District Board of Supervisors	Mike Lawson Doug Draper Lori Price Ted Sanders	Chairman Vice Chairman Assistant Secretary Assistant Secretary
District Manager	Paul Cusmano	DPFG
District Attorney	Vivek Babbar	Straley, Robin & Vericker
District Engineer	Tonja Stewart	Stantec Consulting Services, Inc.

**All cellular phones and pagers must be turned off during the meeting.
The District Agenda is comprised of seven different sections:**

The first section which is called **Audience Questions and Comments on Agenda Items**. The Audience Comment portion of the agenda is where individuals may comment on matters that concern the District. Each individual is limited to three (3) minutes for such comment. The Board of Supervisors or Staff is not obligated to provide a response until sufficient time for research or action is warranted. **IF THE COMMENT CONCERNS A MAINTENANCE RELATED ITEM, THE ITEM WILL NEED TO BE ADDRESSED BY THE DISTRICT MANAGER OUTSIDE THE CONTEXT OF THIS MEETING.** The second section is called **District Counsel and District Engineer Reports**. This section allows the District Engineer, and Attorney to update the Board of Supervisors on any pending issues that are being researched for Board action. The third section is the **Landscaping and Ponds** section and contains items that often require District Engineer, Operations Manager, and Landscape Contractor to discuss and update the Board. The fourth section is the **Business Administration** section and contains items that require the review and approval of the District Board of Supervisors as a normal course of business. The fifth section is called **Business Items**. The business items section contains items for approval by the District Board of Supervisors that may require discussion, motion and votes on an item-by-item basis. Occasionally, certain items for decision within this section are required by Florida Statute to be held as a Public Hearing. During the Public Hearing portion of the agenda item, each member of the public will be permitted to provide one comment on the issue, prior to the Board of Supervisors' discussion, motion and vote. Agendas can be reviewed by contacting the Manager's office at (813) 374-9105 at least seven days in advance of the scheduled meeting. Requests to place items on the agenda must be submitted in writing with an explanation to the District Manager at least fourteen (14) days prior to the date of the meeting. The sixth section is called **Staff Reports**. This section allows the District Manager and Maintenance Supervisor to update the Board of Supervisors on any pending issues that are being researched for Board action. The seventh section which is called **Audience Comments on Other Items** provides members of the Audience the opportunity to comment on matters of concern to them that were not addressed during the meeting. The same guidelines used during the first audience comment section will apply here as well. The final section is called **Supervisor Requests**. This is the section in which the Supervisors may request Staff to prepare certain items in an effort to meet residential needs.

Public workshops sessions may be advertised and held in an effort to provide informational services. These sessions allow staff or consultants to discuss a policy or business matter in a more informal manner and allow for lengthy presentations prior to scheduling the item for approval. Typically no motions or votes are made during these sessions.

Pursuant to provisions of the Americans with Disabilities Act, any person requiring special accommodations to participate in this meeting is asked to advise the District Office at (813) 374-9105, at least 48 hours before the meeting. If you are hearing or speech impaired, please contact the Florida Relay Service at 1 (800) 955-8770, who can aid you in contacting the District Office.

Any person who decides to appeal any decision made by the Board with respect to any matter considered at the meeting is advised that this same person will need a record of the proceedings and that accordingly, the person may need to ensure that a verbatim record of the proceedings is made, including the testimony and evidence upon which the appeal is to be based.

WHEREAS, the District is located in Hillsborough County, Florida (“**County**”); and

WHEREAS, the District owns and operates various infrastructure improvements and provides certain services in accordance with Chapter 190, Florida Statutes; and

WHEREAS, the Board of Supervisors (“**Board**”) of the District hereby determines to undertake various operations and maintenance activities described in the District’s budget for fiscal year 2018/2019 (“**Budget**”), attached hereto as **Exhibit “A”** and incorporated as a material part of this Resolution by this reference; and

WHEREAS, the District must obtain sufficient funds to provide for the operation and maintenance services and facilities provided by the District as described in the District’s Budget; and

WHEREAS, the provision of such services, facilities, and operations is a benefit to lands within the District; and

WHEREAS, Chapter 190, Florida Statutes, provides that the District may impose special assessments on benefitted lands within the District; and

WHEREAS, Chapter 197, Florida Statutes, provides a mechanism pursuant to which such special assessments may be placed on the County Tax Roll and collected by the County Tax Collector (“**Uniform Method**”); and

WHEREAS, the District has, by resolution and public notice, previously evidenced its intention to utilize the Uniform Method; and

WHEREAS, the District has approved an agreement with the Hillsborough County Property Appraiser (“**Property Appraiser**”) and Hillsborough County Tax Collector (“**Tax Collector**”) to provide for the collection of special assessments under the Uniform Method; and

WHEREAS, it is in the best interests of the District to proceed with the imposition of the special assessments on all assessable lands for operations and maintenance in the amount contained in the Budget; and

WHEREAS, the District desires to levy and collect special assessments reflecting each parcel's portion of the District's Budget; and

WHEREAS, it is in the best interests of the District to adopt the Assessment Roll of the District ("**Assessment Roll**") attached to this Resolution as **Exhibit "B"** and incorporated as a material part of this Resolution by this reference, and to certify a portion of the Assessment Roll on the parcels designated in **Exhibit "B"** to the Tax Collector pursuant to the Uniform Method and to directly collect a portion of the assessments on the parcels designated in **Exhibit "B"** through the direct collection method pursuant to Chapter 190, Florida Statutes; and

WHEREAS, it is in the best interests of the District to permit the District Manager to amend the Assessment Roll adopted herein, including that portion certified to the Tax Collector by this Resolution, as the Property Appraiser updates the property roll, for such time as authorized by Florida law.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE SOUTHSHORE BAY COMMUNITY DEVELOPMENT DISTRICT:

SECTION 1. BENEFIT. The provision of the services, facilities and operations as described in **Exhibit "A"** confer a special and peculiar benefit to the lands within the District, which benefits exceed or equal the costs of the assessments. The allocation of the costs to the specially benefited lands is shown in **Exhibits "A" and "B"**.

SECTION 2. ASSESSMENT IMPOSITION. Pursuant to Chapter 190 of the Florida Statutes, and using procedures authorized by Florida law for the levy and collection of special assessments, a special assessment for operations and maintenance is hereby imposed and levied on benefited lands within the District in accordance with **Exhibits "A" and "B"**. The lien of the special assessments for operations and maintenance imposed and levied by this Resolution shall be effective upon passage of this Resolution.

SECTION 3. COLLECTION AND DUE DATE.

A. Uniform Method Assessments. The collection of the previously levied debt service assessments and operation and maintenance special assessments on a portion of the platted lots and developed lands shall be at the same time and in the same manner as County taxes in accordance with the Uniform Method, as set forth in **Exhibits "A" and "B."**

B. Direct Bill Assessments. The annual installment for the previously levied debt service assessments, and the annual operations and maintenance assessments, on a portion of the undeveloped and unplatted lands will be collected directly by the District in accordance with Florida law, as set forth in **Exhibits "A" and "B."** Assessments directly collected by the

District are due in full on December 1, 2018; provided, however, that, to the extent permitted by law, the assessments due may be paid in several partial, deferred payments and according to the following schedule: 50% due no later than December 1, 2018, 25% due no later than February 1, 2019 and 25% due no later than May 1, 2019. In the event that an assessment payment is not made in accordance with the schedule stated above, the whole assessment – including any remaining partial, deferred payments for Fiscal Year 2018/2019, as well as any future installments of special assessments securing debt service – shall immediately become due and payable; shall accrue interest, penalties in the amount of one percent (1%) per month, and all costs of collection and enforcement; and shall either be enforced pursuant to a foreclosure action, or, at the District’s sole discretion, collected pursuant to the Uniform Method on a future tax bill, which amount may include penalties, interest, and costs of collection and enforcement. Any prejudgment interest on delinquent assessments shall accrue at the applicable rate of any bonds or other debt instruments secured by the special assessments, or, in the case of operations and maintenance assessments, at the applicable statutory prejudgment interest rate. In the event an assessment subject to direct collection by the District shall be delinquent, the District Manager and District Counsel, without further authorization by the Board, may initiate foreclosure proceedings pursuant to Chapter 170 of the Florida Statutes or other applicable law to collect and enforce the whole assessment, as set forth herein.

C. Future Collection Methods. The decision to collect special assessments by any particular method – e.g., on the tax roll or by direct bill – does not mean that such method will be used to collect special assessments in future years, and the District reserves the right in its sole discretion to select collection methods in any given year, regardless of past practices. The District certifies all assessments for debt service and operations and maintenance for collection pursuant to Chapters 190 and 197, Florida Statutes. All assessments collected by the Tax Collector shall be due and payable as provided in Chapter 197, Florida Statutes.

SECTION 4. ASSESSMENT ROLL. The District's Assessment Roll, attached to this Resolution as **Exhibit “B”**, is hereby certified and adopted.

After any amendment of the Assessment Roll, the District Manager shall file the updates to the tax roll in the District records.
