PRINCIPAL'S WELCOME

Dear Students and Parents,

Students, each and every day at WBHS, we are committed to Improving minds, Improving lives. During the 2020-21 school year, we hope that you exceed expectations beyond those set by you, your parents, and your teachers. As we work each day to achieve success, you will be able to show your true "GG" effort! The faculty and staff welcome you and look forward to a productive year for you and are prepared to watch you as you grow and mature.

While a student at WBHS, you are required to have this agenda available to you. It will be provided to you electronically and you are responsible for its contents. The handbook will be available to you on our school's website, as well as posted on our Facebook page. If you would like a hard copy of this handbook, please let me know and I will provide one for you.

Parents, I strongly encourage you to monitor your child's academic progress, both by conventional means (phone calls to teachers, regular parent/teacher conferences, email, etc.) and through the use of Parent Portal, an internet based means for you to access your child's school records. This information will allow you to work with the WBHS faculty and staff to ensure your child's success. You can sign up for Parent Portal on the WBHS website.

Welcome to Winder-Barrow High School. I look forward to a successful and memorable school year.

Sincerely,

Derrick Maxwell
Principal

WINDER BARROW HIGH SCHOOL BELIEFS

All students are capable of learning and should be provided with a variety of instructional approaches to support their learning.

All students should be given opportunities to be successful.

All students should be provided with the tools (technology, academic, community service, tolerance) to lead productive, fulfilling lives as citizens of the twenty-first century.

Each student is a valued individual with unique physical, social, emotional, cultural and intellectual needs.

Students learn best in a safe environment that encourages respect, tolerance, trust, and dignity.

Students, teachers, administrators, parents and the community share the responsibility for student success.

The commitment to continuous improvement is necessary to enable students to become confident, self-directed, lifelong learners.

Teachers will continuously reflect on effective practices while investigating opportunities for professional growth.

These beliefs are evident in the Winder-Barrow High School mission statement: Improving Minds, Improving Lives.

VISITOR POLICY

Parents are welcome at Winder-Barrow High School. We do ask that an appointment be made to see a teacher or visit a classroom. The principals and counselors of WBHS are on duty from 8:00AM until 4:00PM. We encourage you to call to schedule an appointment with teachers, counselors, and/or administrators. The school policy is to accept only those visitors who have a legitimate reason to visit the school. All visitors must report to the main office or attendance office immediately to receive a visitor's pass.

WBHS is a closed campus. No student guests are allowed unless they are part of a pre-arranged exchange program with another school. Visitor's passes will not be issued during final examinations or other testing times during which an administrator deems it inappropriate to issue a pass. An administrator may refuse to issue a visitor's pass anytime he/she feels it is in the best interest of the school to do so. To ensure quality and uninterrupted instruction, students will not be called out of class to take messages from parents except during class change.

Any person on campus without permission is trespassing and is subject to arrest by police authorities. All students must leave campus by 4:00PM unless they are under the direct supervision of a teacher, sponsor or coach. Remaining on campus after hours without supervision will be considered loitering.

ABSENCES FROM SCHOOL

Parents/guardians must call the school on the date(s) of a student's absence in order for the student to be excused from school. Parents must call (770) 867-4519, on the day of the absence or the absence will be coded unexcused. If a call is not received, a handwritten excuse or doctor's excuse is required within 3 days of an absence.

In order to participate in school activities, the student must be in attendance for a minimum of two class periods during the school day of the activity. Absence from the other two classes must be excused.

When a student is on a field trip/school activity that requires the student to be out of the building, the student will be marked at a School Activity, which does not count as an absence. All missed work may be made up. These absences do not count against the student for credit purposes.

When the student misses school for a non-school related trip, the absence must be approved by the Assistant Principal for Attendance at least three days prior to the trip for the student to be allowed to make up work missed. For trips of this nature to be approved, the student must be in good standing with academics, attendance and behavior.

Absences: Students are expected to attend school on a regular basis. A written note from the parents explaining the reason for any absence must be brought to the front office upon returning to school.

We will be in contact regarding absences the following ways:

1. After 5 Unexcused Absences-Parents will be contacted by phone and letter
2. After 10 Unexcused Absences-Parents will be contacted by letter, and a parent conference can be held
3. To facilitate student success, early checkouts are discouraged. Students who are present for at least one-half of the instructional day or three full periods which ever is

greater, shall be counted present for perfect attendance purposes. The accumulation of five (5) or more partial attendance days, in any combination of tardies and early dismissals, within a 9-week grading period shall disqualify a student from perfect attendance recognition. Tardies and early dismissals are both considered partial attendance and shall be treated in a similar manner.

Students who do not attend school during a major part of the day may not attend school functions in the afternoon or evening.

COLLEGE / TECHNICAL SCHOOL VISITATION

Seniors in good standing are given the opportunity to miss two school days (one per semester) for the purpose of visiting a college or technical school campus. Absences will be counted as excused absences, but will not affect exemption status or perfect attendance records. Permission forms are available in the guidance office. Completed forms must be turned in to the attendance office at least five days in advance of the visit.

CHECKING OUT OF SCHOOL

In order for a student to be dismissed from school during the school day, a parent/guardian must sign the student out in the attendance office. If a student needs to be dismissed for an appointment, he/she is required to bring a signed Early Dismissal Form to the attendance office requesting early dismissal. School personnel will call to verify these notes, so a phone number where the parent/guardian can be reached must be included.

The hours of operation of the attendance office will be 8:00AM until 3:00PM. **A student will not be released by phone call only, unless the parent has completed an Early Dismissal Form (available in the attendance office).** Students will not be permitted to check out after 3:00PM. The attendance office phone number is (770) 867-4519.

HOSPITAL / HOMEBOUND SERVICES

The services of a hospital homebound teacher are available to students who are under a physician's care and need to be away from school for five or more consecutive days due to long-term illness or injury. Parents should contact the Counseling Office for an application.

ILLNESS AT SCHOOL

If a student becomes ill or injured during the school day and must check out, the student must obtain a pass from the classroom teacher to visit the clinic. Parental contact will be made by clinic personnel to have the student picked up from school. The parent/guardian or person authorized for student pick-up on the official school record will be the only one(s) allowed to pick up students from school. If a signed Early Release Form is on file in the attendance office, school personnel will make phone contact with a parent/guardian, and the child will be released to drive home once permission has been given. In some extreme cases of illness or injury when a parent cannot be contacted, the school will act in place of the parent and call the proper medical authorities and possibly transport the student or have proper medical transportation made available. No student can return to school after an illness until they have been without a fever for 24 hours.

MAKE-UP WORK

It is the student's responsibility to initiate all make-up work within three days of returning to school after an absence. Pre-assigned graded assignments such as reports, papers, and projects are due at the discretion of the teacher. For example, if a student is ill on the day a paper is due, the teacher may ask that someone other than the student, such as a parent or friend, submit the paper.

Students have 5 school days from the day a grade is posted in Infinite Campus to reassess.

If a student misses an assessment, it will be given to the student on the day they return. Once the grade is posted, the 5 day window begins for reassessing.

If a student is present but not active, not paying attention, not really present, once the grade is posted, the 5 day window begins for reassessing.

There will be no more reassessing the last few days of either semester to improve a grade.

PERFECT ATTENDANCE

For perfect attendance purposes, students who are present for at least two full periods shall be counted present for perfect attendance purposes. The accumulation of 5 or more partial attendance days, in any combination of tardies and early dismissals, within a 9 week grading period shall disqualify a student from perfect attendance recognition. Partial attendance is defined as any day that a student does not attend the full day. Tardies and early dismissals are both considered partial attendance and shall be treated in a similar manner.

FIELD TRIP GUIDELINES

Only students who are passing all of their classes and have 5 or fewer absences will be eligible to participate. Students with more than one day of ISS cannot attend. Students with OSS cannot attend. These guidelines are per semester.

SKIPPING/TRUANCY/TARDIES

Skipping is defined as any absence without the prior knowledge and consent of the parent/guardian. Skipping will result in disciplinary consequences. Any child under the age of 16 is required by law to attend school. Repeated absences will be investigated by a school social worker, with possible truancy charges being filed against the student and/or parent.

TARDY TO SCHOOL & CLASS

A student is considered to be tardy when he/she is not in class when the bell rings. The intent of this policy is to provide consistency and structure throughout the school and to have students in their seats and ready to begin the initial activity when the tardy bell rings. The Tardy Procedure is as follows per class:

TARDY to Each Class	Consequence
1-3	Warning
4-6	Teacher Documentation of Communication with parent and Consequence
4TH-	15 Minute Teacher or Dept. Detention
5th -6th	30 Minute Teacher or Dept. Detention
7	ISS for Period
8	(1) day ISS full day

9	(2) days ISS full day
10	(3) days ISS full day
11+	Loss of privilege Parent meeting

To School: Students who arrive late to school after 8:45 must report to and sign in at the Attendance Office. In order for a student to receive an excused tardy, a parent/guardian must call the attendance office number, 770-867-4519 ext 277, prior to 8:30A. A pass will be stamped on the date of the tardiness with the time of arrival. In compliance with the State of Georgia, only the following are excused tardies:

- Personal illness
- Serious illness or death in the immediate family
- Required church observance/religious holidays
- Court appointments
- Instances where attendance by students would be hazardous

ADVISEMENT / REMEDIATION

Upon entering WBHS, students will each be assigned a teacher advisor. Students, with the assistance of their advisors and parents, select the program of study that best meets their career goals and abilities. Their advisors will also assist the student in the planning of their academic program of study while in high school with selections based upon their career interests. Appropriate program of study and graduation requirement activities and information will be distributed to all students through advisors.

Students must meet the established graduation requirements based on the graduation rule in effect when the student enters the ninth grade for the first time. Therefore, parents and students are encouraged to work very closely with the school counselor to insure that all program requirements are met. Parent involvement is an integral part of this process. Please contact the Counseling Department for information about the University System of Georgia Freshman Admission Requirements.

PROMOTION REQUIREMENTS

Promotion shall be based upon units accumulated as follows:

- 6 units for promotion to 10th grade
- 13 units for promotion to 11th grade.
 - o Units required for promotion to the 11th grade must include: English – 2 units; Math – 1 unit; Science – 1 unit; Social Studies – 1 unit.
- 18 units for promotion to 12th grade.

For Students entering 9th grade in school year 2020-2021 or thereafter:

AREAS OF STUDY	Standard Diploma
English /Language Arts*	4
Mathematics*	4
Science*+	4
	4
CTAE or Modern Language / Latin or Fine Arts	3
Health and Physical Education*	1
Electives	4
Total Units (minimum)	24

*Required Courses and / or Core Courses

+ The 4th science unit may be used to meet both the science and pathway requirement but may only count for 1 unit of credit.

RANK IN CLASS

A student's rank in class is determined by two factors: the actual grade a student makes in the class and the weight factor (quality points) for that particular course. A student can receive more quality points for the same class by taking the course at a higher difficulty level. Barrow County Schools weight those courses taught at the honors and Advanced Placement levels. Postsecondary courses taken in the required core area are also weighted. Average level classes receive no additional weight. Weighted scores are determined in the following way:

Average courses:	Raw score x 1.00
Honors courses:	Raw score x 1.075
Adv. Placement courses:	Raw score x 1.10
Dual Enrollment/Postsecondary Options	Raw score x 1.10

Both the raw score GPA and the weighted GPA will be reported at the end of each semester. Students do not receive any weight if a grade below 70 is received for a course. The weighted GPA is calculated by totaling the weighted score (see above table) for all courses the student has taken and dividing by the total number of courses the student has taken. The weighted GPAs for each graduating class are then ranked from the highest average to the lowest average. Final class ranking is determined at the end of first semester of the school year.

GPA's for Valedictorian and Salutatorian are calculated at the end of the seventh semester. For a student to be eligible for valedictorian and/or salutatorian for his/her graduating class, he/she must have attended WBHS for four consecutive semesters during the junior and senior years.

PATHWAY REQUIREMENT

In order to graduate a student must:

- Complete a pathway of study
- Successfully complete required high school coursework

A Pathway consists of three elective units of credit in a coherent sequence that provides a path for students to meet future career and/or post-secondary education goals.

Pathway choices are:

- Career, Technical and Agricultural (CTAE)
- Modern (Foreign) Language
- Fine Arts
- Journalism

An Accelerated Pathway in core academic areas may be earned in addition to, not in lieu of, the required CTAE, Modern (Foreign) Language, Fine Arts or Journalism Pathway. Students should choose a pathway by the sophomore year; allowing them to have the opportunity to complete requirements for several pathways by graduation.

Detailed information on graduation requirements is provided in the teacher Advisement materials made available to all advisors.

HONOR GRADUATES

To qualify as an Honor Graduate, a senior must have a cumulative weighted average of 89.5 or better representing the graduate's total high school experience after seven semesters.

****Note:** This Barrow County Schools GPA calculation includes all courses taken by the student and is a numerical GPA. The HOPE GPA is calculated by the Georgia Student Finance Commission on a 4.0 scale and includes only academic and academic elective courses.

HONOR ROLL

The Honor Roll is compiled after each semester. To qualify for the Honor Roll, a student must earn a grade of 90 or above in each course taken.

Parents/Guardians may make an appointment with a counselor via email or phone. Appointments are highly encouraged to ensure counselor availability.

In the event of an emergency, a student may come directly to the counseling office for assistance, or a teacher may refer a student directly to the counseling office. There will be times when an outside agency (DFCS, Law Enforcement, Juvenile Services, etc.) will need to see a student immediately without a scheduled appointment. Students will be called from class to report to the counseling office.

We welcome any parent, guardian or student to speak with our counselors regarding circumstances affecting your family. We can discuss school-based recommendations, as well as give you resources we deem appropriate. Students are welcome to come to the counseling office any moment they experience an emergency.

If your student has recently been hospitalized or evaluated by a mental health professional, please contact your school counselor to develop a Safety Plan for re-entry into WBHS.

PARENT CONFERENCES

When parents request a conference with individual teachers, the individual teacher should schedule the conference. When parents request a conference with all of the student's teachers, the counselor will schedule the conference with the parents and will send notification of date, time and place to the teachers. Every attempt will be made to give teachers advance notice of the scheduled conference. Parent/teacher conferences (involving all of the student's teachers) will be held before or after school. If a teacher is unable to attend, he/she is asked to notify and provide the counselor with student progress information (current class grade, attendance, behavior, etc.).

SCHEDULE CHANGES

The master schedule and course offerings are carefully planned based on student/parent course requests during the registration process in the spring. Schedule change requests will only be honored for the following criteria:

1. You are a SENIOR and need the course to graduate
2. Duplication of course or credit
3. You do not have the pre-requisite for the course
4. Certain extenuating circumstances

MEDICINE AT SCHOOL / CLINIC PROCEDURES

WBHS operates a school clinic, which is used for minor illness, issuing of prescribed student medication (which has been brought to school and checked in properly), and minor first aid treatment. A registered nurse does not operate the clinic. At certain times, however, a school nurse will be available.

If a student must take medication during the school day, the student must leave the medicine at the school clinic. A note with the reason and dosage will be necessary for the clinic to dispense the medication. According to state law, all medication must be in the original container. Students may not carry any kind of medication, including over-the-counter medications, with them while at school. Also, students are not allowed to have diet pills or supplements at school. Any student found in violation of this policy will be subject to disciplinary action.

(Please refer to BCS website to review the head lice procedure)

COMPLAINT PROCEDURES

A. Grounds for a Complaint

Any individual, organization, or agency (“complainant”) may file a complaint with the Barrow County School System (BCSS) if that individual, organization, or agency believes and alleges that BCSS is violating a federal statute or regulation that applies to a program under the Title I, Part A of the Elementary and Secondary Education Act of 1965 (ESEA). The complaint must allege a violation that occurred not more than one (1) year prior to the date the complaint is received, unless a longer period is reasonable because the violation is considered systemic or ongoing.

B. Federal Programs for Which Complaints Can Be Filed

- Title I, Part A: Disadvantaged Children, Academic Achievement Awards, Schoolwide Programs
- Title I, Part C: Migrant Education Program
- Title II, Part A: Teacher and Leader Effectiveness

- Title III, Part A: English to Speakers of Other Languages
- Title VII, Part B: The McKinney-Vento Homeless Act

C. Complaints Originating at the Local Level

As part of its Assurances within the ESEA program grant applications and pursuant to Section 9306 within the Title I, Part A of the Elementary and Secondary Education Act of 1965 (ESEA), an LEA accepting federal funds must have local written procedures for the receipt and resolution of complaints alleging violations of law in the administration of covered programs. Therefore, a complaint should not be filed with the Georgia Department of Education until every effort has been made to resolve through local written complaint procedures. If the complainant has tried to file a complaint with the Barrow County School System to no avail, the complainant must provide the Georgia Department of Education written proof of their attempt to resolve the issue with the Barrow County School System.

D. Filing a Complaint

A complaint must be made in writing and signed by the complainant. The complaint must include the following:

- A statement that the Barrow County School System has violated a requirement of a Federal statute or regulation that applies to an applicable program.
- The date on which the violation occurred.
- The facts on which the statement is based and the specific requirement allegedly violated (include citation to the Federal statute or regulation).
- A list of the names and telephone numbers of individuals who can provide additional information.
- Whether a complaint has been filed with any other government agency, and if so, which agency.
- Copies of all applicable documents supporting the complainant's position.
- The address of the complainant.

The complaint must be addressed to:

Dr. David Beeland, Jr., Federal Programs Director, Barrow County School System, 179 W. Athens Street, Winder, GA 30680.

Once the complaint is received by the BCSS, it will be copied and forwarded to the Federal Programs Director.

E. Investigation of Complaint

Within ten (10) days of receipt of the complaint, the Barrow County School System will issue a Letter of Acknowledgement to the complainant that contains the following information:

- The date the Barrow County School System received the complaint.
- How the complainant may provide additional information.
- A statement of the ways in which the Barrow County School System may investigate or address the complaint.
- Any other pertinent information.

If additional information or an investigation is necessary, BCSS will have sixty (60) days from receipt of the information to complete the investigation and issue a Letter of Findings. If the Letter of Findings indicates that a violation has been found, a timeline for corrective action will be included. The sixty (60) day timeline may be extended if exceptional circumstances occur. The Letter of Findings will be sent directly to the complainant, as well as the other parties involved.

F. Right of Appeal

If an individual, organization, or agency is aggrieved by the final decision of the Barrow County School System, that individual, organization, or agency has the right to request review of the decision by the Georgia Department of Education. For complaints filed pursuant to Section 9503 (20 U.S.C. 7883, complaint process for participation of private school children), a complainant may appeal to the Georgia Department of Education no later than thirty (30) days from the date on which the complainant receives the Letter of Findings. The appeal must be accompanied by a copy of the Barrow County School System's decision and include a complete statement of the reasons supporting the appeal.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

FERPA affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review, within 45 days of a request, the education records of a student who is your child, or in the case of a student who is 18 or older, your own education records.
2. The right to request the amendment of the student's education records to ensure they are not inaccurate misleading, or otherwise in violation of the student's privacy or other rights. If the district decides not to amend the record, it will notify the parent or eligible student of the decision and inform them of their right to a hearing.
3. The right to consent to disclosures of personally identifiable information from the student's educational records with certain exceptions. One exception that permits disclosure of personally identifiable information without consent is to school officials with a legitimate educational interest. A school official may be a person employed by the school district, a person or company that the school system has contracted to perform a specific task, or other party to which the school system has outsourced services. A school official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his/her professional responsibility.
4. In accordance with OCGA §20-2-667 section(g)(1), the Barrow County procedures and process for handling parent complaints in regards to possible violations of rights under federal and state privacy and security laws:
 - a. Barrow County School System will provide the Parent/Eligible Student Complaint form to the Complainant within 3 business days of receiving the request. The complaint form will also be made available on the local school system's website.
 - b. Complaint forms should be sent to Dr. Matt Thompson at the Barrow County Central Offices at 179 West Athens Street, Winder, GA.
 - c. A written response will be provided to Complainant within 10 business days of receipt of complaint.
 - d. The Complainant may file an appeal with the local school superintendent within 10 business days of receiving written response from local school system.
 - e. Parents or eligible student may file an appeal for a final decision to Barrow County Board of Education within 10 business days of receipt of written response from local school system.
 - f. The Barrow County Board of Education will render a decision within 10 business days of receiving an appeal.
5. The Barrow County Schools, in Board Policy JR Student Records, designates the following information as directory information:
 - Student's name;
 - Student's grade level;
 - Student's photograph;
 - Student's participation in officially recognized clubs and sports;
 - Weight and height of student if he/she is a member of an athletic team;

- Dates of attendance while enrolled in Barrow County Schools; and
- Degrees, honors, and awards received during the time enrolled in Barrow County Schools

Barrow County Schools may disclose designated "directory information" without written consent. The primary purpose of directory information is to allow Barrow County Schools to include this information in school publications. Unless you, as a parent/guardian or eligible student, request otherwise, this directory information may be disclosed to the public. Any school district receiving ESEA funds must, upon request of military or higher education institutions, provide access to secondary school students' names, addresses, and telephone listings. School districts must notify parents of the option to require prior written parental consent to such disclosure. School districts must provide military recruiters the same access to secondary school students as is provided generally to postsecondary educational institutions or prospective employers. You have the right to refuse to allow all or any part of the above information to be designated as directory information and to be disclosed to the public upon request. If you wish to exercise this right, you must notify the principal of the school at which your student is enrolled prior to a directory information request being made to the school or school system.

PROTECTION OF PUPIL RIGHTS AMENDMENT (PPRA)

The following guidelines will be followed conducting research-involving students:

1. No individual, including teachers, administrators, other school district employees and college students, shall gather any data or otherwise conduct research on Barrow County students for his or her own personal use, including use for college classes, dissertations, theses or similar purposes, without receiving approval in advance from the Superintendent or his or her designee.
2. Without the prior written consent of the parent or the student, if he or she is an emancipated minor no student shall be required to submit to a survey, analysis, or evaluation that reveals information concerning:
 - a. political affiliations;
 - b. mental and psychological problems potentially embarrassing to the student or his family;
 - c. sex behavior and attitudes;
 - d. illegal, anti-social, self-incriminating and demeaning behavior;
 - e. critical appraisals of other individuals with whom the student has close family relationships;
 - f. legally recognized privileged or analogous relationships, such as those of lawyers, physicians, and ministers;

g. income other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such program.

3. In order to comply with federal requirements for school systems receiving Title IV funds to collect data on the incidence and prevalence of illegal drug use and violence among youth in school districts, students will be surveyed using the needs assessment survey provided by the Georgia Department of Education. All students in the surveyed grades will be surveyed unless parents complete the Passive Permission form indicating that they do not want their student to participate. Parents will be notified prior to the survey administration and will be given an opportunity to review the survey instrument.

In addition, the Superintendent or his or her designee must approve the use of any such survey, analysis or evaluation before the consent of the parent or student is sought.

STUDENT COMPLAINTS AND GRIEVANCES

The Barrow County School System is committed to providing an environment free of sexual harassment and all forms of harassment and discrimination on the basis of race, color, religion, gender, age, national origin, or disability. If a student believes he or she is being mistreated on account of race, color, religion, gender, national origin, or disability, the student may utilize the three-step procedure outlined below.

Step I: If a student has a complaint of discrimination or unfair treatment, he or she should report concerns to the Level One Administrator as described in Board Policy GAE, section 2) principal, the local school's Title IX coordinator, teachers, counselors, or other school administrators. If a student is not satisfied that a complaint presented to a member of the school staff has been resolved satisfactorily, the student or his or her parent may request a meeting with the principal, following which, the principal will inform the parent in writing of his or her decision on the complaint.

Step II: If, after meeting with the school principal, the student is not satisfied with the principal's decision, a written appeal may be submitted to the Superintendent's Office within 10 working days of the receipt of the principal's decision. The appeal must give specific reasons for

reconsideration, state precisely the reasons for dissatisfaction with the principal's decision, and be limited to the matter under review. The complaint shall include: Mailing address of the complainant, intent of the complainant, reference or description of the statute, policy, rule, contract provision or regulation that is alleged to have been violated, misinterpreted or misapplied, and a brief statement of the facts.

Step III: For assistance with the student complaint or grievance process, you may contact the district Equity Compliance Officer/Title IX Coordinator Barrow County Schools, 179 West Athens St. Winder, GA 30680, 770-867-4527. **Retaliation on account of filing a complaint at any level is strictly prohibited*

SCOPE PROGRAM FOR GIFTED STUDENTS

Barrow County School District endorses the philosophy that education is a means by which each individual has the opportunity to reach his or her fullest potential. Students in grades K-12 who demonstrate a high degree of intellectual, academic, and/or creative abilities may be nominated for evaluation to determine eligibility to participate in the Program for Gifted Students. Referrals for consideration may be made by teachers, parents or guardians, counselors, administrators, peers, self, and other individuals with knowledge of the student's abilities.

The State Board of Education determines eligibility criteria for placement in the program. For a summary of those criteria or for further information about Barrow County's Program for Gifted Students, please contact the Gifted Program teacher at your child's school or Ginger Crosswhite, Gifted Program Director at 770-867-4527

SCHOOL ATTENDANCE AND GEORGIA'S COMPULSORY EDUCATION LAW

School attendance is a high priority in the Barrow County School System. Regular attendance is vital to each student's academic progress and the development of positive habits for his/her adult life. **Georgia Law O.C.G.A. 20-2-690.1** mandates school attendance for students between the ages of 6 and 16. This law also applies to younger children once they enter school. According to **O.C.G.A. 20-2-690.1** parents are responsible for enrolling and sending their children to school and the school staff is responsible for enforcing this law. Any student who has more than five unexcused absences in a school year is truant. School days missed as a result of an out of school suspension shall not count for the purpose of determining student truancy.

Failure to comply with Georgia's Compulsory Education Law (O.C.G.A 20-2-690.1) may result in consequences for both students and parent/guardians. Consequences for students include, but are not limited to, detention, Saturday school, and referral to juvenile justice for truancy. Consequences for parents/guardians include a fine of not less than \$25.00 and not more than \$100.00, imprisonment not to exceed 30 days, community service, or any combination of such penalties at the discretion of the court for each absence. Parents may also be charged with deprivation for failure to comply with this law.

Student absences may be excused for the following reasons:

1. Personal illness and when attendance in school would endanger their health or the health of others.
2. A serious illness or death in the immediate family necessitates absences from school.
3. Absences mandated by other governmental agencies, including pre-induction physical examinations for service in the armed forces, or court ordered.
4. Observing a religious holiday that necessitates an absence from school.
5. Conditions that render attendance impossible or hazardous to their health or safety.
6. Registering to vote or voting, for a period not to exceed one day.
7. A maximum of five (5) school days per school year may be excused for students whose parent or legal guardian is in military service in the armed forces of the United States or the National Guard in order for the student to visit with his or her parent or legal guardian prior to such parent's or legal guardian's deployment overseas to a combat zone or combat support posting or during the parent's or guardian's leave from such a deployment. *(Note: Students serving as pages for the Georgia General Assembly are counted present on the days serving in the Assembly. In addition, students who are present for at least one-half of the instructional day shall be counted present partial attendance).*

Full-day school attendance is very important to student success. Students who arrive late or leave early miss important segments of classroom instruction.

SCHOOL NUTRITION PROGRAM

BREAKFAST IS OFFERED TO ALL STUDENTS AT NO COST DAILY.

It is our privilege to provide low cost nutritious breakfast and lunch meals to all students and staff of the Barrow County Schools. Nutrition is a very important part of the education process since a hungry child cannot learn. Barrow County School Nutrition meals adhere to the USDA dietary guidelines and requirements. Our menus offered are analyzed to reduce calories from fat while ensuring proper amounts of nutrients and total calorie intake for different age groups. Monthly menus are available on the Barrow County Schools Homepage on the Internet at www.barrow.k12.ga.us for both breakfast and lunch meals.

Children with health issues or allergies (including lactose intolerance) must have a letter signed by a physician stating such on file with the cafeteria manager. These letters must be updated annually.

Meal Accounts: Each cafeteria has a computer program for tracking meals and payments. **ALL Barrow County School students are assigned computer identification (ID) number, which serves as their meal account number. ALL students are encouraged to learn their account number to use at the cashier station at the end of the meal line.**

Prepayment for school meals enables the meal line to move more quickly. At all school levels, prepayment may be made weekly or monthly in envelopes provided by the school. The **student's name and account number must be listed on the envelope** in order to credit the proper account. Money not used can be refunded at the end of the school year or carried over to the next school year even if they will attend a higher level Barrow County School. Parents should call the school nutrition manager's office at the individual school if they have questions about the child's account during the year.

Families with more than one student at the same school should send the cash or check **SEPARATELY** for each student. **Checks** are to be made out to **SNP** with the student's name and account number on the check. Returned Checks are collected through Envision Payment Solutions. Other purchases from the school office or classroom must **NOT** be included with meal payments.

For your convenience, we now offer online prepayments. You may access this service at www.myschoolbucks.com and put money on your child's account. The site will open in July.

Free or Reduced Price Meals: Students automatically qualify for free school meals if they receive SNAP and may qualify for free meals if they receive Temporary Assistance for Needy Families. Families may also qualify for free or reduced price meals based on family income. **Families must complete a new application each year to determine eligibility.** Family applications rather than individual applications are used. Only one application will be needed per family. ALL household members including all children must be listed. School locations are required for all school age children. Please make certain that your application reaches the school nutrition manager at one of the schools your children attend. Applications will be completed at the time of registration at the Barrow County Professional Development Center. Parents may also fill out the free and reduced meal application online: <https://www.myschoolapps.com/>

Principals will aid in the collection of outstanding balances.

PTO/PTA, BOOSTER CLUBS, SUPPORT ORGANIZATIONS, AND FUNDRAISING

Booster clubs are an important part of the athletic and extracurricular program in the Barrow County School System. Booster clubs play an important role in supporting, encouraging, and in advancing these programs. The following rules and regulations are basic and broad guidelines for the establishment and operation of all booster clubs that support our schools in Barrow County.

- The principal of each individual school must approve all booster clubs, and questions about individual booster clubs will be addressed to the principal of each school.
- Booster clubs exist only to support the school and its program.
- A copy of each booster club’s constitution, by-laws, and annual budget must be submitted to the principal before club activities each year. Each booster club will have a written operational philosophy with clear-cut objectives to be carried out by the club.
- Each booster club will have in its constitution procedures for an annual financial report.

- The superintendent and principal have the right and the authority to audit booster club financial records.
- Each booster club will develop an annual budget with input from the coach or sponsor, and submit it to the principal for approval prior to the start of the season. A final annual financial report will be submitted to the principal at the conclusion of the season.
- The booster clubs will provide a written copy of their treasurer's report to each member present at each meeting.
- The principal or his/her designated representative will approve all booster club meeting dates, the meeting site, and the time of the meeting.
- Coaches or sponsors of each individual activity will attend booster club meetings.
- All fundraisers and projects conducted by a booster club must have prior written approval of the principal or his/her designee. Booster clubs must follow all Barrow County School System guidelines and policies pertaining to fundraising activities and facilities usage.
- *The Georgia Sales and Use Tax Regulations Prohibit Booster Clubs Access to the School's Sales Tax Exemption Form.*
- Booster clubs must abide by all guidelines, rules, policies, and regulations set forth by Barrow County Board of Education (Policy LEB, LEB-R, & JK), State Board of Education, Georgia High School Association and all local, state, and federal laws.
- All gifts or donations given to the school by the booster club will be accepted by the principal with a signed statement indicating that they will become the property of the school.
- The superintendent and principal have the discretion to disband or dissolve any booster club, if he/she determines the guidelines above are not being followed.
- If the booster club is dissolved for any reason all associated funds immediately are to be transferred to the school.

MEDICAL PROCEDURES

The health, welfare and safety of your child are of utmost importance. At times, it may be necessary for your child to take medication. The school nurse or principal's designee shall be permitted to assist students in taking medication during the school day only if it is not possible for the parent, guardian, child's physician, or some other adult authorized by the parent or guardian to administer the medication. In the event a student must take medicine during school hours, the guidelines set forth below shall direct the proper handling of all medications at school:

1. All medicines, prescription or otherwise, brought to school shall be carried to the school office immediately upon arrival at school and must be accompanied by written permission from

the parent/guardian stating what the medication is, why the student is required to take it during the school day, the number of pills in the bottle, the dosage to be taken by the student and at what times. The parent/guardian should also state any potential adverse reaction the student may experience. Any student not complying with this policy and possessing any medication on the school campus shall be subject to discipline as set forth in the Student Code of Conduct.

2. Any medication brought to school must be contained in its original container with the nature of the medication and instructions for use clearly indicated. All prescription medication must be contained in the original prescription-labeled container with the student's name, date, name of the prescribing physician, name of the medication, instructions for administering the medication and the name of the pharmacy filling the prescription stated on the label.

3. The parent or guardian shall authorize the school nurse or principal's designee to speak or correspond directly with the child's physician in the event the nurse or designee deems it appropriate or necessary. In an emergency situation, the school nurse or principal's designee may call for emergency medical services (911). The parent will be notified of the emergency and their child's condition as soon as possible.

4. Written parental permission must be given on at least a yearly basis or when changes in medication occur. Parents must immediately notify the school of any changes in medication. No medication shall be given contrary to label instructions, regardless of parent permission, without specific written instructions from the child's physician.

5. Medications that are out-of-date or discontinued will be available for parent/ guardian to pick-up. Medications not picked up within one week of expiration or by the end of the school year will be properly disposed of in the presence of a witness.

6. Other than topical first aid ointments, no medicine shall be bought or supplied by the school or any employee. The school nurse or principal's designee may use first aid topical ointments, approved by the school nurse, for first aid purposes such as insect bites, abrasions, poison ivy etc., unless a parent/guardian requests in writing that first aid topical ointments not be administered.

7. Nurses or other school employees are authorized to administer auto-injectable epinephrine, if available, to a student who is having an actual or perceived anaphylactic adverse (allergic) reaction, regardless of whether the student has a prescription for epinephrine. Any school employee who in good faith administers or chooses not to administer auto-injectable

epinephrine to a student in such circumstances shall be immune from civil liability.

8. The major responsibility for a student taking medication at school rests with the student's parents. Barrow County Schools will not be responsible if a student misses a dose of medication.

9. If a student requires frequent doses of over counter medication, a doctor's order may be required.

For Additional Information see Board Policy – Medication – Board Policy JCGD

BARROW COUNTY SCHOOLS INTERNET SAFETY, TECHNOLOGY RESPONSIBILITY, AND ACCEPTABLE USE POLICY

The Barrow County Board of Education believes the use of school district technology supports curricular and administrative objectives and has the potential to promote 21st Century skills such as creativity, collaboration, and communication. Technology can significantly enhance both the teaching and learning process and help prepare students for their roles in a technical society. This technology includes computer hardware, software, local and wide area networks and access to the Internet, the use of which is to be encouraged within guidelines that protect students and the rights of others.

Using Technology at School

We live in a global and digital world -- a world changed by technology and new ideas about how we communicate with one another and exchange information. As a result, students must develop the research, information fluency, and technology skills that will allow them to be successful, safe, and ethical in this digital world. For this reason, students are provided computer access privileges at school, as well as access to the Internet, email, digital communication and collaboration tools, online learning spaces, and electronic educational resources. In addition to these resources, tools, and equipment, which are essential to teaching

and learning, the Barrow County School System also fully supports responsible, learning-centered use of personal devices to provide as many pathways to understanding as possible for our students.

The guidelines for responsible use of these tools, student-owned devices and the protection measures in place are outlined in the following documents:

- ***Barrow County School System Student Responsible Use of Technology Resources (<https://goo.gl/VMOTlu>)***
- ***Barrow County School System Bring Your Own Technology (BYOT) Regulation and Student Agreement (<https://goo.gl/vMMOcC>)***

Students are expected to follow all classroom/school rules online just as they do in class and will be held accountable for misconduct, which includes violations of the district's Internet Acceptable Use Policy and its established guidelines and the Student Code of Conduct.

Parents are always encouraged to review the online activities of their children and can access student accounts. Parents are also encouraged to speak with teachers when questions or concerns arise about the use of web-based tools in the classroom.

Standard applications and accounts that are configured for student use include (but are not limited to):

- ***Barrow County School System's G Suite for Education Environment:*** This education-focused Google Apps environment (https://edu.google.com/training-support/privacy-security/?modal_active=none) is hosted by Google, and managed by the district. This collection of online applications provides students with a Google email account, calendar, and access to Google Drive, where students can create, share, and publish documents, spreadsheets, presentations, and other artifacts of their learning. The district creates and manages user accounts; manages access to applications and email based on grade level organizations; and manages permissions. For example, email accounts the district creates can only communicate with other email accounts created by the district or a limited set of explicitly approved, academically oriented, external email systems such as Governor's Honors Program, College Board etc. (Please note that G Suite for Education accounts are covered by more restrictive data privacy practices than "regular" Google accounts, including a restriction on advertising and the use of student data for advertising purposes. G Suite for Education also was an early signatory to the Student Privacy Pledge. <https://studentprivacypledge.org/>)

- **Microsoft 365 for Education:** The district also offers students and staff access to Microsoft’s Office 365 platform. Like GSuite for Education, Office 365 is a cloud based, digital collaboration suite that provides students and staff access to the online version of the Microsoft Office Suite of tools, including Word, PowerPoint, and Excel. Using their Office 365 account, Students will have the ability to create, share, and collaborate on content across the full suite of Microsoft applications on virtually any device. Students can also use their Office 365 account to download and install the full versions of the latest Office suite on up to 5 PCs/Macs and 5 mobile devices per user, and can continue using it as long as they are a student in the Barrow County School district.

The district will create and manage all user accounts and will also control access to applications and permissions based on grade level organizations. Student email will remain in our sandboxed GSuite email environment and we do not plan to use the email component of Office365 at this time.

In addition to providing students with the full Office Suite, all student’s Office 365 accounts will also provide access to Microsoft’s Minecraft Education Edition Platform. Minecraft Education Edition is a dedicated version of Minecraft that has been designed specifically for use in education. The educational version of Minecraft provides students and teachers with a secured and controlled environment that can be used to build real world collaboration, communication, and critical thinking skills in a variety of different subjects including Chemistry/Science, History, and Computer Science/Programming.

Please note that like GSuite for Education, Office 365 Educational accounts are covered by more restrictive privacy practices than consumer or Enterprise Office 365 accounts including restrictions on advertising as well as the use and collection of student data for datamining purposes. Regulatory information for both Office 365 and Minecraft for Education can be found <https://minecrafteducation.zendesk.com/hc/en-us>.

Web 2.0 Tools for Educational Use: These are web-based tools that are considered an extension of the class and may require students to have a unique account created for them to access and save content. Products students create using these tools may also be published for a global audience. Under the supervision of a classroom teacher, students may engage in some of the following types of activities:

<ul style="list-style-type: none"> ● Compiling research ● Online classroom discussions 	<ul style="list-style-type: none"> ● Video production ● Research reporting
--	--

<ul style="list-style-type: none"> • Teacher-led video conferences • Multi-media projects 	<ul style="list-style-type: none"> • Individual / collaborative projects • Reading/ writing / peer review
---	---

- **BYOT (Bring Your Own Technology) Program:** This program permits students to bring their technology devices to school for academic use at the discretion of teachers and staff, using Internet access provided by the district and filtered in compliance with the Children’s Internet Protection Act (CIPA). Parents and students who participate in this program are bound by rules and conditions found in the BYOT regulation (**IFBG-R3**) (<https://goo.gl/vMMOcC>)
- **Online Curriculum Systems:** Most of the curriculum adopted in the district is accompanied by or depends on access to an online system where content and assessments are stored. Many of these systems require students to have a unique account created for them which allows them to access supplemental video content, take quizzes, and strengthen their understanding about the ideas in a content area. For district-wide curriculum, the district creates and manages these accounts. In these cases, the terms of use and privacy policies are reviewed thoroughly before providing any student account data to the vendor.

Parents who would like to read more about G Suite for Education, Web 2.0 Tools and the BYOT program can access these documents at the links below or you can request a hard copy from your school.

Internet Safety

Due to the complex nature of these systems and the magnitude of information available via the Internet, the Barrow County Board of Education believes guidelines regarding acceptable use are warranted to serve the educational needs of students.

It shall be the policy of the Barrow County Board of Education that the school system shall have in continuous operation, with respect to any computers or mobile devices having access to the Internet via the Barrow County School System (BCSS) network:

1. A qualifying “technology protection measure,” as that term is defined in Section 1703(b)(1) of the Children's Internet Protection Act of 2000; and
2. Procedures or guidelines developed by the superintendent, administrators and/or other

appropriate personnel:

- a. Which provide for monitoring the online activities of users; and
- b. The use of technology protection measure to protect against access to visual depictions that are:
 1. obscene, as the term is defined in section 1460 of title 18, United States Code;
 - i. child pornography, as the term is defined in section 2256 of title 18, United States Code; or
 - ii. harmful to minors, as those terms are defined in Section 1703(b)(1) and (2) of the Children's Internet Protection Act of 2000.
- c. Such procedures or guidelines shall be designed to:
 1. Provide for monitoring the online activities of users to prevent, to the extent practicable, access to inappropriate matter on the Internet and the World Wide Web;
 2. Prevent unauthorized access, including so-called "hacking," and other unauthorized activities by users online;
 3. Prevent the unauthorized disclosure, use and dissemination of personal identification information regarding students;
 4. Restrict minors' access to materials "harmful to minors," as that term is defined in Section 1703(b)(2) of the Children's Internet Protection Act of 2000;
 5. Educate users about their safety and security when using electronic mail, chat rooms, and other forms of direct electronic communication (including instant messaging);
 6. Educate users about appropriate online behavior, including interacting with other individuals on social networking websites and in chat rooms; and
 7. Educate minors about cyberbullying awareness and response as required by the Children's Internet Protection Act.

Technology Use

The district's technology resources are provided for educational purposes that promote and are consistent with the instructional goals of the Barrow County School System. Use of computers, mobile devices, and network resources outside the scope of this educational purpose is strictly prohibited.

Students and employees accessing network services or Internet through any device, or accessing any school computer shall comply with the district's Internet and technology acceptable use guidelines. User privacy is limited with regard to the use of the system network and technology. The district reserves the right to monitor, access, and disclose the contents of any user's files, activities, or communications, including content sent/received through secure connections.

It must also be understood that the Internet is a global, fluid community, which remains largely unregulated. While it is an extremely valuable tool for educational research, there are sections that are not commensurate with community, school, or family standards. It is the belief of the Board that the Internet's advantages far outweigh its disadvantages. The Barrow County Board of Education will, through its administrative staff, provide an Internet screening system, which blocks access to a large percentage of inappropriate content. It should not be assumed, however, that users are completely prevented from accessing inappropriate materials or from sending or receiving objectionable communications.

Additionally, access to network services, the Internet, and computer resources is a privilege, not a right. Therefore, users violating the Barrow County Board of Education's Internet safety and technology acceptable use policy shall be subject to revocation of these privileges and potential disciplinary action.

Student Responsible Use of Technology Resources

The Barrow County School System (BCSS) supports and encourages the use of technology resources to enhance and facilitate learning and expects responsible and respectful behavior from technology users. Technology use (whether personal or school owned) is a privilege, not a right, and inappropriate use may result in a loss of those privileges as well as other disciplinary actions outlined in the student code of conduct.

This regulation was established by the Barrow County School System's Internet safety and Acceptable Use policy (IFBG)

<https://simbli.eboardsolutions.com/ePolicy/policy.aspx?PC=IFBG&Sch=4009&S=4009&C=I&RevNo=1.3&T=A&Z=P&St=ADOPTED&PG=6&SN=true> and outlines guidelines and procedures defining responsible use of district-owned technology, and personally owned technology connected to district resources, network resources, G Suite for Education tools, and Web 2.0 / social networking tools (for education) by its students.

Barrow County School System

Student Code of Conduct

The Barrow County Student Code of Conduct is based on the philosophy that discipline is a tool that is used to teach students to become responsible for their own behavior. Since our students live in a society in which citizens are expected to obey laws and abide by commonly accepted standards of behavior, we must teach them to be self-disciplined. This Student Code of Conduct is built upon those commonly accepted standards of behavior sometimes called character traits. These character traits include: citizenship, cheerfulness, cleanliness, compassion, cooperation, courage, courtesy, creativity, diligence, fairness, generosity, honesty, kindness, loyalty, patience, patriotism, perseverance, punctuality, respect for others, respect for the creator, respect for the environment, sportsmanship, school pride, self-respect, self-control, tolerance, and virtue.

In order to educate students to become productive citizens as adults, we must create a safe, non-threatening and orderly school environment that enables teachers to teach and students to learn. We expect students to “behave themselves in such a way so as to facilitate a learning environment for themselves and others, respect each other and school district employees, obey student behavior policies adopted by the local board of education, and obey student behavior rules established by individual schools (O.C.G.A. 20-2-735).” This Code of Conduct establishes expectations for the

maintenance of a positive learning environment at school. Major offenses, including, but not limited to, drug and weapon offenses, may lead to a school being labeled as an Unsafe School according to the provisions of State Board of Education Rule 160-4-8-.16 Unsafe School Choice Option.

The Student Code of Conduct is effective during the following times and in the following places:

1. At school or on school property at any time;
2. Off the school grounds at any school-related or school-sponsored activity, function or event and while traveling to and from such events;
3. On vehicles provided for student transportation by the school system and school bus stops where groups of students gather for the purpose of getting on or off the school bus.
4. Off school property provided a student's behavior poses a threat to the safety of students, staff or visitors at school or has the potential to disrupt the safe and orderly operation of a school.

The Code of Conduct is subject to change. Check www.barrow.k12.ga.us or the school website for the most current version.

Resolution Process of Disciplinary Issues for Parents and Students Discipline

POSITIVE BEHAVIOR INTERVENTION SYSTEM (PBIS)

PBIS is an evidence-based, data-driven framework proven to reduce disciplinary incidents, increase a school’s sense of safety and support improved academic outcomes. More than 16,000 U.S. schools are implementing PBIS. The premise of PBIS is that continual teaching, combined with acknowledgement or feedback of positive student behavior will reduce unnecessary discipline and promote a climate of greater productivity, safety and learning.

All Barrow County Schools participate in PBIS.

Students will be awarded **BULLDOGG BUCKS** for exemplifying any of the behaviors listed below.

BUS DISCIPLINE

Students who ride the school bus may do so as long as they display safe and reasonable behavior. Choosing not to follow the bus behavior guidelines may result in suspension or loss of bus service. The bus driver is responsible for the safety and well-being of the students on the bus. The school administrator will determine consequences of misbehavior and the reinstatement of bus service for the offending students should a suspension become necessary. **A suspension applies to all buses** unless otherwise designated by school officials. The responsibility for student supervision by the school shall begin when the student boards the bus in the morning and is retained until the child leaves the bus at the end of the day. **Riding the school bus is a privilege not a right**, and may be revoked for safety and discipline infractions.

I. PARENT/GUARDIAN RESPONSIBILITY

Parents and guardians will be responsible for ensuring their child follows all rules and guidelines outlined by this notice, driver, and administrator. If the student violates the behavior guidelines resulting in a bus suspension, the parent will provide transportation for their child. Students will be picked up and dropped off at their designated stop. Exceptions will require a written request from the parent as outlined below. In an emergency a phone call by the parent to the principal and subsequent written approval from the principal to the bus driver will be acceptable.

The school bus ride is an extension of the school day and as such, is subject to all

school policies and procedures. Bus Conduct Reports will be recorded in accordance with all other school record keeping procedures.

II. TRANSPORTING OF SCHOOL RELATED/NON-RELATED ITEMS

No animals or any items that may be deemed objectionable in nature will be transported on any bus. If necessary, the bus driver may confiscate these items and turn them in to the school administrator. Any item that may be considered a weapon (per Ga. Law) or dangerous to others in any way will not be allowed on the bus. (This may include sports equipment, laser pointers, toys, etc.) Band instruments that will be allowed on the bus are those that are small enough to be held in the student's lap. Instruments may not be in the aisle or take the space of a student if that space is needed to sit down. Damage to personal items is not covered by the school bus insurance coverage.

III. BEHAVIOR GUIDELINES

BCSS STUDENT BUS TRANSPORTATION CHANGES PROTOCOL

Note: This protocol is for short-term (daily) changes only. For any long-term change in transportation, please use the appropriate Transportation Change Form available in your school's front office.

Student must have a written note from a parent or guardian that is dated and signed referencing that particular day or days affected. This will apply even if the parent makes the request in person at the school.

In the event of a change in transportation, school office personnel will:

- Have appropriate school administrator (or designee) sign the note
- Make a copy of the note with both signatures
- Send the original note with the student or the student's teacher to be given to the appropriate bus driver – this will be the student's pass to get on the bus.
- File the copy of the note in a specified place in the front office where it can be easily accessed in case of emergency.

Bus drivers will not allow a student to exit the school bus at a place that is not the student's normal stop unless the written note signed by both the parent/guardian and the school administrator (or designee) is in his or her possession.

No bus transportation changes will be accepted over the telephone.

Changes may be accepted via fax or email attachment if parent/guardian picture ID is included with the request, at the school administration's discretion. Change requests must be received by the front office staff prior to noon on the day of the change.

Note: There are now set bus stops along all the bus routes and BCSS buses cannot stop

at each individual house.
