

Congratulations on the purchase of your new home!

From all of us here at DPGF, we extend a warm greeting and happily welcome you to the Park Creek community. Included in this welcome packet is a bit of information that we hope will help you along the way as you settle into your new community. Please do not hesitate to contact us if you have any questions, comments, concerns, or even if you just want to say hi!

Community Development District (“CDD”) Overview

A Community Development District, commonly referred to as CDD, is a governmental unit created to serve the long-term specific needs of its community. Created pursuant to Chapter 190 of the Florida Statutes, a CDD's main powers are to plan, finance, construct, operate and maintain community-wide infrastructure and services specifically for the benefit of its residents. The Park Creek CDD is organized similar to other local governments in Florida, in that the legislative body is composed of a five-member board known as the Board of Supervisors. The Board establishes the policy of the District in accordance with Florida law.

More information about the CDD and the Park Creek community can be found on the Park Creek CDD website – www.parkcreekcdd.org.

District Management

The Board, by law, must hire a District Administrator and a District Counsel. Staff members operate utilizing the same formalities as a County Administrator and a County Attorney. The Board, through review of advertised Requests for Qualifications, ranks and selects a District Engineer to perform the engineering needs of the District. District Administration staff and the District Attorney administer the operations of the District and implement the Board's policies and contracts.

The district office is located in New Tampa on the first floor of the Regus building at 15310 Amberly Drive, Suite 175, Tampa, Florida 33647. The office is open Monday through Friday from 9:00 a.m. until 3:00 p.m. and closes for lunch daily from 12:00 p.m. until 1:00 p.m. The amenities department is closed on Monday and Wednesday to accommodate administrative and Board requests.

Amenity Access & Pin Registration

Residents of the community can access the amenities using a four-digit access pin. The four-digit access pin **MUST** be registered with the CDD before they can be used to gain access to the community. The registration paperwork that is required to request access to the community is on the last page of this welcome packet. More information about the amenities, including the instructions on how to register for access to the amenities, can be found on the Amenities webpage of the Park Creek CDD website.
