To change any of this information, write the correct information on the form, <u>and contact your agency's financial disclosure coordinator</u>. You can find your coordinator on the Commission on Ethics website: www.ethics. state.fl.us.

**NAME OF AGENCY:** The name of the governmental unit which you serve or served, by which you are or were employed, or for which you are a candidate.

**DISCLOSURE PERIOD:** The "disclosure period" for your report is the calendar year ending December 31, 2021.

**OFFICE OR POSITION HELD OR SOUGHT:** The title of the office or position you hold, are seeking, or held during the disclosure period <u>even if you have since left that position</u>. If you are a candidate for office or are a new employee or appointee, check the appropriate box.

**PUBLIC RECORD:** The disclosure form and everything attached to it is a public record. <u>Your social security number</u>, <u>bank account</u>, <u>debit</u>, <u>charge</u>, <u>and credit card numbers are not</u> required and you should redact them from any documents you file. If you are an active or former officer or employee listed in Section 119.071, F.S., whose home address is exempt from disclosure, the Commission will maintain that confidentiality <u>if</u> you submit a written and notarized request.

#### MANNER OF CALCULATING REPORTABLE INTEREST

Filers have the option of reporting based on <u>either</u> thresholds that are comparative (usually, based on percentage values) <u>or</u> thresholds that are based on absolute dollar values. The instructions on the following pages specifically describe the different thresholds. Check the box that reflects the choice you have made. <u>You must use the type of threshold you have chosen for each part of the form.</u> In other words, if you choose to report based on absolute dollar value thresholds, you cannot use a percentage threshold on any part of the form.

#### IF YOU HAVE CHOSEN DOLLAR VALUE THRESHOLDS THE FOLLOWING INSTRUCTIONS APPLY

#### PART A - PRIMARY SOURCES OF INCOME

[Required by s. 112.3145(3)(b)1, F.S.]

Part A is intended to require the disclosure of your principal sources of income during the disclosure period. <u>You do not have to disclose any public salary or public position(s)</u>. The income of your spouse need not be disclosed; however, if there is joint income to you and your spouse from property you own jointly (such as interest or dividends from a bank account or stocks), you should disclose the source of that income if it exceeded the threshold.

Please list in this part of the form the name, address, and principal business activity of each source of your income which exceeded \$2,500 of gross income received by you in your own name or by any other person for your use or benefit.

"Gross income" means the same as it does for income tax purposes, even if the income is not actually taxable, such as interest on tax-free bonds. Examples include: compensation for services, income from business, gains from property dealings, interest, rents, dividends, pensions, IRA distributions, social security, distributive share of partnership gross income, and alimony if considered gross income under federal law, but not child support.

#### Examples:

— If you were employed by a company that manufactures computers and received more than \$2,500, list the name of the company, its address, and its principal business activity (computer manufacturing).

 If you were a partner in a law firm and your distributive share of partnership gross income exceeded \$2,500, list the name of the firm, its address, and its principal business activity (practice of law).

— If you were the sole proprietor of a retail gift business and your gross income from the business exceeded \$2,500, list the name of the business, its address, and its principal business activity (retail gift sales).

 If you received income from investments in stocks and bonds, list <u>each individual company</u> from which you derived more than \$2,500. Do not aggregate all of your investment income.

— If more than \$2,500 of your gross income was gain from the sale of property (not just the selling price), list as a source of income the purchaser's name, address and principal business activity. If the purchaser's identity is unknown, such as where securities listed on an exchange are sold through a brokerage firm, the source of income should be listed as "sale of (name of company) stock," for example.

— If more than \$2,500 of your gross income was in the form of interest from one particular financial institution (aggregating interest from all CD's, accounts, etc., at that institution), list the name of the institution, its address, and its principal business activity.

#### PART B — SECONDARY SOURCES OF INCOME

#### [Required by s. 112.3145(3)(b)2, F.S.]

This part is intended to require the disclosure of major customers, clients, and other sources of income to businesses in which you own an interest. It is not for reporting income from second jobs. That kind of income should be reported in Part A "Primary Sources of Income," if it meets the reporting threshold. You will not have anything to report unless, during the disclosure period:

(1) You owned (either directly or indirectly in the form of an equitable

or beneficial interest) more than 5% of the total assets or capital stock of a business entity (a corporation, partnership, LLC, limited partnership, proprietorship, joint venture, trust, firm, etc., doing business in Florida); *and*,

(2) You received more than \$5,000 of your gross income during the disclosure period from that business entity.

If your interests and gross income exceeded these thresholds, then for that business entity you must list every source of income to the business entity which exceeded 10% of the business entity's gross income (computed on the basis of the business entity's most recently completed fiscal year), the source's address, and the source's principal business activity.

Examples:

— You are the sole proprietor of a dry cleaning business, from which you received more than \$5,000. If only one customer, a uniform rental company, provided more than 10% of your dry cleaning business, you must list the name of the uniform rental company, its address, and its principal business activity (uniform rentals).

— You are a 20% partner in a partnership that owns a shopping mall and your partnership income exceeded the above thresholds. List each tenant of the mall that provided more than 10% of the partnership's gross income and the tenant's address and principal business activity.

#### PART C — REAL PROPERTY

[Required by s. 112.3145(3)(b)3, F.S.]

In this part, list the location or description of all real property in Florida in which you owned directly or indirectly at any time during the disclosure period in excess of 5% of the property's value. You are not required to list your residences. You should list any vacation homes if you derive income from them.

Indirect ownership includes situations where you are a beneficiary of a trust that owns the property, as well as situations where you own more than 5% of a partnership or corporation that owns the property. The value of the property may be determined by the most recently assessed value for tax purposes, in the absence of a more accurate fair market value.

The location or description of the property should be sufficient to enable anyone who looks at the form to identify the property. A street address should be used, if one exists.

#### PART D — INTANGIBLE PERSONAL PROPERTY

[Required by s. 112.3145(3)(b)3, F.S.]

Describe any intangible personal property that, at any time during the disclosure period, was worth more than \$10,000 and state the business entity to which the property related. Intangible personal property includes things such as cash on hand, stocks, bonds, certificates of deposit, vehicle leases, interests in businesses, beneficial interests in trusts, money owed you (including, but not limited to, loans made as a candidate to your own campaign), Deferred Retirement Option Program (DROP) accounts, the Florida Prepaid College Plan, and bank accounts in which you have an ownership interest. Intangible personal property also includes investment products held in IRAs, brokerage accounts, and the Florida College Investment Plan. Note that the product contained in a brokerage account, IRA, or the Florida College Investment Plan is your asset-not the account or plan itself. Things like automobiles and houses you own, jewelry, and paintings are not intangible property. Intangibles relating to the same business entity may be aggregated; for example, CDs and savings accounts with the same bank. Property owned as tenants by the entirety or as joint tenants with right of survivorship, including bank accounts owned in such a manner, should be valued at 100%. The value of a leased vehicle is the vehicle's present value minus the lease residual (a number found on the lease document).

#### PART E — LIABILITIES

[Required by s. 112.3145(3)(b)4, F.S.]

List the name and address of each creditor to whom you owed more than \$10,000 at any time during the disclosure period. The amount of the liability of a vehicle lease is the sum of any past-due payments and all unpaid prospective lease payments. You are not required to list the amount of any debt. You do not have to disclose credit card and retail installment accounts, taxes owed (unless reduced to a judgment), indebtedness on a life insurance policy owed to the company of issuance, or contingent liabilities. A "contingent liability" is one that will become an actual liability only when one or more future events occur or fail to occur, such as where you are liable only as a guarantor, surety, or endorser on a promissory note. If you are a "co-maker" and are jointly liable or jointly and severally liable, then it is not a contingent liability.

#### PART F -- INTERESTS IN SPECIFIED BUSINESSES

[Required by s. 112.3145(7), F.S.]

The types of businesses covered in this disclosure include: state and federally chartered banks; state and federal savings and loan associations; cemetery companies; insurance companies; mortgage companies; credit unions; small loan companies; alcoholic beverage licensees; pari-mutuel wagering companies, utility companies, entities controlled by the Public Service Commission; and entities granted a franchise to operate by either a city or a county government.

Disclose in this part the fact that you owned during the disclosure

period an interest in, or held any of certain positions with the types of businesses listed above. You must make this disclosure if you own or owned (either directly or indirectly in the form of an equitable or beneficial interest) at any time during the disclosure period more than 5% of the total assets or capital stock of one of the types of business entities listed above. You also must complete this part of the form for each of these types of businesses for which you are, or were at any time during the disclosure period, an officer, director, partner, proprietor, or agent (other than a resident agent solely for service of process).

If you have or held such a position or ownership interest in one of these types of businesses, list the name of the business, its address and principal business activity, and the position held with the business (if any). If you own(ed) more than a 5% interest in the business, indicate that fact and describe the nature of your interest.

#### PART G — TRAINING CERTIFICATION

[Required by s. 112.3142, F.S.]

If you are a Constitutional or elected municipal officer, appointed school superintendent, or a commissioner of a community redevelopment agency created under Part III, Chapter 163 whose service began before March 31 of the year for which you are filing, you are required to complete four hours of ethics training which addresses Article II, Section 8 of the Florida Constitution, the Code of Ethics for Public Officers and Employees, and the public records and open meetings laws of the state. You are required to certify on this form that you have taken such training.

### IF YOU HAVE CHOSEN COMPARATIVE (PERCENTAGE) THRESHOLDS THE FOLLOWING INSTRUCTIONS APPLY

#### PART A — PRIMARY SOURCES OF INCOME

[Required by s. 112.3145(3)(a)1, F.S.]

Part A is intended to require the disclosure of your principal sources of income during the disclosure period. <u>You do not have to disclose any public salary or public position(s)</u>, <u>but income from these public sources should be included when calculating your gross income for the disclosure period</u>. The income of your spouse need not be disclosed; however, if there is joint income to you and your spouse from property you own jointly (such as interest or dividends from a bank account or stocks), you should include all of that income when calculating your gross income and disclose the source of that income if it exceeded the threshold.

Please list in this part of the form the name, address, and principal business activity of each source of your income which exceeded 5% of the gross income received by you in your own name or by any other person for your benefit or use during the disclosure period.

"Gross income" means the same as it does for income tax purposes, even if the income is not actually taxable, such as interest on tax-free bonds. Examples include: compensation for services, income from business, gains from property dealings, interest, rents, dividends, pensions, IRA distributions, social security, distributive share of partnership gross income, and alimony if considered gross income under federal law, but not child support.

Examples:

— If you were employed by a company that manufactures computers and received more than 5% of your gross income from the company, list the name of the company, its address, and its principal business activity (computer manufacturing).

— If you were a partner in a law firm and your distributive share of partnership gross income exceeded 5% of your gross income, then list the name of the firm, its address, and its principal business activity (practice of law).

— If you were the sole proprietor of a retail gift business and your gross income from the business exceeded 5% of your total gross income, list the name of the business, its address, and its principal business activity (retail gift sales).

- If you received income from investments in stocks and

bonds, list <u>each individual company</u> from which you derived more than 5% of your gross income. Do not aggregate all of your investment income.

— If more than 5% of your gross income was gain from the sale of property (not just the selling price), list as a source of income the purchaser's name, address, and principal business activity. If the purchaser's identity is unknown, such as where securities listed on an exchange are sold through a brokerage firm, the source of income should be listed as "sale of (name of company) stock," for example.

— If more than 5% of your gross income was in the form of interest from one particular financial institution (aggregating interest from all CD's, accounts, etc., at that institution), list the name of the institution, its address, and its principal business activity.

#### PART B — SECONDARY SOURCES OF INCOME

[Required by s. 112.3145(3)(a)2, F.S.]

This part is intended to require the disclosure of major customers, clients, and other sources of income to businesses in which you own an interest. It is not for reporting income from second jobs. That kind of income should be reported in Part A, "Primary Sources of Income," if it meets the reporting threshold. You will **not** have anything to report **unless** during the disclosure period:

(1) You owned (either directly or indirectly in the form of an equitable or beneficial interest) more than 5% of the total assets or capital stock of a business entity (a corporation, partnership, LLC, limited partnership, proprietorship, joint venture, trust, firm, etc., doing business in Florida); *and*,

(2) You received more than 10% of your gross income from that business entity; *and*,

(3) You received more than \$1,500 in gross income from that business entity.

If your interests and gross income exceeded these thresholds, then for that business entity you must list every source of income to the business entity which exceeded 10% of the business entity's gross income (computed on the basis of the business entity's most recently completed fiscal year), the source's address, and the source's principal business activity.

#### Examples:

— You are the sole proprietor of a dry cleaning business, from which you received more than 10% of your gross income—an amount that was more than \$1,500. If only one customer, a uniform rental company, provided more than 10% of your dry cleaning business, you must list the name of the uniform rental company, its address, and its principal business activity (uniform rentals).

— You are a 20% partner in a partnership that owns a shopping mall and your partnership income exceeded the thresholds listed above. You should list each tenant of the mall that provided more than 10% of the partnership's gross income, and the tenant's address and principal business activity.

#### PART C - REAL PROPERTY

#### [Required by s. 112.3145(3)(a)3, F.S.]

In this part, list the location or description of all real property in Florida in which you owned directly or indirectly at any time during the disclosure period in excess of 5% of the property's value. You are not required to list your residences. You should list any vacation homes, if you derive income from them.

Indirect ownership includes situations where you are a beneficiary of a trust that owns the property, as well as situations where you own more than 5% of a partnership or corporation that owns the property. The value of the property may be determined by the most recently assessed value for tax purposes, in the absence of a more accurate fair market value.

The location or description of the property should be sufficient to enable anyone who looks at the form to identify the property. A street address should be used, if one exists.

#### PART D — INTANGIBLE PERSONAL PROPERTY

#### [Required by s. 112.3145(3)(a)3, F.S.]

Describe any intangible personal property that, at any time during the disclosure period, was worth more than 10% of your total assets, and state the business entity to which the property related. Intangible personal property includes things such as cash on hand, stocks, bonds, certificates of deposit, vehicle leases, interests in businesses, beneficial interests in trusts, money owed you (including, but not limited to, loans made as a candidate to your own campaign), Deferred Retirement Option Program (DROP) accounts, the Florida Prepaid College Plan, and bank accounts in which you have an ownership interest. Intangible personal property also includes investment products held in IRAs, brokerage accounts, and the Florida College Investment Plan. Note that the product contained in a brokerage account, IRA, or the Florida College Investment Plan is your asset-not the account or plan itself. Things like automobiles and houses you own, jewelry, and paintings are not intangible property. Intangibles relating to the same business entity may be aggregated; for example, CD's and savings accounts with the same bank.

Calculations: To determine whether the intangible property exceeds 10% of your total assets, total the fair market value of all of your assets (including real property, intangible property, and tangible personal property such as jewelry, furniture, etc.). When making this calculation, do not subtract any liabilities (debts) that may relate to the property. Multiply the total figure by 10% to arrive at the disclosure threshold. List only the intangibles that exceed this threshold amount. The value of a leased vehicle is the vehicle's present value minus the lease residual (a number which can be found on the lease document). Property that is only jointly owned property should be valued according to the percentage of your joint ownership. Property owned as tenants by the entirety or as joint tenants with right of survivorship, including bank accounts owned in such a manner, should be valued at 100%. None of your calculations or the value of the property have to be disclosed on the form.

Example: You own 50% of the stock of a small corporation that is worth \$100,000, the estimated fair market value of your home and other property (bank accounts, automobile, furniture, etc.) is \$200,000. As your total assets are worth \$250,000, you must disclose intangibles worth over \$25,000. Since the value of the stock exceeds this threshold, you should list "stock" and the name of the corporation. If your accounts with a particular bank exceed \$25,000, you should list "bank accounts" and bank's name.

#### PART E — LIABILITIES

[Required by s. 112.3145(3)(b)4, F.S.]

List the name and address of each creditor to whom you owed any amount that, at any time during the disclosure period, exceeded your net worth. You are not required to list the amount of any debt or your net worth. You do not have to disclose: credit card and retail installment accounts, taxes owed (unless reduced to a judgment), indebtedness on a life insurance policy owed to the company of issuance, or contingent liabilities. A "contingent liability" is one that will become an actual liability only when one or more future events occur or fail to occur, such as where you are liable only as a guarantor, surety, or endorser on a promissory note. If you are a "co-maker" and are jointly liable or jointly and severally liable, it is not a contingent liability.

Calculations: To determine whether the debt exceeds your net worth, total all of your liabilities (including promissory notes, mortgages, credit card debts, judgments against you, etc.). The amount of the liability of a vehicle lease is the sum of any past-due payments and all unpaid prospective lease payments. Subtract the sum total of your liabilities from the value of all your assets as calculated above for Part D. This is your "net worth." List each creditor to whom your debt exceeded this amount unless it is one of the types of indebtedness listed in the paragraph above (credit card and retail installment accounts, etc.). Joint liabilities with others for which you are "jointly and severally liable," meaning that you may be liable for either your part or the whole of the obligation, should be included in your calculations at 100% of the amount owed.

Example: You owe \$15,000 to a bank for student loans, \$5,000 for credit card debts, and \$60,000 (with spouse) to a savings and loan for a home mortgage. Your home (owned by you and your spouse) is worth \$80,000 and your other property is worth \$20,000. Since your net worth is \$20,000 (\$100,000 minus \$80,000), you must report only the name and address of the savings and loan.

#### PART F — INTERESTS IN SPECIFIED BUSINESSES

#### [Required by s. 112.3145(7), F.S.]

The types of businesses covered in this disclosure include: state and federally chartered banks; state and federal savings and loan associations; cemetery companies; insurance companies; mortgage companies; credit unions; small loan companies; alcoholic beverage licensees; pari-mutuel wagering companies, utility companies, entities controlled by the Public Service Commission; and entities granted a franchise to operate by either a city or a county government.

Disclose in this part the fact that you owned during the disclosure period an interest in, or held any of certain positions with, the types of businesses listed above. You are required to make this disclosure if you own or owned (either directly or indirectly in the form of an equitable or beneficial interest) at any time during the disclosure period more than 5% of the total assets or capital stock of one of the types of business entities listed above. You also must complete this part of the form for each of these types of businesses for which you are, or were at any time during the disclosure period, an officer, director, partner, proprietor, or agent (other than a resident agent solely for service of process).

If you have or held such a position or ownership interest in one of these types of businesses, list the name of the business, its address and principal business activity, and the position held with the business (if any). If you own(ed) more than a 5% interest in the business, indicate that fact and describe the nature of your interest.

#### PART G — TRAINING CERTIFICATION

[Required by s. 112.3142, F.S.]

If you are a Constitutional or elected municipal officer, appointed school superintendent, or a commissioner of a community redevelopment agency created under Part III, Chapter 163 whose service began before March 31 of the year for which you are filing, you are required to complete four hours of ethics training which addresses Article II, Section 8 of the Florida Constitution, the Code of Ethics for Public Officers and Employees, and the public records and open meetings laws of the state. You are required to certify on this form that you have taken such training.

- The active ingredient in Top Choice is fipronil, and the fipronil is released into the soil with rainfall or irrigation after application.
- The active ingredient will stay in the soil for continual control for up to one year.
- Fipronil is not a fast acting insecticide and that is the benefit of using it. As fire ants move throughout the treated soil, they come into contact with the active ingredient, exposing themselves to fipronil and carrying it back to the colony without even knowing it.
- Fire ants are social pests and groom one another. When this occurs, the active ingredient is further spread throughout the colony by ingestion and contact.
- As the active ingredient is spread throughout the colony it kills the nests ants, foraging workers and ultimately the Queen(s) eliminating the fire ant colonies.
- The initial control of both foraging ants and the entire colony in the mound may take 4-6 weeks but once it is in the soil the product will remain active for up to one year, preventing new colonies from forming.

## **Terms & Conditions**

**General.** This proposal is subject to change without notice and is automatically withdrawn on the 15<sup>th</sup> day following the date of issue if not accepted in writing and a copy of this proposal returned to **INTEGRITY PRESSURE CLEANING, INC.** ("Contractor"). If Customer cancels this prior to the start of work, Customer is liable for 15% of the total Agreement price as liquidated damages, because Contractor is unable to accurately measure its damages for the cancellation of the Agreement. By executing this Agreement, Customer and Contractor agree that the liquidated damages amount is not a penalty. Contractor reserves the right to withdraw this proposal at any time prior to its acceptance or to cancel this Agreement prior to commencing work if the cost to complete the work varies from the initial standard pricing due to a typographical or mathematical error. As used in this Agreement, (a) the word *"or"* is not exclusive, (b) the word *"including"* is always without limitation, (c) "days" means calendar days and (d) singular words include plural and vice versa.

Access. Customer shall provide Contractor with adequate access to electricity, water and other utilities as needed, the work site, and the work area adjacent to the structure. Customer represents to Contractor that all of the existing surfaces are suitable to receive the cleaning and/or work identified in the scope of work. Customer shall provide Contractor with access to deliver and/or remove materials and debris. Prior to the commencement of work, Customer shall provide Contractor with all information necessary to prepare any necessary permitting. Customer and/or owner shall hold harmless and indemnify Contractor from all damages, liabilities, attorney's fees and other expenses incurred as a result of the Customer and/or Customer's failure to fulfill its obligations under this paragraph.

**Payment Terms.** Contractor reserves the right to require a deposit in excess of 10%, and Customer hereby waives the requirements of Florida Statute 489.123. Customer agrees to pay interest at the rate of 1 1/2 % per month **(ANNUAL PERCENTAGE RATE OF 18%)**, unless otherwise required by law, on the balance of any and all unpaid amounts. Payments received shall be applied first to interest on all outstanding invoices and then to the principal amount of the oldest outstanding invoices. The total Agreement amount, including the charges for changes/extras outside the scope of work identified herein, shall be payable to Contractor in accordance with the Agreement. No portion of the agreed upon payment may be withheld, back charged or used as a setoff of the agreed upon payment amount without the written consent of Contractor. Customer acknowledges and agrees that it has an independent obligation to pay Contractor. If Customer does not make payment, Contractor shall be entitled to recover from Customer all costs of collection incurred by Contractor, including attorney's fees, costs, and expenses incurred whether or not litigation is initiated. Collection matters may be processed through litigation or arbitration at Contractor's sole discretion. If Customer fails to pay Contractor in accordance with this Agreement, then Contractor may, at its sole discretion, suspend performance of all work until full payment is made, and/or terminate this Agreement. If a suspension occurs that is not caused solely by the Contractor, the Agreement sum shall be increased by the amount of contractor's reasonable costs of shut-down delay and start-up. Contractor reserves the right to terminate the Agreement for convenience.

**Site Conditions.** Should the Contractor discover concealed or unknown conditions at the site that vary from those conditions ordinarily encountered and generally recognized as inherent in the work of the character identified in this Agreement, then the Agreement amount shall be equitably adjusted upon notice thereof from the Contractor to the Customer.

**Restrictions and Requirements.** Contractor shall carry worker's compensation, automobile liability, commercial general liability and any other insurance required by law. In the event that state, county, or municipal codes or regulations require work not expressly set forth in this Agreement or that differs materially from that generally recognized as inherent in work of the character provided for in this Agreement, all extra costs for Contractor's labor and materials shall be the sole obligation of the Customer Prior to executing this Agreement, Customer shall notify Contractor in writing of all property and deed restrictions and/or covenants that relate to or restrict the work contemplated under this Agreement. Contractor shall not be responsible for work performed that does not comply with or conform to the property restrictions or covenants. Customer shall pay Contractor for all work performed in violation of any covenant or restriction if Customer failed to notify Contractor in writing prior to executing this Agreement.

**Customer Protection of Property**. Customer shall be solely responsible for any pre-existing damages to curbs, walkways, driveways, structures, HVAC, utility lines, pipes, gutters, landscaping, appurtenances, or other real or personal property at the project location during work. Unless otherwise specified, there is no specific completion date for Contractor's work. Contractor will perform the work within a reasonable time and in a workmanlike manner.

**Choice of Law, Venue and Attorney's Fees.** This Agreement shall be governed by the laws of the State of Florida. Venue of any proceeding arising out of this Agreement shall be **Hillsborough/Manatee County, Florida**. The non-prevailing party in any legal or equitable action arising out of or relating to this Agreement including arbitration, administrative, appellate and/or bankruptcy proceedings shall reimburse the prevailing party on demand for all attorney's fees, costs, and expenses incurred by the prevailing party in connection with the action.

Jury Trial Waiver. In the event there is litigation over the enforcement of a collection matter or construction lien, the parties KNOWINGLY, VOLUNTARILY, IRREVOCABLY AND INTENTIONALLY WAIVE THE RIGHT TO A TRIAL BY JURY IN RESPECT TO ANY LITIGATION ARISING OUT OF OR PERTAINING TO THE AGREEMENT, OR ANY COURSE OF CONDUCT, COURSE OF DEALINGS, STATEMENTS (WHETHER VERBAL OR WRITTEN) OR ACTIONS OF ANY PERSON OR PARTY RELATED TO THIS AGREEMENT; THIS IRREVOCABLE WAIVER OF THE RIGHT TO A JURY TRIAL BEING A MATERIAL INDUCEMENT FOR THE PARTIES TO ENTER INTO THIS AGREEMENT.

**Damage Limitation.** Customer understands that the services contemplated under this Agreement involve pressure washing and other actions that may cause physical alteration to the site. Customer understands and accepts the risks inherent in the actions used to provide the services and holds Company harmless for any damages resulting from spraying of water or bleach onto areas requested to be cleaned by Customer. Customer also understands and accepts that performance of the work is no guarantee of the removal of stains, mold, mildew or other issues associated with the site and Contractor is in no way liable for any pre-existing conditions that are unable to be cleaned. In no event, whether based on contract, warranty (express or implied), tort, federal or state statute or otherwise arising from or relating to the work and services performed under the Agreement, shall Contractor be liable for special, consequential, punitive, or indirect damages, including loss of use or loss of profits.

Warranties. Unless otherwise provided: THERE ARE NO EXPRESS OR IMPLIED WARRANTIES WHATSOEVER INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. The sole warranty associated with the work will be issued by Roof-A-Cide US, Inc. or one of its affiliates or subsidiaries. This warranty is not issued by Contractor and any claim under the warranty must be made directly to Roof-A-Cide US, Inc. under the terms of the warranty.

**Claims.** It is Customer's duty to notify Contractor in writing within **three (3)** days of the occurrence of any claim, defect or deficiency arising out of work, services or materials provided by Contractor under this Agreement ("Occurrence"). Failure of the Customer to provide written notice of the Occurrence shall result in the Customer waiving all claims that may be brought against Contractor arising out of or relating to the Occurrence, including claims arising in law, equity, contract, warranty (express or implied), tort or federal or state statutory claims.

Acts of God. Contractor shall not be responsible for loss, damage or delay caused by circumstances beyond its reasonable control, including but not limited to acts of God, weather, accidents, fire, vandalism, federal, state or local law, regulation or order; strikes, jurisdictional disputes, failure or delay of transportation, shortage of or inability to obtain materials, equipment or labor; changes in the work and delays caused by others. In the event of these occurrences, Contractor's time for performance under this proposal shall be extended for a time sufficient to permit completion of the Work.

**Customer Delay**. The Parties agree that the Contractor should be permitted to execute its work without interruption. If Contractor's work is delayed at any time by any act or neglect of Customer and/or Customer's representatives, employees, agents, guests, or invitees, or any other contractor employed by the Customer, or by any changes ordered in the work, then Contractor shall be reimbursed or paid for all additional costs or damages incurred as a result. This shall include damages related to lost use of equipment caused by the delay.

Working Hours. The proposal is based upon the performance of all work during Contractor's regular working hours, excluding weekends and National holidays. Extra charges will be made for overtime and all work performed other than during Contractor's regular working hours if required by Customer.

**Notification.** Customer shall be responsible for notifying its residents of any work performed by Contractor. Customer shall be liable for any delay in work resulting from a resident obstructing or delaying the work.

**Construction and Interpretation**. Each provision of the Agreement shall be construed as if both parties mutually drafted this Agreement. If a provision of this Agreement (or the application of it) is held by a court or arbitrator to be invalid or unenforceable, that provision will be deemed separable from the remaining provisions of the Agreement, will be reformed/enforced to the extent that it is valid and enforceable, and will not affect the validity or interpretation of the other provisions or the application of that provision to a person or circumstance to which it is valid and enforceable. Headings are for convenience only and do not affect interpretation. This Agreement records the entire agreement of the parties and supersedes any previous or contemporaneous agreement, understanding, or representation, oral or written, by the parties. All documents/exhibits referred to in this Agreement are an integral part of the Agreement and are incorporated by reference. This Agreement incorporates the documents entitled "Proposal/Contract," "Statutory Warnings," and "Work Authorization" (if applicable), as well as any other document signed by both parties as part of this Agreement. Customer represents that it has read and fully understood the Contract Documents, or has had an opportunity to consult with counsel, prior to executing this Agreement. In the event of a conflict between this Agreement and any other Contract Document, the order of precedence is Work Authorization (to the extent it exists) followed by these terms and conditions.

# Note: Signing this proposal indicates the proposed scope and any sketch outlines above have been reviewed thoroughly. Any additional scope will require an additional cost. This contract may be withdrawn if not accepted in 90 days.
