

Congratulations on the purchase of your new home!

From all of us here at DPGF, we extend a warm greeting and happily welcome you to the Epperson Ranch community. Included in this welcome packet is a bit of information that we hope will help you along the way as you settle into your new community. Please do not hesitate to contact us if you have any questions, comments, concerns, or even if you just want to say hi!

Community Development District (“CDD”) Overview

A Community Development District, commonly referred to as CDD, is a governmental unit created to serve the long-term specific needs of its community. Created pursuant to Chapter 190 of the Florida Statutes, a CDD's main powers are to plan, finance, construct, operate and maintain community-wide infrastructure and services specifically for the benefit of its residents. The Epperson Ranch CDD is organized similar to other local governments in Florida, in that the legislative body is composed of a five-member board known as the Board of Supervisors. The Board establishes the policy of the District in accordance with Florida law.

More information about the CDD and the Epperson Ranch community can be found on the Epperson Ranch CDD website – www.eppersonranchcdd.org.

District Management

The Board, by law, must hire a District Administrator and a District Counsel. Staff members operate utilizing the same formalities as a County Administrator and a County Attorney. The Board, through review of advertised Requests for Qualifications, ranks and selects a District Engineer to perform the engineering needs of the District. District Administration staff and the District Attorney administer the operations of the District and implement the Board's policies and contracts.

The district office is located in New Tampa on the first floor of the Regus building at 15310 Amberly Drive, Suite 175, Tampa, Florida 33647. The office is open Monday through Friday from 9:00 a.m. until 3:00 p.m. and closes for lunch daily from 12:00 p.m. until 1:00 p.m. The amenities department is closed on Monday and Wednesday to accommodate administrative and Board requests.

Amenity Access & Device Registration

Residents of the community have the option of accessing the community using a gate transmitter or a four-digit access pin. The gate transmitter and four-digit access code MUST be registered with the CDD before they can be used to gain access to the community. The registration paperwork that is required to request access to the community is on the last page of this welcome packet. More information about the amenities, including the instructions on how to register for access to the amenities, can be found on the Amenities webpage of the Epperson Ranch CDD website.

_____	_____	<input type="checkbox"/> Owner <input type="checkbox"/> Renter
_____	_____	<input type="checkbox"/> Owner <input type="checkbox"/> Renter

Gate Access via Numerical Keypad

To unlock the entrance gate using your 4-digit pin, press “#” followed by the 4-digit pin on the keypad.

Gate Access via Telephone Directory

Instruct your guest to find your name in the directory by scrolling through the list using the “A” and “Z” buttons. Push the “CALL” button and wait for the system to dial. Upon answering, press and hold the number “9” on your phone's keypad before ending the call to open the gate.

Pedestrian Gate Access

To enter the pedestrian gates located on either side of the main entrance gate, hold your pedestrian gate access card in front of the card reader; open the gate immediately as the gate only releases for a short time.

Return the completed form and verification documents to the Epperson Ranch CDD Amenity Manager via email to amenitymanager@dpg.com OR via mail to: **Epperson Ranch CDD Amenity Manager**, c/o DPGF Management & Consulting LLC, 15310 Amberly Drive, Suite 175, Tampa, Florida 33647.

Acceptable documents include:

Proof of ID: Valid driver’s license, state issued photo ID, military ID
Proof of Residency: Closing document, current utility bill, deed
