AMENITY UPDATES

Management Report- August 2026

We had a food truck here on 8/21. and I am working on having 2 during the month of September.

Bland Landscaping;

Has completed the irrigation at the corner of Dovetail and Parkland Trail.

Mulch installation TBD. Awaiting a schedule date from the supplier

The front entrance of the Amenity Center. Was completed on 9/15.

Fall Seasonal Annuals at the front gate. Scheduled for the week of 9/21.

Palm tree trimming. Awaiting board approval.

Charles Aquatics (TIGRIS);

Are continuing the remediation treatment for the underlying issues of pond 3. And keeping a closer eye on our other ponds.

The ponds were last stocked with Triploid Carp in October of 2024. They are recommending we restock again this fall. With the majority going into pond 3 where there is a problem with Hydrilla.

Crown Pools;

Has completed the paver repairs.

Quote for sanding and sealing the pool deck received.

We have also received a quote to repair the pump return valve which has corroded.

Projects;

Power washing of the CDD sidewalks has been completed.

Awaiting start date for DirtWorks to repair the damage on Parkland Trail outside the Amenity Center.

All Weather has repaired the stucco siding on the west side of the building.

Grover Electric has installed 3 double duplex outlets in the Amenity room.

We have begun looking into additional seating for the Amenity room. Currently we have 32 folding chairs, and 16 armed chairs. To bring the total number of chairs to 90 we would need to order 42 additional folding chairs. We would also need 11 additional folding tables if we want seating for 90.

Folding chairs run \$35-\$45 on average. (Amazon 4/pk 137.00)

Folding chair dolly \$140-\$160 on Amazon.

Folding tables (solid top) \$66. from Church Chairs 4 Less

Folding table dolly \$140 on Amazon

Another option would be to replace the current chairs in the room altogether. With stacking chairs and tables. Similar to these shown.

Chairs average \$65.

A chair dolly runs \$130.

Tables run 6 for \$640.

Bike racks

Black painted metal bike rack runs around \$150 - \$250 depending on size

Recycled plastic bike racks run \$600 - \$800

HOMEOWNER CONCERNS

Numerous homeowners have expressed concern regarding the trash along the road leading to the community. I have told them that I go out at least once a week to pick up any trash. I have also told them this has been going on long before the new construction began.

22 *The following is a summary of the discussions and actions taken at the August 24, 2026 Parkland Preserve*
23 *CDD Board of Supervisors Regular Meeting. Audio for this meeting is available upon public records*
24 *request.*

25 **SECOND ORDER OF BUSINESS – Pledge of Allegiance**

26 Mr. Myslicki led all in attendance in the Pledge of Allegiance.

27 **THIRD ORDER OF BUSINESS – Audience Comments –** *(limited to 3 minutes per individual for agenda*
28 *items)*

29 Prior to opening the floor to audience comments, Mr. Myslicki apologized to the Board for a
30 comment he had made at the previous meeting that he stated had been inappropriate.

31 There were no comments from any audience members.

32 **FOURTH ORDER OF BUSINESS – Staff Reports – Questions from Board Members Only**

33 A. District Counsel

34 Mr. Davenport stated that his firm had been on a call earlier in the day with Kimley Horn discussing
35 coordination for the meeting with Junior Davis, noting that arrangements had been made for all of
36 Junior Davis's subcontractors and both geotechnical firms

37 B. District Engineer

38 Mr. Reuther stated that he had been in talks with representatives from Dirt Works, and that exact
39 dates with repairs would be provided by August 26. Mr. Reuther also noted that the crack at the
40 stop sign that the Board had reported was significant and reached lime rock depth, and that he had
41 sent photographs of the gouge to Dirt Works. Mr. Reuther noted that it needed to be determined

whether there was an underlying issue where the lime rock itself was settling, as this may result in more significant repair costs beyond a simple asphalt repair. Mr. Reuther recommended authorizing an amount not to exceed \$5,000 for Dirt Works to repair the asphalt during their site visit and investigation in the event that this was determined to be the full extent of the problem.

On a MOTION by Mr. Vicich, SECONDED by Ms. Inman, WITH ALL IN FAVOR, the Board approved authorizing Dirt Works to perform asphalt repairs, in an amount not to exceed \$5,000.00, for the Parkland Preserve Community Development District.

Following the motion, Mr. Reuther discussed the tract of land that Pulte had planned on dedicating to the CDD, noting that while the developer had indicated that they were open to making this a conservation easement, they still needed confirmation from the County that this would be accepted. Mr. Reuther suggested that the county planning staff may accept a letter outlining that the CDD would accept a conservation easement rather than a land donation, but noted concerns that the County might require additional steps such as an adjustment to zoning which the developer would not be amenable to. Ms. Harden stated that she could draft a letter to Pulte outlining the CDD's preferences and send it to Counsel for review.

Mr. Reuther noted that his firm had received a resident complaint about ponds appearing yellow, and advised that from an engineering perspective the ponds were functioning normal so he had no additional comment.

C. District Manager

FIFTH ORDER OF BUSINESS – Vendor Reports – Questions from Board Members Only

A. Exhibit 2: Vesta Property Services Amenity Manager Report (*revised 8/18*)

Mr. Thomas stated that he was in the process of setting up two food trucks for September, and that the turnout on August 21 appeared to have been good enough to justify the purchase of a sign to indicate when food trucks were present.

Mr. Thomas also noted that Bland Landscaping had been finishing up revising the irrigation on Dovetail and Parkland Trail. The Board and Mr. Thomas discussed mulch installation proposals and timing, with comments heard from the Board regarding having a refresh in the spring season.

- Exhibit 3: Presentation of Proposals for New Amenity Center Outlets

1. Grover Electrical – 3 Double Duplex Outlets and Circuits in Multi-Purpose Room - \$3,014.00 without tax

Mr. Thomas noted that this quote had been solicited by Mr. Dickinson, and was for a total of 12 outlets. Mr. Dickinson provided some background on the acquisition of the proposal and noted his issues with missing detail with the competing proposal. Mr. Thomas acknowledged that some details still needed to be worked out with Grover Electrical's methodology for running wires through or working with a separate subpanel. Suggestions were heard from the Board to establish Mr. Thomas as a project manager to oversee the work.

On a MOTION by Mr. Dickinson, SECONDED by Ms. Olson, WITH ALL IN FAVOR, the Board approved the Grover Electrical proposal for installing new Amenity Center power outlets, as presented, in the amount of \$3,014.00, for the Parkland Preserve Community Development District.

2. Beaches Electrical – 2 Circuits 4 Outlets - \$4,100.00 (*submitted in March*)

Mr. Thomas noted a report from a resident regarding the front door not locking properly, and explained that both the top and bottom of the door needed to be secured in order for the maglock to work properly. Some comments were made regarding acquiring a proposal to restock ponds with fish.

The Board opted to proceed with meetings every month, with the exception of November and December's meeting being consolidated into one December 7 meeting date.

On a MOTION by Ms. Inman, SECONDED by Mr. Vicich, WITH ALL IN FAVOR, the Board adopted **Resolution 2026-11**, Adopting the FY 2027 Meeting Schedule, as amended, for the Parkland Preserve Community Development District.

B. Exhibit 9: Consideration & Approval of Bland Landscaping Entrance Perennial Plantings Proposal - \$700.00

126 and confirm the selections..

127 On a MOTION by Ms. Inman, SECONDED by Mr. Vicich, WITH ALL IN FAVOR, the Board approved

135 **EIGHTH ORDER OF BUSINESS – Discussion Topics**

136 There being none, the next item followed.

137 **NINTH ORDER OF BUSINESS – Supervisors Requests**

138 Mr. Myslicki requested pricing for additional chairs and tables for the Amenity Center, as well as
139 a storage cart. Mr. Myslicki suggested that acquiring 36 folding chairs and 4 six-foot folding tables
140 would help to accommodate parties and events, adding that he had concerns about patio furniture
141 getting wear and tear from being brought in and out of the facility repeatedly with current setups.
142 Discussion ensued regarding the 90-person maximum capacity of the space and recent peaks for
143 event attendance, as well as storage space considerations for the extra furniture. Ms. Harden
144 suggested that she could look into quotes for storage sheds.

145 Ms. Olson noted requests from residents for a bike rack, which Ms. Harden stated she would gather
146 quotes for. Ms. Olson suggested for rack sizing to accommodate around 10 bicycles. Ms. Olson
147 additionally referenced previous comments from a resident that had raised concerns about the legal
148 contract, noting that she planned on discussing some of these issues with District Counsel. Ms.
149 Olson also requested for tables to not be placed in front of the doors as they had been at a recent
150 HOA function, as this was a fire code violation.

151 Ms. Inman commented on cash entry and prize thresholds for bingo and poker, suggesting that
152 clarity and guidance on what was allowed would be helpful for organizers. Mr. Davenport stated
153 that he would look into the relevant gaming legislation for resident-organized events, adding that
154 cash prizes were not allowed for specifically District-hosted or conducted events. Ms. Inman also
155 inquired about redesignating the slate of officers, asking that the Board consider doing this
156 regularly. Mr. Davenport advised that the slate of officers could be redesignated at any point in
157 time at any meeting, and comments were heard expressing interest in continuing to rotate officers
158 on an annual basis after the adoption of each fiscal year budget.

159 On a MOTION by Ms. Olson, SECONDED by Ms. Inman, with Ms. Olson, Ms. Inman, Mr. Vicich, and
160 Mr. Dickinson voting “AYE”, and Mr. Myslicki voting “NAY”, the Board approved appointing Mr. Vicich

Following the motion, Mr. Davenport stated that the remaining Supervisors would be designated as Assistant Secretaries, and that a Resolution to designate these officers should be drafted for final adoption at the next meeting for the record.

TENTH ORDER OF BUSINESS – Audience Comments For Non-Agenda Items – (limited to 3 minutes per individual)

An audience member stated that she had prepaid her CDD bond in March, and requested documented confirmation that the lien was released. Ms. Harden asked for the resident’s contact information to discuss with her following the meeting.

TWELFTH ORDER OF BUSINESS – Next Meeting Quorum Check: September 28, 2026 at 4:30 p.m.

All Board members stated that they would be present in person at the next meeting, which would constitute a quorum.

PLANTING WARRANTY

One Year Warranty - Bland Landscaping Company (Bland) warrants that all plants are as specified, healthy and true to name. On current accounts, Bland will replace, once without charge, any tree, shrub,

or vine that dies within 12 months of the date of installation. Replacements are limited to plants installed by Bland. All claims for loss must be reported within the warranty period. This warranty will be in effect subject to the following conditions:

1. Sod will carry a 90-day warranty in properly irrigated areas, provided areas grassed are neither eroded, washed away, nor damaged by others. Newly seeded areas are guaranteed to germinate at a rate of 75% or better within 45 days, provided that watering requirements are met and areas seeded are neither eroded, washed away, nor damaged by others.
2. Though we can provide treatment for turf diseases, Bland is not responsible for the effect of disease problems (brown patch, etc.).
3. Perennials and groundcovers carry a 90-day guarantee. Annuals are not guaranteed.
4. Bland is not responsible for losses due to acts of God (high wind, hurricane, abnormal cold weather, etc.), neglect, domesticated or non-domesticated animal damage, insects, vandalism or malicious damage, on-site construction damage caused by others, or any other cause beyond Bland's control.
5. Bland will take every precaution and will use proper horticultural techniques to move transplanted materials; however, transplanted material carries no warranty.
6. Approved losses will be replaced at the appropriate time of year, at the original contracted size. Replacements will generally be installed from September through December or April through May because of milder weather during that time.
7. Delinquent payments void the warranty.

1. Payment is due within 30 days of invoicing date. Invoicing will occur upon completion of project.
2. If the work should exceed this estimate you will be notified in advance prior to commencement of additional work.
3. Bland Landscaping Co. Inc. agrees to provide liability insurance and worker's compensation insurance for its employees during the performance of this project.
4. Work will be scheduled in the earliest and most efficient manner possible given our existing schedule at the time of acceptance of this proposal.
5. Past due accounts will be charged 18% interest per year until paid in full.
6. Pricing good for 90 days.
