SAFETY FIRST

The health and safety of our students and staff is our highest priority.

At the beginning of the school year, school and district administrators update the School Emergency Operations Plan for each campus.

BCSS is prepared to keep our students and staff safe with: access control measures; a video intercom system at main entrances; Visitor Management System with built-in sex offender registry check; security cameras—interior, exterior and classroom cameras; safety drills (Fire, Lockdown, Severe Weather); Emergency Preparedness Guides in all classrooms; School Resource Officers throughout the District; and AEDs located in all schools.

HOW CAN YOU AND YOUR STUDENT BE PREPARED?

- Keep your contact information and emergency contact information current to ensure timely notifications.
- Keep all medical information up to date.
- During an emergency, please do not call or come to the school. Instructions and updates will be provided via phone call, text, email, and website.
- Speak with your child about following teachers' directions and stress the importance of why we conduct school safety drills.
- If you have specific concerns about your child's safety, contact your school's principal and/or the safety and security office.

STAY IN THE KNOW

- **Update your email address and phone number** on our Parent Update Website. Easily make changes at bit.ly/BCSSInfoUpdate.
- Attend School Board meetings, typically on the first Tuesday of each month at 6 p.m. Watch live or catch recordings on the BCSS YouTube channel.
- Watch BOLD TV on Xfinity channels 21 or 24 for live and on-demand content.
- Connect with your child's school and our school district on social media for daily stories and updates.
