About the Amenities

Amenities in the Brightwater community include a lagoon (completion expected next year), dog park, walking trails, "green space" landing, and golf cart paths. Brightwater is well on its way to becoming a gated community, and once the gates are operating, residents will use their gate clickers or gate code to open the gates.

MetroLagoons by Crystal Lagoons

Brightwater is the only community in the North Fort Myers area that offers acres of crystal-clear water for swimming, kayaking, and experiencing a breathtaking view on any day of the year. The lagoon is privately owned and it is not managed by the CDD. If you have questions about the lagoon, please contact Lagoon Information.
