minutes each evening as part of our school-wide homework initiative. In addition to this homework, individual teachers may give assignments to reinforce what is being learned in the classroom. Any specific questions regarding homework should be directed to the assigning teacher.

COMMUNICATION

All homeroom teachers will send weekly communications to families to inform them of what is being learned, upcoming events, and other important information. We also regularly update our school Facebook page, our school Twitter feed, our school Instagram page, and our school Website. We encourage all parents to call or email their child's teacher with any questions. Teachers will do their best to respond to your call or email within 24 hours. Teachers and staff members are not permitted to use their personal phones to text or send photos. BCSS approved apps such as Remind, Google Voice, and Parent Link may be used for these purposes.

REPORT CARDS AND PARENT-TEACHER CONFERENCES

Report cards are issued quarterly. This year, they will not be sent home with or mailed to students. Report cards will be available through the Infinite Campus Parent Portal. There will be opportunities for parent-teacher conferences in the Fall and Spring. Parents may also request to meet any time throughout the school year. Meetings may be held virtually.

LOST AND FOUND

We have a lost and found closet in the cafeteria in which lost articles are placed. At the end of each grading period, any items that are not claimed will be placed on a table in the atrium. They will remain there for one week. After one week, any remaining articles will be donated to a local charity. Please encourage your child to keep track of his/her items and label all jackets, lunchboxes, etc. with his/her name.

SCHOOL MATERIALS AND FINES

Textbooks, library/media materials, and equipment are the property of the Barrow County Board of Education and are issued to students free of charge. The return of these materials to the school shall be the sole responsibility of the students and their parents/guardians. Students who lose or damage materials and equipment shall reimburse the Barrow County Board of Education for the cost of replacement/repairs.

WITHDRAWING YOUR CHILD

If you are moving and your child will be transferring to another school, a student withdrawal form must be completed. Copies of all records will be mailed to the student's new school when a written request is received. Only the individual who registered the student can withdraw the student.

**Barrow County School System
SY 2020-21**

VOLUNTEERS AND MENTORS

Due to the current status of community health, we will not be accepting volunteers or mentors.

DISCIPLINE

While we make every effort to prevent discipline referrals, they are sometimes necessary. Should your child receive a discipline referral and is sent to the office, an administrator will contact you. Each office referral is a unique situation and will be handled based on the child and the level of incident. Our goal is to use discipline referrals as teaching opportunities and provide consequences that are fair and aligned to the behavior.

Therefore, a complaint should not be filed with the Georgia Department of Education until every effort has been made to resolve through local written complaint procedures. If the complainant has tried to file a complaint with the

The Letter of Findings will be sent directly to the complainant, as well as the other parties involved.

One exception that permits disclosure of personally identifiable information without consent to school officials with a legitimate educational interest. A school official may be a person employed by the school district, a person or company that the school system has contracted to perform a specific task, or other party to which the school system has outsourced services. Barrow County Schools may disclose designated "directory information" without written consent. The primary purpose of directory information is to allow Barrow County Schools to include this information in school publications. Unless you, as a parent/guardian or eligible student, request otherwise, this directory information may be disclosed to the public. Any school district receiving ESEA funds must, upon request of military or higher education institutions, provide access to secondary school students' names, addresses, and telephone listings. STUDENT COMPLAINTS AND GRIEVANCES

The Barrow County School System is committed to providing an environment free of sexual harassment and all forms of harassment and discrimination on the basis of race, color, religion, gender, age, national origin, or disability. If a student believes he or she is being mistreated on account of race, color, religion, gender, national origin, or disability, the student may utilize the three-step procedure outlined below.

Step I: If a student has a complaint of discrimination or unfair treatment, he or she should report concerns to the Level One Administrator as described in Board Policy GAE, section 2) principal, the local school's Title IX coordinator, teachers, counselors, or other school administrators. If a student is not satisfied that a complaint presented to a member of the school staff has been resolved satisfactorily, the student or his or her parent may request a meeting with the principal, following which, the principal will inform the parent in writing of his or her decision on the complaint.

Step II: If, after meeting with the school principal, the student is not satisfied with the principal's decision, a written appeal may be submitted to the Superintendent's Office within 10 working days of the receipt of the principal's decision. The appeal must give specific reasons for reconsideration, state precisely the reasons for dissatisfaction with the principal's decision, and be limited to the matter under review. The complaint shall include: Mailing address of the complainant, intent of the complainant, reference or

description of the statute, policy, rule, contract provision or regulation that is alleged to have been violated, misinterpreted or misapplied, and a brief statement of the facts.

Step III: For assistance with the student complaint or grievance process, you may contact the district Equity Compliance Officer/Title IX Coordinator Barrow County Schools, 179 West Athens St. Winder, GA 30680, 770-867-4527. **Retaliation on account of filing a complaint at any level is strictly prohibited*

SCOPE PROGRAM FOR GIFTED STUDENTS

Barrow County School District endorses the philosophy that education is a means by which each individual has the opportunity to reach his or her fullest potential. Students in grades K-12 who demonstrate a high degree of intellectual, academic, and/or creative abilities may be nominated for evaluation to determine eligibility to participate in the Program for Gifted Students. Referrals for consideration may be made by teachers, parents or guardians, counselors, administrators, peers, self, and other individuals with knowledge of the student's abilities.

The State Board of Education determines eligibility criteria for placement in the program. For a summary of those criteria or for further information about Barrow County's Program for Gifted Students, please contact the Gifted Program teacher at your child's school or Meggan McNally, Gifted Program Director at 770-867-4527.

SCHOOL ATTENDANCE AND GEORGIA'S COMPULSORY EDUCATION LAW

We will no longer be giving awards for perfect attendance. When your child is sick, please keep them home.

School attendance is a high priority in the Barrow County School System. Regular attendance is vital to each student's academic progress and the development of positive habits for his/her adult life. **Georgia Law O.C.G.A. 20-2-690.1** mandates school attendance for students between the ages of 6 and 16. This law also applies to younger children once they enter school. According to **O.C.G.A. 20-2-690.1** parents are responsible for enrolling and sending their children to school and the school staff is responsible for enforcing this law. Any student who has more than five unexcused absences in a school year is truant. School days missed as a result of an out of school suspension shall not count for the purpose of determining student truancy.

Failure to comply with Georgia's Compulsory Education Law (O.C.G.A 20-2-690.1) may result in consequences for both students and parents/guardians. Consequences for students include, but are not limited to, detention, Saturday school, and referral to juvenile justice for truancy. Consequences for parents/guardians include a fine of not less than \$25.00 and not more than \$100.00, imprisonment not to exceed 30 days, community service, or any combination of such penalties at the discretion of the court

for each absence. Parents may also be charged with deprivation for failure to comply with this law.

Student absences may be excused for the following reasons:

1. Personal illness and when attendance in school would endanger their health or the health of others.
2. A serious illness or death in the immediate family necessitates absences from school.
3. Absences mandated by other governmental agencies, including pre-induction physical examinations for service in the armed forces, or court ordered.
4. Observing a religious holiday that necessitates an absence from school.
5. Conditions that render attendance impossible or hazardous to their health or safety.
6. Registering to vote or voting, for a period not to exceed one day.
7. A maximum of five (5) school days per school year may be excused for students whose parent or legal guardian is in military service in the armed forces of the United States or the National Guard in order for the student to visit with his or her parent or legal guardian prior to such parent's or legal guardian's deployment overseas to a combat zone or combat support posting or during the parent's or guardian's leave from such a deployment. *(Note: Students serving as pages for the Georgia General Assembly are counted present on the days serving in the Assembly. In addition, students who are present for at least one-half of the instructional day shall be counted present partial attendance).*

Full-day school attendance is very important to student success. Students who arrive late or leave early miss important segments of classroom instruction.

SCHOOL NUTRITION PROGRAM

BREAKFAST IS OFFERED TO ALL STUDENTS AT NO COST DAILY.

It is our privilege to provide low cost nutritious breakfast and lunch meals to all students and staff of the Barrow County Schools. Nutrition is a very important part of the education process since a hungry child cannot learn. Barrow County School Nutrition meals adhere to the USDA dietary guidelines and requirements. Our menus offered are analyzed to reduce calories from fat while ensuring proper amounts of nutrients and total calorie intake for different age groups. Monthly menus are available on the Barrow County Schools Homepage on the Internet at <https://www.barrow.k12.ga.us/departments/school-nutrition/index> for both breakfast and lunch menus.

Children with health issues or allergies (including lactose intolerance) must have a letter signed by a physician stating such on file with the cafeteria manager. These letters must be updated annually.

Meal Accounts: Each cafeteria has a computer program for tracking meals and payments. **ALL Barrow County School students are assigned computer identification (ID) number, which serves as their meal account number. ALL students are encouraged to learn their account number to use at the cashier station at the end of the meal line.**

Barrow County School System
SY 2020-21

Prepayment for school meals enables the meal line to move more quickly. At all school levels, prepayment may be made weekly or monthly in envelopes provided by the school. The **student's name and account number must be listed on the envelope** in order to credit the proper account. Money not used can be refunded at the end of the school year or carried over to the next school year even if they will attend a higher level Barrow County School. Parents should call the school nutrition manager's office at the individual school if they have questions about the child's account during the year.

Families with more than one student at the same school should send the cash or check **SEPARATELY** for each student. **Checks** are to be made out to **SNP** with the student's name and account number on the check. Returned Checks are collected through Envision Payment Solutions. Other purchases from the school office or classroom must **NOT** be included with meal payments.

For your convenience, we now offer online prepayments. You may access this service at www.myschoolbucks.com and put money on your child's account. The site will open in July.

Free or Reduced Price Meals: Students automatically qualify for free school meals if they receive SNAP and may qualify for free meals if they receive Temporary Assistance for Needy Families. Families may also qualify for free or reduced price meals based on family income. **Families must complete a new application each year to determine eligibility.** Family applications rather than individual applications are used. Only one application will be needed per family. ALL household members including all children must be listed. School locations are required for all school age children. Please make certain that your application reaches the school nutrition manager at one of the schools your children attend. Applications will be completed at the time of registration at the Barrow County Professional Development Center. Parents may also fill out the free and reduced meal application online:

CLUBS AND ORGANIZATIONS

We will begin the school year with no clubs operating. We will assess our situation 9 weeks into the school year to see if it is safe to do so.

Clubs and organizations are available at **Bethlehem Elementary** for student participation. The clubs and organizations that are available are announced periodically during the school year as sponsors have their clubs approved. If you **DO NOT WANT** your child to participate in one of these clubs or organizations you may simply not sign your child up or you may notify the principal in writing by completing the clubs and organizations form signature letter. You may obtain a policy signature letter from the school office. If a club or organization not listed below is started during the school year, students will have to have parental permission prior to participation.

**BARROW COUNTY SCHOOLS INTERNET SAFETY, TECHNOLOGY
RESPONSIBILITY, AND ACCEPTABLE USE POLICY**

**Barrow County School System
SY 2020-21**

The Barrow County Board of Education believes the use of school district technology supports curricular and administrative objectives and has the potential to promote 21st Century skills such as creativity, collaboration, and communication. Technology can significantly enhance both the teaching and learning process and help prepare students for their roles in a technical society. This technology includes computer hardware, software, local and wide area networks and access to the Internet, the use of which is to be encouraged within guidelines that protect students and the rights of others.

Using Technology at School

We live in a global and digital world -- a world changed by technology and new ideas about how we communicate with one another and exchange information. As a result, students must develop the research, information fluency, and technology skills that will allow them to be successful, safe, and ethical in this digital world. For this reason, students are provided computer access privileges at school, as well as access to the Internet, email, digital communication and collaboration tools, online learning spaces, and electronic educational resources. In addition to these resources, tools, and equipment, which are essential to teaching and learning, the Barrow County School System also fully supports responsible, learning-centered use of personal devices to provide as many pathways to understanding as possible for our students.

The guidelines for responsible use of these tools, student-owned devices and the protection measures in place are outlined in the following documents:

- ***Barrow County School System Student Responsible Use of Technology Resources (<https://goo.gl/VMOTIu>)***
- ***Barrow County School System Bring Your Own Technology (BYOT) Regulation and Student Agreement (<https://goo.gl/vMMOcC>)***

Students are expected to follow all classroom/school rules online just as they do in class and will be held accountable for misconduct, which includes violations of the district's Internet Acceptable Use Policy and its established guidelines and the Student Code of Conduct.

Parents are always encouraged to review the online activities of their children and can access student accounts. Parents are also encouraged to speak with teachers when questions or concerns arise about the use of web-based tools in the classroom.

Standard applications and accounts that are configured for student use include (but are not limited to):

- ***Barrow County School System's G Suite for Education Environment:*** This education-focused Google Apps environment (https://edu.google.com/training-support/privacy-security/?modal_active=none) is hosted by Google, and managed by the district. This collection of online applications provides students with a Google email account, calendar, and access to Google Drive, where students can create, share, and publish documents, spreadsheets, presentations, and other artifacts of their learning. The district creates and manages user accounts; manages access to applications and email based on grade level organizations; and manages permissions. For example, email

**Barrow County School System
SY 2020-21**

accounts the district creates can only communicate with other email accounts created by the district or a limited set of explicitly approved, academically oriented, external email systems such as Governor's Honors Program, College Board etc. (Please note that G Suite for Education accounts are covered by more restrictive data privacy practices than "regular" Google accounts, including a restriction on advertising and the use of student data for advertising purposes. G Suite for Education also was an early signatory to the Student Privacy Pledge. (<https://studentprivacypledge.org/>)

- **Microsoft 365 for Education:** The district also offers students and staff access to Microsoft's Office 365 platform. Like GSuite for Education, Office 365 is a cloud based, digital collaboration suite that provides students and staff access to the online version of the Microsoft Office Suite of tools, including Word, PowerPoint, and Excel. Using their Office 365 account, Students will have the ability to create, share, and collaborate on content across the full suite of Microsoft applications on virtually any device. Students can also use their Office 365 account to download and install the full versions of the latest Office suite on up to 5 PCs/Macs and 5 mobile devices per user, and can continue using it as long as they are a student in the Barrow County School district.

The district will create and manage all user accounts and will also control access to applications and permissions based on grade level organizations. Student email will remain in our sandboxed GSuite email environment and we do not plan to use the email component of Office365 at this time.

In addition to providing students with the full Office Suite, all student's Office 365 accounts will also provide access to Microsoft's Minecraft Education Edition Platform. Minecraft Education Edition is a dedicated version of Minecraft that has been designed specifically for use in education. The educational version of Minecraft provides students and teachers with a secured and controlled environment that can be used to build real world collaboration, communication, and critical thinking skills in a variety of different subjects including Chemistry/Science, History, and Computer Science/Programming.

Please note that like GSuite for Education, Office 365 Educational accounts are covered by more restrictive privacy practices than consumer or Enterprise Office 365 accounts including restrictions on advertising as well as the use and collection of student data for data mining purposes. Regulatory information for both Office 365 and Minecraft for Education can be found here <https://minecrafteducation.zendesk.com/hc/en-us>.

Web 2.0 Tools for Educational Use: These are web-based tools that are considered an extension of the class and may require students to have a unique account created for them to access and save content. Products students create using these tools may also be published for a global audience. Under the supervision of a classroom teacher, students may engage in some of the following types of activities:

- **BYOT (Bring Your Own Technology) Program:** This program permits students to bring their technology devices to school for academic use at the discretion of teachers and staff, using Internet access provided by the district and filtered in compliance with the Children’s Internet Protection Act (CIPA). Parents and students who participate in this program are bound by the rules and conditions found in the BYOT regulation (IFBG-R3) (<https://goo.gl/vMMOcC>)
- **Online Curriculum Systems:** Most of the curriculum adopted in the district is accompanied by or depends on access to an online system where content and assessments are stored. Many of these systems require students to have a unique account created for them which allows them to access supplemental video content, take quizzes, and strengthen their understanding about the ideas in a content area. For district-wide curriculum, the district creates and manages these accounts. In these cases, the terms of use and privacy policies are reviewed thoroughly before providing any student account data to the vendor.

Internet Safety

Due to the complex nature of these systems and the magnitude of information available via the Internet, the Barrow County Board of Education believes guidelines regarding acceptable use are warranted to serve the educational needs of students.

It shall be the policy of the Barrow County Board of Education that the school system shall have in continuous operation, with respect to any computers or mobile devices having access to the Internet via the Barrow County School System (BCSS) network:

1. A qualifying “technology protection measure,” as that term is defined in Section 1703(b)(1) of the Children's Internet Protection Act of 2000; and
2. Procedures or guidelines developed by the superintendent, administrators and/or other appropriate personnel:
 - a. Which provide for monitoring the online activities of users; and
 - b. The use of technology protection measure to protect against access to visual depictions that are:

Barrow County School System
SY 2020-21

1. obscene, as the term is defined in section 1460 of title 18, United States Code;
 - i. child pornography, as the term is defined in section 2256 of title 18, United States Code; or
 - ii. harmful to minors, as those terms are defined in Section 1703(b)(1) and (2) of the Children’s Internet Protection Act of 2000.
- c. Such procedures or guidelines shall be designed to:
 1. Provide for monitoring the online activities of users to prevent, to the extent practicable, access to inappropriate matter on the Internet and the World Wide Web;
 2. Prevent unauthorized access, including so-called “hacking,” and other unauthorized activities by users online;
 3. Prevent the unauthorized disclosure, use and dissemination of personal identification information regarding students;
 4. Restrict minors’ access to materials “harmful to minors,” as that term is defined in Section 1703(b)(2) of the Children’s Internet Protection Act of 2000;
 5. Educate users about their safety and security when using electronic mail, chat rooms, and other forms of direct electronic communication (including instant messaging);
 6. Educate users about appropriate online behavior, including interacting with other individuals on social networking websites and in chat rooms; and
 7. Educate minors about cyberbullying awareness and response as required by the Children's Internet Protection Act.

Technology Use

The district’s technology resources are provided for educational purposes that promote and are consistent with the instructional goals of the Barrow County School System. Use of computers, mobile devices, and network resources outside the scope of this educational purpose is strictly prohibited.

Students and employees accessing network services or Internet through any device, or accessing any school computer shall comply with the district’s Internet and technology acceptable use guidelines. User privacy is limited with regard to the use of the system network and technology. The district reserves the right to monitor, access, and disclose the contents of any user’s files, activities, or communications, including content sent/received through secure connections.

It must also be understood that the Internet is a global, fluid community, which remains largely unregulated. While it is an extremely valuable tool for educational research, there are sections that are not commensurate with community, school, or family standards. It is the belief of the Board that the Internet’s advantages far outweigh its disadvantages. The Barrow County Board of Education will, through its administrative staff, provide an Internet screening system, which blocks access to a large percentage of inappropriate content. It

**Barrow County School System
SY 2020-21**

should not be assumed, however, that users are completely prevented from accessing inappropriate materials or from sending or receiving objectionable communications.

Additionally, access to network services, the Internet, and computer resources is a privilege, not a right. Therefore, users violating the Barrow County Board of Education's Internet safety and technology acceptable use policy shall be subject to revocation of these privileges and potential disciplinary action.

Student Responsible Use of Technology Resources

The Barrow County School System (BCSS) supports and encourages the use of technology resources to enhance and facilitate learning and expects responsible and respectful behavior from technology users. Technology use (whether personal or school owned) is a privilege, not a right, and inappropriate use may result in a loss of those privileges as well as other disciplinary actions outlined in the student code of conduct.

This regulation was established by the Barrow County School System's Internet safety and Acceptable Use policy (IFBG) <https://simbli.eboardsolutions.com/ePolicy/policy.aspx?PC=IFBG&Sch=4009&S=4009&C=I&RevNo=1.3&T=A&Z=P&St=ADOPTED&PG=6&SN=true> and outlines guidelines and procedures defining responsible use of district-owned technology, and personally owned technology connected to district resources, network resources, G Suite for Education tools, and Web 2.0 / social networking tools (for education) by its students.

Student Code of Conduct

The Barrow County Student Code of Conduct is based on the philosophy that discipline is a tool that is used to teach students to become responsible for their own behavior. Since our students live in a society in which citizens are expected to obey laws and abide by commonly accepted standards of behavior, we must teach them to be self-disciplined. This Student Code of Conduct is built upon those commonly accepted standards of behavior sometimes called character traits. These character traits include: citizenship, cheerfulness, cleanliness, compassion, cooperation, courage, courtesy, creativity, diligence, fairness, generosity, honesty, kindness, loyalty, patience, patriotism, perseverance, punctuality, respect for others, respect for the creator, respect for the environment, sportsmanship, school pride, self-respect, self-control, tolerance, and virtue.

In order to educate students to become productive citizens as adults, we must create a safe, non-threatening and orderly school environment that enables teachers to teach and students to learn. We expect students to “behave themselves in such a way so as to facilitate a learning environment for themselves and others, respect each other and school district employees, obey student behavior policies adopted by the local board of education, and obey student behavior rules established by individual schools (O.C.G.A. 20-2-735).” This Code of Conduct establishes expectations for the maintenance of a positive learning environment at school.

The Student Code of Conduct is effective during the following times and in the following places:

1. At school or on school property at any time;
2. Off the school grounds at any school-related or school-sponsored activity, function or event and while traveling to and from such events;
3. On vehicles provided for student transportation by the school system and school bus stops where groups of students gather for the purpose of getting on or off the school bus.
4. Off school property provided a student’s behavior poses a threat to the safety of students, staff or visitors at school or has the potential to disrupt the safe and orderly operation of a school.

Please see the Student Code of Conduct on the school or district website. You may also request a copy of the Student of Conduct from your child’s school.

POSITIVE BEHAVIOR INTERVENTION SYSTEM (PBIS)

PBIS is an evidence-based, data-driven framework proven to reduce disciplinary incidents, increase a school's sense of safety and support improved academic outcomes. More than 16,000 U.S. schools are implementing PBIS. The premise of PBIS is that continual teaching, combined with acknowledgement or feedback of positive student behavior will reduce unnecessary discipline and promote a climate of greater productivity, safety and learning.

All Barrow County Schools participate in PBIS. Information regarding Bethlehem Elementary's PBIS initiatives will be sent home with all students.

BUS DISCIPLINE

Students who ride the school bus may do so as long as they display safe and reasonable behavior. Choosing not to follow the bus behavior guidelines may result in suspension or loss of bus service. The bus driver is responsible for the safety and well-being of the students on the bus. The school administrator will determine consequences of misbehavior and the reinstatement of bus service for the offending students should a suspension become necessary. **A suspension applies to all buses** unless otherwise designated by school officials. The responsibility for student supervision by the school shall begin when the student boards the bus in the morning and is retained until the child leaves the bus at the end of the day. **Riding the school bus is a privilege not a right**, and may be revoked for safety and discipline infractions.

I. PARENT/GUARDIAN RESPONSIBILITY

Parents and guardians will be responsible for ensuring their child follows all rules and guidelines outlined by this notice, driver, and administrator. If the student violates the behavior guidelines resulting in a bus suspension, the parent will provide transportation for their child. Students will be picked up and dropped off at their designated stop. Exceptions will require a written request from the parent as outlined below. In an emergency a phone call by the parent to the principal and subsequent written approval from the principal to the bus driver will be acceptable.

The school bus ride is an extension of the school day and as such, is subject to all school policies and procedures. Bus Conduct Reports will be recorded in accordance with all other school record keeping procedures.

II. TRANSPORTING OF SCHOOL RELATED/NON-RELATED ITEMS

No animals or any items that may be deemed objectionable in nature will be transported on any bus. If necessary, the bus driver may confiscate these items and turn them in to the school administrator. Any item that may be considered a weapon (per Ga. Law) or dangerous to others in any way will not be allowed on the bus. (This may include sports

Instruments may not be in the aisle or take the space of a student if that space is needed to sit down. Damage to personal items is not covered by the school bus insurance coverage.

BCSS STUDENT BUS TRANSPORTATION CHANGES PROTOCOL

Note: This protocol is for short-term (daily) changes only. For any long-term change in transportation, please use the appropriate Transportation Change Form available in your school's front office.

Students must have a written note from a parent or guardian that is dated and signed referencing that particular day or days affected. This will apply even if the parent makes the request in person at the school.

In the event of a change in transportation, school office personnel will:

**Barrow County School System
SY 2020-21**

- Have appropriate school administrator (or designee) sign the note
- Make a copy of the note with both signatures
- Send the original note with the student or the student's teacher to be given to the appropriate bus driver – this will be the student's pass to get on the bus.
- File the copy of the note in a specified place in the front office where it can be easily accessed in case of emergency.

Bus drivers will not allow a student to exit the school bus at a place that is not the student's normal stop unless the written note signed by both the parent/guardian and the school administrator (or designee) is in his or her possession.

No bus transportation changes will be accepted over the telephone.

Changes may be accepted via fax or email attachment if parent/guardian picture ID is included with the request, at the school administration's discretion. Change requests must be received by the front office staff prior to noon on the day of the change.

Note: There are now set bus stops along all the bus routes and BCSS buses cannot stop at each individual house.

TEENAGE AND ADULT DRIVER RESPONSIBILITY ACT (TAADRA)

Georgia's Teenage and Adult Driver Responsibility Act (TAADRA) of 1997, requires that local school systems certify that a student is enrolled and not under expulsion in order for the student to be eligible to have a Georgia learner's permit or driver's license.

The Asbestos Management Plan documents a plan of action for managing and maintaining asbestos containing building materials in-place and/or removal activities. The reports associated with the asbestos inspection, 3-year re-inspections, periodic surveillances, and the recommendations from operations and maintenance, are all documented in the Asbestos Management Plan.
