

## Hello Residents,

During this unprecedented time of the COVID-19 (Coronavirus) situation, we wanted to reach out with an important update about your community amenity areas, which include all clubhouses and pools in Metro Places communities.

As of right now, the clubhouses and pools will remain open but we ask that everyone use extra caution to keep themselves and others safe. We implore all guests to only enter the amenity areas if they are free of symptoms, have had limited travel (no international travel or travel to known high-exposure areas), have not been on a cruise and have not been in contact with any known cases. We also ask that everyone practice social distancing and use common-sense measures while enjoying this space. If you do decide to use the amenity area, you are doing so at your own risk and our hope is that everyone stays informed, remains safe and enjoys the area responsibly.

Things seem to be changing every day and if any protocols at our amenity areas are affected, we will send an update that reflects the latest guidelines by the [Florida Department of Health](#) and [CDC](#).

Warmest Regards,

Your Metro Places Team
