Residents of Stonebrier Community Development District

RE: Stonebrier CDD Approved Enhancements and Projects

Dear Residents:

The Board of Supervisors of the Stonebrier Community Development District is excited to inform you of our upcoming approved projects

- 1) The lighting project will add landscape lighting for the palm trees in the roundabout and improve the lighting at our flag pole, the main Stonebrier sign and each of our entrance signs to include Sandhurst, Sweetgrass, Waterbridge and Woodside. This project will commence the first week of February and should be completed by February 10th.
- 2) The painting project will include the painting and pressure washing of the entry monument signs for Sandhurst, Sweetgrass, Waterbridge and Woodside, as well as the main entry sign to Stonebrier. The CDD in partnership with the HOA will also paint and pressure wash all of the columns located within the entries of the community. The project should commence in the first week of February and will take approximately two weeks to finalize, barring any delays to cold weather or rain.

For any questions or contact information please visit www.stonebriercdd.org.

Sincerely,

Board of Supervisors
Stonebrier Community Development District
