

WINDER-BARROW HIGH SCHOOL ATHLETICS

Jared Noblet | Athletic Director

Dear Bulldogg Corporate Supporter,

The Winder-Barrow Athletic Association would like to thank you for supporting the Winder-Barrow Athletic Program. We could not do the things necessary for our student-athletes to be successful without support of businesses and individuals like you. Your donations go directly to our student athletes by helping us buy uniforms, letters for letterman jackets, weight equipment, performance equipment, plaques, awards, motivational tools, as well as help us improve all safety equipment necessary for all athletes.

Being a Corporate Sponsor is a relatively inexpensive and wonderful opportunity to advertise your company to the community during sporting events, graduation, and many other local events. Your donation is tax deductible, and it can be a wise use of your company's advertisement budget. Your sign will be visible in the gym for wrestling, volleyball, basketball, cheerleading, etc. and in the stadium for football, soccer, track, rec league events, etc. I strongly invite you to review the different sponsorship levels, the benefits each offers to you and your company, and sincerely hope you will be able to choose a participation level your company will be comfortable with.

Attached you will find a listing of the benefits of being a Bulldogg Corporate Sponsor and Sponsorship Form. You may want to keep a broader perspective in mind, and assist with the Athletic Association's overall efforts, or you may choose to do direct financial or in kind assistance toward a particular sport. Either way, Winder-Barrow's student-athletes will benefit greatly from your contribution.

Thank you for your generous consideration to assist our athletic program as we work to move forward for a successful future. It is truly an exciting time as our athletic program continues to improve. If you have any questions or would like to propose a different avenue of supporting our athletes, please do not hesitate to contact me!

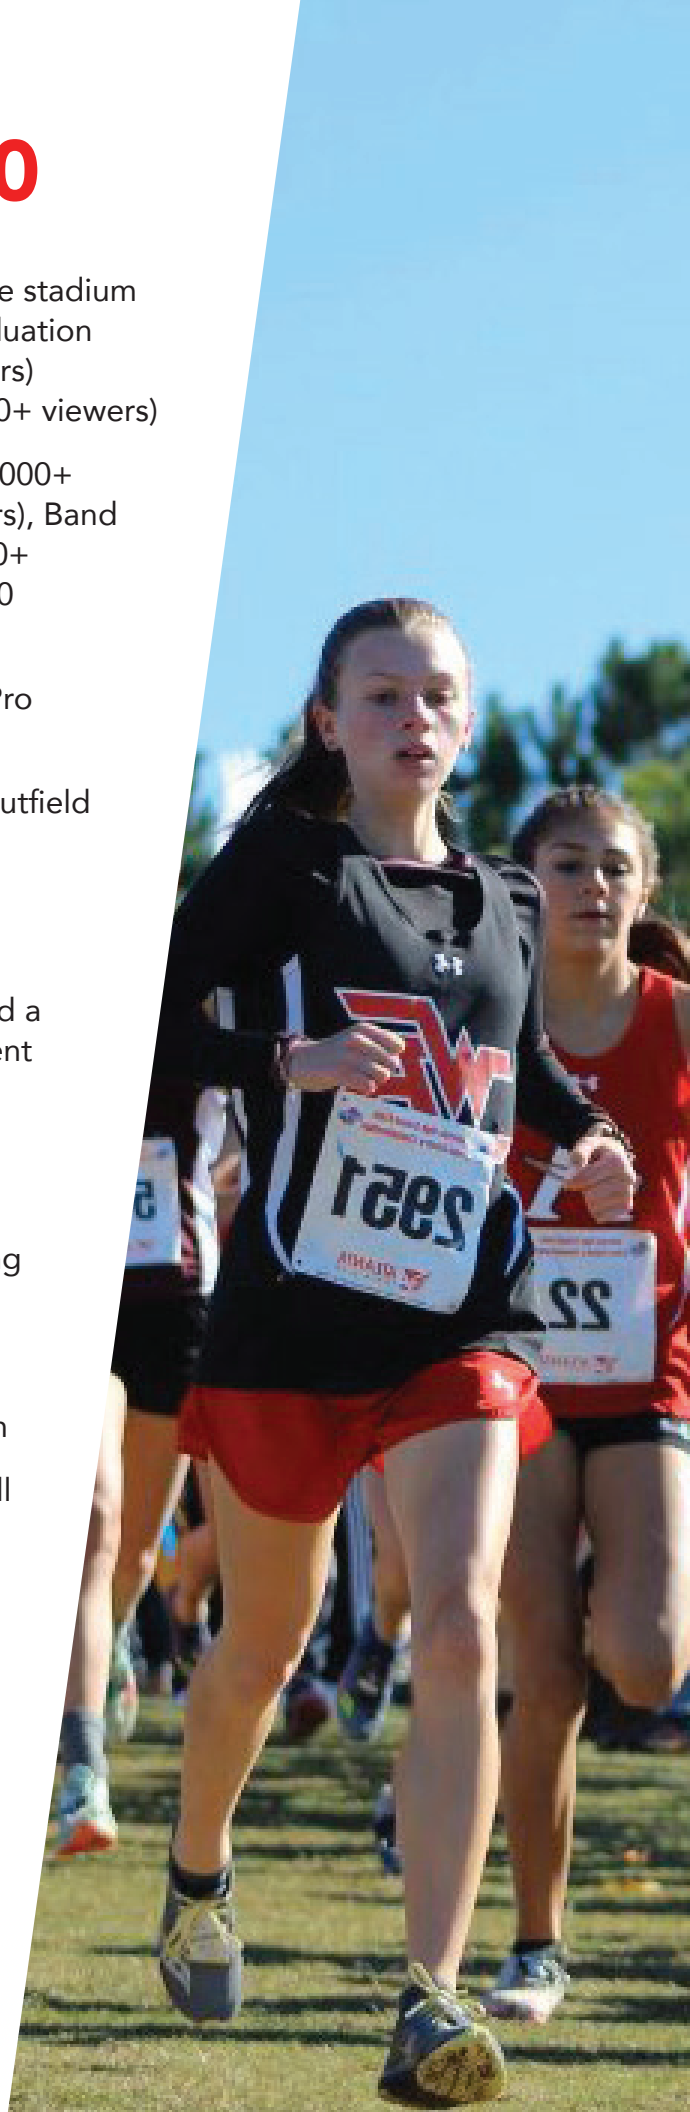

Go Doggs!

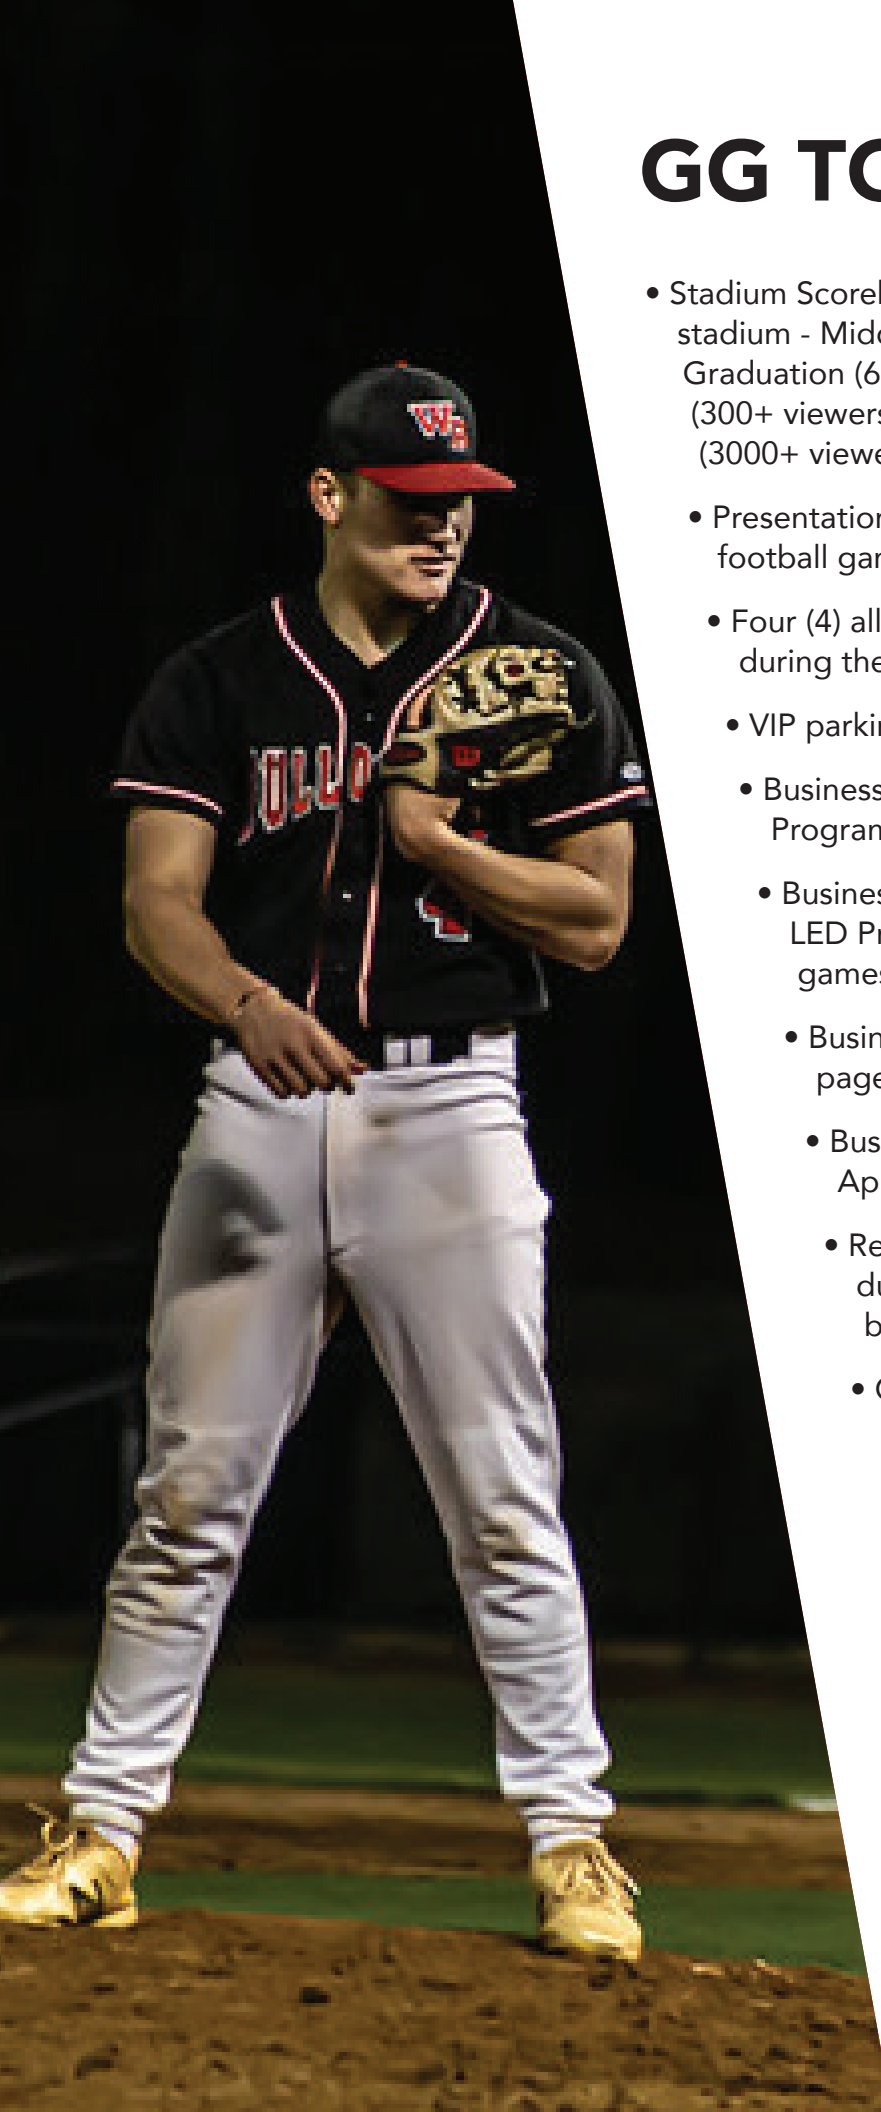

Sincerely,

Jared Noblet
Athletic Director
Assistant Principal
