Pursuant to Chapter 190, Florida Statutes, and after a community development district ("**District**") has been established and the landowners have held their initial election, there shall be subsequent landowners' meeting for the purpose of electing members of the Board of Supervisors of the District ("**Board**") every 2 years until the District qualifies to have its board members elected by the qualified electors of the District. The following instructions on how all landowners may participate in the election are intended to comply with Section 190.006(2)(b), Florida Statutes.

A landowner within the District may vote in person at the landowners' meeting or the landowner may nominate a proxy holder to vote at the meeting in place of the landowner. Whether in person or by proxy, each landowner shall be entitled to cast 1 vote per acre of land owned by him or her and located within the District, for each seat on the Board that is open for election for the upcoming term. A fraction of an acre shall be treated as 1 acre, entitling the landowner to 1 vote with respect thereto. Please note that a particular parcel of real property is entitled to only 1 vote for each eligible acre of land or fraction thereof; therefore, 2 or more people who own real property in common, that is 1 acre or less, are together entitled to only 1 vote for that real property. Platted lots shall be counted individually and entitled to 1 vote. The acreage of platted lots shall not be aggregated for determining the number of voting units held by a landowner or a landowner's proxy.

At the landowners' meeting, the first step is to elect a chair for the meeting, who may be any person present at the meeting. The landowners shall also elect a secretary for the meeting who may be any person present at the meeting. The secretary shall be responsible for the minutes of the meeting. The chair shall conduct the nominations and the voting. If the chair is a landowner or proxy holder of a landowner, he or she may nominate candidates and make and second motions. Candidates must be nominated and then shall be elected by a vote of the landowners.

This year, 1 seat on the Board will be up for election by landowners. The candidate receiving the highest number of votes will receive a 4-year term. The term of office for each successful candidate shall commence upon election.

A proxy is available upon request. To be valid, each proxy must be signed by 1 of the legal owners of the property for which the vote is cast and must contain the typed or printed name of the individual who signed the proxy; the street address, legal description of the property, or tax parcel identification number; and the number of authorized votes. If the proxy authorizes more than 1 vote, each property must be listed and the number of acres of each property must be included. The signature on a proxy does not need to be notarized. Electronic signatures are not accepted because the integrity and security control processes required by Sections 668.001-.006, Florida Statutes are not feasible for the District at this time.
