

Car Rider Drop Off/Pick Up

Car Riders should NOT be dropped off/picked up at Sims, ARES, Horizons, or in the bus lane located at the front of BASA. The Car Rider Lane (Drop Off and Pick Up) is a single lane route that runs to the back of the Innovation Campus (near Innovation Amphitheater). Only buses will be allowed in the front of BASA during arrival and dismissal. Due to bus arrival congestion, students should not be checked out after 2:30pm.

BASA opens its doors at 7:45am. Please do not drop off your student prior to this time.
