NOVEMBER 10, 2020

Q1, Do you anticipate extending the bid due date?

A1. No. The bid was posted on the E-rate Productivity Center portal and the school district website per FCC, local and state procurement guidelines. We are allowing the required number of days for vendors to submit bids.

Q2. What additional details are you willing to provide, if any, beyond what is stated in bid documents concerning how you will identify the winning bid?

A2. The Evaluation Factors outlined in the RFP provide sufficient details as to how we will identify a winning bid.

Q3. Was this bid posted to the nationwide free bid notification website at www.mygovwatch.com/free?

A3. No. None of the FCC, local and state guidelines require that the bid is posted on the website you referenced.

Q4. Other than your own website, where was this bid posted?

A4. Because this is an E-rate bid, the RFP was posted on the E-rate Productivity Center (EPC) portal. Any vendor who wishes to bid on this project must be registered with the USAC and obtain a Service Provider Identification Number (SPIN). Once a SPIN is obtained, the vendor has access to this and all other requests for bids.

This bid was also posted on the Georgia DOAS Georgia Procurement Registry system (<http://ssl.doas.state.ga.us/gpr/index>).
