- Your Technology Professionals -
Sales, Training, & Support

Hi Oakcreek CDD,

Complete I.T. has worked with small businesses, CDD's & HOA's, all the way up to Fortune 500 companies. No job is too big or too small. Complete I.T. Specialty Electrical License ES12001800.

Complete I.T. uses high quality products for one reason—quality makes a happy customer. We understand how inferior products, that may cost less in the beginning, can cost you much more in the end. Products chosen by Complete I.T. are often of superior craftsmanship and practical pricing than competitors.

All products sold by Complete I.T. hold a minimum 1-year manufacturer warranty. You as the client never have to worry about the warranties. If a product fails within a specified warranty period,

Complete I.T. can take care of the exchange or replacement. By allowing Complete I.T. to take care of your technology solutions, you can tend to what you do best, your company.

Networks Infrastructure (Wi-Fi)

Security. Access. Backbone. Up-time.

Complete I.T. designs, installs, and manages efficient network backbones. Whether you are a one-man show, or an fortune 500 company, your employees and clients deserve easy accessibility and a impeccable up-time.

Camera Systems (CCTV)

Up To 4K Resolution. Night Vision. Digital. PTZ.

Our digital solutions will capture video at your office, allowing you to review footage from any computer or mobile device with an internet connection. Crisp clear video, with audio capture being optional. Large assortment of cameras for any project. Local and cloud recording available.

Access Control Systems (ACS)

Cloud Based. Secure. Affordable. Easy To Use.

Have you pondered what would happen if the computer or server running your access control system crashed? By going with our Cloud solution, you won't have too. No large up-front software licensing fees.

State of Current Camera Installation:

- District is using residential cameras for commercial use.
- Camera in rear of pool are held together with electrical tape. All wiring is exposed. Relied on the pool WiFi rather than a dedicated point to point wireless bridge system.
- PTZ viewing the playground is attached to a tree with zipties with wires exposed
- POE injector next to the pool equipment for a point to point wireless unit is unplugged and laying on the ground exposed. Wire from this POE injector to the wireless unit uses exposed ethernet cable. Small amount is ok, but this is the entire cable.
- Frontier fiber for internet ISP that enters the location is 1ft away from the aluminum fence next to pool equipment. Fiber connector is exposed. Weave sheathing for fiber is fraying. Fiber connector is exposed to the elements and can be easily disconnected rendering any security system disabled.
- Ethernet cable that was installed at the location is exposed and not installed in conduit. Ethernet cable ran along the roof is ziptied together below the soffit, to the soffit. Ethernet cable going leading down the building is ziptied to water PVC pipe.
- Black ethernet cable leading from the building to the dog park camera is laying on top of the rock, soil, and mulch. No attempt to hide the wire or shield it from the elements. If it were direct burial, it should still be below top soil.

Worry-Free Cloud Video Surveillance for Your Business

Make your business more efficient and the world a safer place – all on the only video management platform robust and flexible enough to power the future of video surveillance.

Eagle Eye Cloud Video Management System

CAMERA COMPATIBILITY

Use existing cameras or purchase from hundreds of the world's leading camera manufacturers, as Eagle Eye allows for the greatest choice and flexibility of any system on the market.

TRUE CLOUD

Benefit from easily deployed cloud technology that provides you with infinite scalability, flexibility, accessibility, and reliability.

CYBER SECURE

Protect your data with a system built by experts in cybersecurity who know how to prevent, detect, and respond to attacks, so you don't have to.

OPEN PLATFORM

Integrate seamlessly with other mission-critical applications, such as access control, smart sensors, and point-of-sale.

AI & ANALYTICS

Move beyond monitoring by leveraging data to identify threats; inform responses; and improve business operations, efficiency, and service.

THE EAGLE EYE CLOUD VMS

Smart Video Surveillance

Smart, Simple, Secure Cloud Video Surveillance for Your Business

Your security system should not only protect your people and property, it should also provide insight to help your business grow and thrive. It's Eagle Eye Networks mission to help you do just that.

We're leaders in delivering the power, flexibility, and cost-savings of cloud technology to the video surveillance market, helping you improve operations and enhance customer service, all while keeping an eye on what truly matters.

Whether you run a small business, global enterprise, or something in-between, you need a video solution capable of adapting to your needs – today and tomorrow. The Eagle Eye Cloud Video Management System (VMS) simplifies video surveillance through the flexibility of cloud paired with the convenience of easy, affordable installation and remote management.

The Eagle Eye Cloud VMS Equips You With:

True Cloud Technology

With a true cloud video solution, the video is processed and managed in the cloud, which offers users countless benefits.

- Scalability, so the system easily grows with your business
- Flexibility, enabling you to use the cameras and cabling in which you've already invested
- Accessibility, meaning you can view video from anywhere, on any device
- Reliability, regardless of your bandwidth limitations

Ease of Use

Eagle Eye provides easy installation, simple setup, an attractive and intuitive interface, central management, multisite viewing, on-the-fly camera sharing, storage retention flexibility, and much more.

Cybersecurity

The Eagle Eye VMS is built and maintained by cybersecurity experts who are laser-focused on protecting the confidentiality, integrity, and availability of your systems and the valuable data they contain.

Among other leading cybersecurity best practices, the Eagle Eye VMS offers secure encryption to buffered and locally-recorded video, constant monitoring against potential cyber threats, no vulnerable open ports or onsite firewalls, no onsite software to patch, triple redundant video storage, and two-factor authentication.

Open Platform

Closed systems can be problematic and costly to upgrade or add new technologies. Eagle Eye's open architecture gives you the power to choose from unlimited integrations, giving you the freedom to add new applications as your business needs evolve, ultimately increasing the value of your system. Easily integrate access control, point-of-sale, and license plate recognition to name just a few, for a single view of your operations.

Our open API platform offers:

- Greater customization
- Lower total cost of ownership (with no vendor lock-in and no additional licensing fees)
- Stronger cybersecurity
- A future-proofed investment (allowing you to incorporate tools for future needs)
- Speed to market (applications can be built in hours, not months, and updated in minutes, not weeks)

Artificial Intelligence and Analytics

Create long-term strategies based on the insights gained from your video analytics. For example, easily determine the number of people entering and exiting your property at any given time. Monitoring customer traffic flow and patterns is crucial to operations and marketing, allowing for better planning around staffing, floor displays, and store layouts.

Video analytics also provide insight into employee behaviors, ensuring procedures are being properly followed, customer interactions are positive, and training is appropriate and effective.

FAQ Sheet – Nighttime Monitoring

1. Detection

Q

What happens when a person is detected after hours?

A

When a human presence is detected after hours, our monitoring team immediately reviews the camera footage to verify activity.

2. Response

Q

2. What is the first response?

A

If the activity is confirmed, we issue a live audio call-down through the camera system, instructing the individual to leave the property.

3. Escalation

Q

3. What happens if the person does not leave?

A

If the individual remains on site:

- A second call-down is issued 2–5 minutes later, again instructing them to leave.
- If necessary, a third call-down is issued another 2–5 minutes later.

4. Contacted

Q

Who is contacted next if the person still does not leave?

A

If the individual continues to remain on site, we follow your custom call tree, contacting one or more of the following (as designated by your district or property):

- On-site manager
- CDD manager
- Board member
- Patrol

5. Dispatch

Q

How is law enforcement involvement handled?

A

Once a designated contact is reached:

- Permission is granted or declined to contact law enforcement.
- If your district prefers to skip the call-tree step and proceed directly to law enforcement, we can configure the service accordingly.

Nighttime Monitoring

6. Cancellation

Q What if the trespasser leaves before police arrive?

A If law enforcement has been dispatched but the individual leaves the property prior to their arrival, we will cancel the law enforcement call whenever possible.

7. Report

Q Will we receive a report of the incident?

A Yes. A detailed incident report will be available the following day via:

- The web portal, and/or
- Email notification

The report includes:

- Time and date of the incident
- Actions taken
- Captured images of the trespasser, when available

8. Customization

Q Can this process be customized?

A Absolutely. Call-down timing, escalation steps, contact lists, and law enforcement procedures are fully customizable to meet your district's policies and preferences.

Our camera monitoring process is designed to protect your property with care, consistency, and accountability. Each alert is reviewed by trained monitoring personnel to ensure accurate assessment before any action is taken, minimizing false alarms while maintaining a rapid response to real activity. Escalation steps are followed deliberately and in accordance with your customized protocols, ensuring that communication, notifications, and law enforcement involvement are handled responsibly and only when necessary. This approach provides effective security coverage while respecting your property, staff, and community.

New Project Scope by Complete I.T.

- Removal of old cameras and ethernet cables. Replace all ethernet cables and install appropriately to the building and in conduit if outside.
- Installation of 3 AXIS PA loudspeakers for the basketball/playground, pool deck, and rear pavilions. This will allow onsite manager and after hours nighttime monitor to talk to individual areas instead of blasting one single message to the entire area.
- Installation of 11 cameras, 5 of which will be monitored at night. 11 cameras include 3 180 degree cameras for the dog park and parking lot. 8 cameras will be turret cameras with special night time starlight sensor. Even with zero light, the camera can still see due to the image sensor size.
 - We may want to add one additional camera in the rear of the pool facing the front, but we can ask for that approval at a later time.
 - Due to kids jumping over the rear fence gate, the camera will be mounted to the office building, and pointed toward the gate and the two pavilions. This area will have its own dedicated PA intercom loudspeaker.
 - The basketball court and playground will each have a dedicated camera and one PA intercom loudspeaker. These will be mounted to a black aluminum pole that we will trench to from the main building. We will also add another camera that will face the basketball gate and parking lot.
 - The playground gate will have a dedicated camera mounted from the main building.
 - Parking lot will have a 180 degree camera to grab a large portion of the parking lot. Dog area will have 2 separate 180 degree cameras. Due to it being a 180 degree camera, the edges of the camera feed will be slightly distorted, but we have had great success.
 - The pool deck will have one camera for the pool deck, and one for the front gate. it will also have its own dedicated PA intercom loudspeaker.
 - Lastly the pool equipment is VERY EXPENSIVE, we always install a camera dedicated to the pool equipment in case of vandalism or in case of equipment malfunction.
- Managers office will have a dedicated point to point installed from the main building to the office. The office will have its own secured WiFi and the pool WiFi will be upgraded as well.

Clubhouse Camera Proposal

- District would have direct access to the camera system without requiring special software for computers.
- Cameras will be monitored by Complete I.T.

Payment and Service Agreement Terms

1. Project-Based Services & Payment Terms

Before initiating any requested service on a project basis, Vendor shall provide a written proposal outlining the scope of work and associated fees. While an estimated completion timeframe may be included, it is not guaranteed and may be omitted depending on the nature of the project. The Customer agrees to remit a non-refundable deposit equal to 50% of the total proposed cost prior to the commencement of any work. Once the 50% deposit is received, the Vendor will order all required products and add the project to the schedule. The Vendor will then begin work on the requested service. The Customer acknowledges that some equipment may be subject to shipping delays, and the Vendor is not responsible for delays caused by product availability or delivery timelines. The remaining 50% balance is due within fourteen (14) calendar days of project completion.

2. Estimated Timeline for Completion

While most services are typically completed within thirty (30) calendar days from the time the Vendor begins the project, the Customer acknowledges that completion times may vary due to factors beyond the Vendor's control. The estimated timeline, if provided, is only a guideline and not a guaranteed deadline. If the Customer requests a postponement or causes a delay in the progress of the work, such request must be made in writing. In the event that the Customer delay exceeds fifteen (15) calendar days, the Vendor may invoice for all services rendered and materials purchased up to that date. The Customer agrees to pay the invoiced amount within fifteen (15) calendar days of receipt. Additional charges may apply for delays initiated by the Customer.

3. Price Adjustments

Vendor reserves the right to adjust project or service pricing in the event of changes in manufacturer licensing fees or other direct vendor-related costs. The Customer will be notified of any such adjustments prior to being invoiced for the remaining balance.

4. Non-Payment & Late Fees

Failure to make timely payments constitutes a material breach of this Agreement. A monthly service charge of 1.5%, or the highest amount allowed under Florida law, will be applied to any past due balances. Payments will be applied to the oldest outstanding invoices unless otherwise specified. The Customer is responsible for all costs associated with collection, including attorney's fees.

5. Service Contract Duration & Termination

This agreement is for a 12-month term, beginning on the 1st day of the month in which the equipment is installed. The contract automatically renews annually unless terminated with a 60-day written notice prior to the renewal date.

6. Supplemental & Emergency Services

Supplemental services include, but are not limited to, on-site visits, remote support (via phone, email, or screen sharing), travel time, and meetings (in-person or virtual). These services will be billed separately from standard project or service fees. Support requests submitted outside of standard business hours or on holidays will be billed at 1.5 times the normal technician labor rate with a 2-hour minimum, plus travel. Emergency service will be clearly labeled on both the support ticket and final invoice.

7. Technician Time Rates

- Standard Business Hours: \$165/hour (2-hour minimum, plus travel)
- Emergency Hours (After-Hours, Holidays, Urgent Support): \$247.50/hour (2-hour minimum, plus travel)

8. Support Request Methods

Customers may submit support requests by:

- Calling (813) 444-4355
- Emailing support@completeit.io

Support requests made outside of these methods (e.g., text, voicemail, social media) may result in delayed response times from the Complete I.T. support team.

9. Refund Policy

Vendor maintains a strict NO REFUNDS policy on deposits, project totals, or any monetary exchanges related to services rendered or contracted.

10. Manufacturer Warranties & Exclusions

Any manufacturer warranties associated with equipment or products provided by the Vendor are limited to the terms and conditions set forth by the respective manufacturer. The Vendor does not offer any separate or extended warranty beyond what is provided by the manufacturer. Manufacturer warranties do not cover damage resulting from misuse, abuse, negligence, vandalism, theft, power surges, acts of God (including but not limited to lightning, flood, fire, or storm), or improper installation or handling by parties other than the Vendor or its authorized agents. The Customer acknowledges that any such damages are not covered under warranty and may require additional service, replacement, and/or labor at the Customer's expense.

Payment Terms for Residential Projects:

Some projects may not require a deposit due to the size of the project. Unless otherwise stated, the following will be the terms:

- Check, ACH payment, or Credit Cards are accepted. Credit Cards will have a 3.7% processing fee added
- 20% Deposit required prior to commencement of services. (if project size requires one)
- Balance for services rendered is due immediately upon completion.
- No payment after 30 days after job completion will result in interest accrual at 1.5% per month or 18% per annum
- Note: All work will be completed in a workmanlike manner according to standard practices. Any alteration or deviation from specifications involving extra costs will become an extra charge over and above the estimate.
- *Special pricing notes: If the color selected is much lighter or deeper than the existing color then the customer is responsible for the cost difference if more coats of paint are required due to color change.*

A. Project Specifications:

Exterior Projects

- Unless otherwise specified, our exterior painting quotes include: the body of the structure, soffit, fascia, electric, cable boxes and trim bands.
- Windows and doors will be masked off with plastic.
- Pressure washing is water only, no solutions to be used. Bleach solution to be used only if necessary and nearby plants will be covered, protected, and thoroughly flushed with water during the process
- Stucco cracks are patched with an elastomeric patching compound to prevent future water penetration.
- Ceiling corners, trim corners, around water faucets, door frames and window frames are caulked.
- The finish coat to the walls and trim are applied by spraying, spraying and back rolling, brushing, or any combination of these techniques, as deemed necessary by Presto Painting Services. Back rolling is the only way to evenly apply paint by getting inside the nooks and crannies that a sprayer cannot reach. Metal soffits under the eaves are sprayed, not brushed or rolled, to prevent clogging.
- All rusted areas will be cleaned and treated with a rust inhibitor, primed and painted. Rust is a re-occurring problem, although we have a proven treatment, we cannot guarantee rust re-occurrence.

Interior Projects

- Presto Painting crews, where applicable, will cover and protect all flooring and cabinetry/woodwork.
- Ceiling lights will be pulled down, as long as they are easily accessible and can be removed without causing damage, to ensure complete painting of ceiling surfaces.
- Electrical outlet covers will be removed.
- All new trim to be caulked and filled prior to paint.
- All new drywall to be primed prior to painting.
- All new drywall that is primed will need to be marked for defects to be fixed prior to painting of walls.

B. Site Preparation by Customer:

Exterior Projects

- Back patios, porches, lanais, etc. will need to be clear of furniture and items for them to be painted.
- Cars will need to be removed from driveways
- Customer to provide access to a water source for pressure washing. If one can't be provided, a change order may be added to include a water buffalo/water tank at the cost of the customer.
- All areas to be painted must be paint ready and free of dust, dirt, or other contaminants that may cause paint failure (adhesion etc.)
- Additional charges will be applied if Presto Painting must clean these areas prior to painting or a trip charge may be applied until the areas are made paint ready.

Interior Projects

The Customer is responsible to remove:

- All small items and breakables.
- Most projects will not require hardware (doorknobs, A/C vents etc.) to be removed for the painting process but if the owner requests this, additional charges will be applied for contractor to remove hardware.
- All areas to be painted must be paint ready and free of dust, dirt, or other contaminants that may cause paint failure (adhesion etc.) This includes drywall dust on new drywall.
- Additional charges will be applied if Presto Painting must clean these areas prior to painting or a trip charge may be applied until the areas are made paint ready.
- The owner is responsible for removing and reinstalling window treatments such as blinds, curtains; wall art, mounted T.V., appliances (washers, dryers, refrigerators etc.) and anything else that can prevent the crews from performing their tasks. *Presto Painting, as a courtesy, will move these items upon request but in no way will be held liable for any damages if any parts break or problems occur.*

C. Other Project Notes:

- All services not listed and/or that are hidden at the time of this estimate shall be billed at \$45 per hour.
- Team leaders will be at location at all times to answer any questions. Project Manager will be on site throughout the project.
- Presto Painting crews, where applicable, will cover and protect all flooring and furniture. Some furniture and larger items may need to be moved. Electrical outlet covers will be removed.
- ***Removal of Multiple Paint Layers (Peeling Paint):*** If a large amount of scraping is needed to be done during the preparation process, the area will most likely not have a smooth look after the painting process is completed. When multiple layers of paint (peeling paint) are removed, the final finished product will not be smooth due to the missing layers of paint. Any restoration to make areas look smooth need to be agreed upon and added to the proposal. If there is an excessive amount of scraping needed, a change order will be submitted to the customer for the additional fees. As part of the preparation process light to medium strength pressure washing is included, paint removal is not included in this proposal.

D. Color and Paint Information:

- Color consultant available to help with shade selections, and provide sample sheets
- Color visualizer tool will be available for before/after depictions to help with decisions.
- *If the color selected by Customer is significantly lighter or deeper than the existing color, then Customer is responsible for the cost (materials and labor) of additional coats deemed by Presto as necessary*
- If ordering sample selections, please be sure to select a Sherwin Williams color. Pricing is based on Sherwin Williams unless otherwise stated in the proposal above.
- We do not cross-match Benjamin Moore or other paint brands to Sherwin-Williams due to the high likelihood of color variation and imperfect results.

- Please order sample sheets at Samplize.com or similar companies or apply sample paint to sample boards/construction paper vs directly to wall. For needed assistance on colors please contact any of our team members.
- If a wet sample is required for the exterior, a charge of \$45 per hour plus the cost of sample materials will apply. This will be billed through a change order.

E. Warranty Information:

- Presto does NOT provide warranty of any kind that is NOT expressly stated in this Proposal, and all warranties are void if Customer fails to make payment as agreed.
- Presto’s rust treatment is a preventative treatment and not permanent. Areas treated for rust are not covered under the warranty.
- Presto provides a three (3) year comprehensive warranty that workmanship will be free from defects beginning on the completion date of the project (“Warranty Period”). For any warranty claim, Presto shall repair, repaint and/or touch up any areas where paint is peeled, blistered, or failed due to workmanship and/or where visible surface imperfections arise due to application errors. This warranty shall not apply to normal fading due to normal sunlight or other environmental factors). If an underlying coat of paint is improperly prepped or latex was applied over oil-based paint, there is a chance of future peeling and Presto Painting will not be responsible if this occurs.

Legal Descriptions

1. SCOPE OF WORK

Specific services to be performed under this Agreement are described in a “Residential Painting Proposal” (the “Proposal”) which is attached to this Agreement as an Exhibit, and each “Proposal” executed by Customer is expressly incorporated and made part of this Agreement. The scope of work for this Agreement, as described in each Proposal, shall include Presto’s residentially reasonable efforts in the selection and management of sub-contractors, provision of all tools, equipment, labor and professional services, as well as administrative services to perform the scope of work in accordance with state and local permit, licensure, and relevant professional guidelines. Presto shall only provide the materials stated in the Proposal, if any.

Presto reserves the right to suspend its services if Customer fails to make payment as described in the Proposal. *In the event that any collection action is required to collect unpaid balances due, Customer expressly agrees to reimburse Presto for any and all out-of-pocket costs of collection, including reasonable attorneys’ fees.* For any amount more than thirty (30) days past due, Presto shall assess a late fee of five percent (5%) of the unpaid balance for each month of non-payment.

2. **LIEN RIGHTS:**

ACCORDING TO FLORIDA'S CONSTRUCTION LIEN LAW (SECTIONS 713.001-713.37, FLORIDA STATUTES), THOSE WHO WORK ON YOUR PROPERTY OR PROVIDE MATERIALS AND SERVICES AND ARE NOT PAID IN FULL HAVE A RIGHT TO ENFORCE THEIR CLAIM FOR PAYMENT AGAINST YOUR PROPERTY. THIS CLAIM IS KNOWN AS A CONSTRUCTION LIEN. IF YOUR CONTRACTOR OR A SUBCONTRACTOR FAILS TO PAY SUBCONTRACTORS, SUB-SUBCONTRACTORS, OR MATERIAL SUPPLIERS, THOSE PEOPLE WHO ARE OWED MONEY MAY LOOK TO YOUR PROPERTY FOR PAYMENT, EVEN IF YOU HAVE ALREADY PAID YOUR CONTRACTOR IN FULL. IF YOU FAIL TO PAY YOUR CONTRACTOR, YOUR CONTRACTOR MAY ALSO HAVE A LIEN ON YOUR PROPERTY. THIS MEANS IF A LIEN IS FILED YOUR PROPERTY COULD BE SOLD AGAINST YOUR WILL TO PAY FOR LABOR, MATERIALS, OR OTHER SERVICES THAT YOUR CONTRACTOR OR A SUBCONTRACTOR MAY HAVE FAILED TO PAY. TO PROTECT YOURSELF, YOU SHOULD STIPULATE IN THIS CONTRACT THAT BEFORE ANY PAYMENT IS MADE, YOUR CONTRACTOR IS REQUIRED TO PROVIDE YOU WITH A WRITTEN RELEASE OF LIEN FROM ANY PERSON OR COMPANY THAT HAS PROVIDED TO YOU A "NOTICE TO OWNER." FLORIDA'S CONSTRUCTION LIEN LAW IS COMPLEX, AND IT IS RECOMMENDED THAT YOU CONSULT AN ATTORNEY.

See § 713.015, Florida Statutes.

3. **COST OF SERVICES:**

The attached Proposal contains the estimated cost for the scope of work to be completed. Customer agrees to reimburse and/or pay Presto for the fees and costs as stated in the attached Proposal. Customer agrees, acknowledges and warrants that Customer has reviewed the Proposal prior to executing this Agreement. Although Presto will make every attempt to work with Customer to facilitate timely payment of funds and payment of all invoices due and owing, *Customer is solely responsible for timely payment pursuant to the deadline described in the Proposal.* **All payments are non-refundable.**

If any additional work is requested pursuant the Change Order policy below, or if Customer requests any work that is not described in or contemplated by the Proposal, Presto shall invoice Customer for such work. Presto will make reasonable efforts to notify Customer in advance of the cost of any out-of-scope work. *However, Presto shall have the authority but not the obligation to perform out of scope work, with or without notice to Customer, if Presto determines that such out of scope work is required to prevent damage and/or harm to Customer's premise or to protect personnel working on the job site.*

Presto shall have the right to withhold work until such time that payment is received. Presto shall enforce all liens in accordance with § 713.015, Florida Statutes. In addition, Presto shall charge a late fee of five percent (5%) of any unpaid balance for any amount remaining due after thirty (30) days.

4. **INDEPENDENT CONTRACTOR**

Neither Presto nor any employee or sub-contractor of Presto shall be deemed an employee or agent of Customer for any purpose. This Agreement shall not create a joint venture, partnership, or principal-agent relationship between the parties; and neither party by virtue of this Agreement shall have any right, power, or authority to act or create any obligation, expressed or implied, on behalf of the other party, unless expressly granted pursuant to the terms of this Agreement. This Agreement shall not be construed as creating any rights, expressed or implied for the benefit of any parties other than Presto and Customer, and neither party shall be obligated, separately or jointly to any third parties by virtue of this Agreement.

5. CUSTOMER OBLIGATIONS

By signing below, Customer agrees, warrants, and guarantees that he/she is the legal owner of the property named above or, that Customer is expressly authorized to act as an agent of the person or entity having ownership of the property named above, and authorized to enter into this Agreement. Upon Presto's request, Customer shall execute a Power of Attorney confirming that he/she is the legal agent of Customer.

Customer shall have the obligation to

- a. Inspect completed work within three (3) business days of Presto request,
- b. Make payment to Presto as described in the Proposal,
- c. Make all decisions relating to the scope of work and/or changes to the scope,
- d. Ensure that all "site preparation" requests are completed prior to Presto's services.

By signing below, Customer understands, agrees and acknowledges that Presto's ability to perform its services under this Agreement is contingent upon Customer's participation which must include, but is not limited to scheduling meetings with Presto from time to time to discuss the status of the project. Customer must permit the above "Agent for Customer" to make decisions binding on Customer related to needs of the painting project and make such decisions within a reasonable time of Presto's request.

If Customer fails to make inspection within three (3) business days of Presto's request, then such inspection shall be deemed waived, and Customer shall hold Presto harmless for any resulting and/or related damages of any kind. Customer agrees and warrants that Customer has property insurance, including but not limited to, liability, fire and flood insurance, and shall provide a certificate of coverage to Presto upon request.

Customer expressly agrees to permit Presto to photograph Customer's property and to use such photographs in Prestos' marketing efforts at Presto's sole discretion.

6. CHANGE ORDERS AND INSPECTION

Customer agrees, acknowledges and understands that all change orders, including paint color modifications or additions to the scope or work must be signed and approved by both parties in advance. Presto Painting reserves the right to cease all work until any and all Change Orders have been signed by the Customer. *Customer agrees and acknowledges that only Ron Silverman is authorized to agree to changes on behalf of Presto Painting.*

Other than scheduled inspections during the course of Presto Painting's work at designated times, Customer expressly agrees that it will not allow other third parties to interfere in any way with Presto Painting's work and/or with Presto Painting's workers and/or sub-contractors. All workers and sub-contractors are under Presto Painting's sole supervision and instruction.

Customer agrees to participate in an inspection to ensure that the project has been completed as agreed in writing between the parties within seven (7) days of Presto Painting request. The Customer is entitled to inspect each completed area prior to payment. However, if the Customer does not respond to the initial notice for inspection issued by Presto Painting, the Customer will have waived its right for inspection, and all deadlines shall proceed as indicated in this agreement. Presto Painting shall not be responsible for any delay caused by Customer's delay and/or failure to make such an inspection.

7. TERMINATION

The parties shall have the right to early termination of this Agreement under the following circumstances:

- a. Termination for Default: If either party breaches any term or condition of this Agreement, including but not limited to non-payment of any amount due, and if the other party provides written notice of the breach, and if that breach is not cured within seven (7) days, then this Agreement shall terminate automatically without further notice.
- b. Termination for Convenience: Either party may terminate this Agreement for any reason with thirty (30) days prior written notice. The termination shall then be effective on the date provided in the notice, with the exception that Presto Painting will complete services on any building or structure in progress. Presto Painting warrants that it shall not leave any building partially completed. Upon such termination for convenience, Customer shall have the obligation to pay Presto Painting for all work performed for Customer up until the date of termination.
- c. Immediate Termination: Presto Painting shall have an immediate right to terminate this Agreement without notice upon any of the following:
 1. If Customer is subject to a petition for relief under the Bankruptcy Act;
 2. If Presto Painting learns that this Agreement was not authorized by Customer's governing authority and/or owners;
 3. If Presto Painting determines that Customer has engaged in activity in the presence of its staff that may be interpreted as follows: indecent or obscene, threatening or abusive; discriminatory and/or disrespect to Presto Painting staff members;
 4. If worksite conditions prevent Presto Painting from performing services as agreed;
 5. If worksite conditions present an unsafe environment for Presto Painting staff.

8. NOTICE OF CLAIM AND RECOVERY FUND

ANY CLAIMS FOR CONSTRUCTION DEFECTS ARE SUBJECT TO THE NOTICE AND CURE PROVISIONS OF CHAPTER 558, FLORIDA STATUTES.

CHAPTER 558, FLORIDA STATUTES, CONTAINS IMPORTANT REQUIREMENTS YOU MUST FOLLOW BEFORE YOU MAY BRING ANY LEGAL ACTION FOR AN ALLEGED CONSTRUCTION DEFECT. SIXTY DAYS BEFORE YOU BRING ANY LEGAL ACTION, YOU MUST DELIVER TO THE OTHER PARTY TO THIS CONTRACT A WRITTEN NOTICE, REFERRING TO CHAPTER 558, OF ANY CONSTRUCTION CONDITIONS YOU ALLEGE ARE DEFECTIVE AND PROVIDE SUCH PERSON THE OPPORTUNITY TO INSPECT THE ALLEGED CONSTRUCTION DEFECTS AND TO CONSIDER MAKING AN OFFER TO REPAIR OR PAY FOR THE ALLEGED CONSTRUCTION DEFECTS. YOU ARE NOT OBLIGATED TO ACCEPT ANY OFFER WHICH MAY BE MADE. THERE ARE STRICT DEADLINES AND PROCEDURES UNDER THIS FLORIDA LAW WHICH MUST BE MET AND FOLLOWED TO PROTECT YOUR INTERESTS.

NOTICE OF FLORIDA HOMEOWNERS' CONSTRUCTION RECOVERY FUND

PAYMENT MAY BE AVAILABLE FROM THE FLORIDA HOMEOWNERS' CONSTRUCTION RECOVERY FUND IF YOU LOSE MONEY ON A PROJECT PERFORMED UNDER CONTRACT, WHERE THE LOSS RESULTS FROM SPECIFIED VIOLATIONS OF FLORIDA LAW BY A LICENSED CONTRATOR. FOR INFORMATION ABOUT THE RECOVERY FUND AND FILING A CLAIM, CONTACT THE FLORIDA CONSTRUCTION INDUSTRY LICENSING BOARD AT THE FOLLOWING ADDRESS: FLORIDA HOMEOWNERS' CONSTRUCTION RECOVERY FUND, 1940 N. MONROE ST., TALLAHASSEE, FL 32399, (850) 921-6593.

9. INDEMNIFICATION AND LIABILITY

Customer agrees, acknowledges and understands that the provisions of this section apply to Presto and Customer's officers, agents, contractors, employees, all related entities, and successors and assigns. Customer agrees to indemnify, release and hold Presto harmless from and against any and all losses, claims, damages, liabilities, costs and expenses, including, reasonable attorneys' fees and costs, relating to or arising out of the following:

- A. Delays and/or damages resulting from Customer's waiver of an inspection,
- B. Delays and/or damages resulting from acts or omissions of third-party sub-contractors, including, but not limited to, negligence;
- C. Unforeseeable delays and/or damages of any kind related to utilities;
- D. Delays and/or damages caused by strikes, labor or material shortages, disaster and/or weather, building moratoriums or any other cause beyond control of Presto;
- E. Delays and/or damages caused by Customer's failure to make payment;
- F. Delays and/or damages related to Customer's failure to comply with "site preparation"
- G. Disputes relating to the "Warranty of Authority" below.

Under no circumstances shall Presto be liable for any incidental, special, punitive, or consequential damages arising out of, or in connection with this Agreement, or otherwise, under any legal theory, including without limitation liability for loss of use, income, profit, financing, business and reputation, whether or not advised of the possibility of such damages. This waiver shall survive after Presto completes work and/or after termination of this Agreement.

If Presto's services are affected by severe weather or unforeseen events, Presto will make every effort to make adjustments that will minimize the impact to Customer, however, by signing below, Customer agrees that Presto shall NOT be liable for delay in performance or our failure to perform due to severe weather conditions, or any other event or circumstance beyond the control of Presto.

If a Court finds that Presto is liable to Customer in any way, Presto's entire liability to Customer shall be limited to the amount paid by Customer to Presto under this Agreement, if any. Under no circumstances shall Presto be liable for any incidental, special, punitive, or consequential damages arising out of, or in connection with this Agreement, or otherwise, under any legal theory, whether or not advised of the possibility of such damages.

10. NON-SOLICITATION OF SUB-CONTRACTORS:

Customer agrees that during the term of this Agreement and/or until such time that Customer has performed all obligations under this Agreement, including but not limited to, payment of all fees and costs due as described above, Customer shall not solicit for hire, directly or indirectly, any employee and/or sub-contractor of Presto, and/or call upon, solicit, divert or attempt to take away either for Customer or any other person or entity related to Customer, without the prior written consent of Presto.

11. GOVERNING LAW AND ARBITRATION POLICY.

This Agreement is governed by Florida law and may be canceled within 3 days without penalty. Any dispute or claim arising out of this Agreement that exceeds \$8,000.00, shall be submitted exclusively to binding arbitration before a mutually selected

neutral arbitrator in Hillsborough County. The arbitrator will have authority to grant remedies available in a court of law (and no more) and be bound by the Florida rules of evidence. The arbitrator will resolve the dispute solely upon the law applicable to the claims and have the authority to grant summary disposition or disposition on the pleadings. The decision or award of the arbitrator will be final and binding upon the parties. *If either party seeks enforcement of this Agreement, including enforcement of this paragraph then the prevailing party shall be entitled to recover its attorney's fees and costs.*

12. MISCELLANEOUS PROVISIONS.

- A. *Non-Waiver:* Presto's failure to enforce all or any part of this Agreement shall not be considered as ongoing, and/or a waiver of any other right or future right of enforcement.
- B. *Warranty of Authority:* Customer's representative signing below represents, warrants, and asserts that: a) he/she has the complete power and authority to enter into this Agreement on behalf of Customer; b) entry into this Agreement has been duly authorized by all necessary corporate and/or board of directors actions and approvals; and c) the undersigned representative will indemnify and hold Presto Painting harmless from and against any and all damages, including all attorneys' fees and costs incurred, if Customer alleges that it did not authorize this Agreement.
- C. *Entire Agreement:* This Agreement, and each Residential Painting Proposal, comprises the entire understanding between the parties and supersedes all earlier agreements. Any modification is not valid unless written and signed by both parties.

Customer may cancel this Agreement within three (3) business days from the date executed in writing sent via email to the assigned project estimator and/or management. However, Customer shall be responsible for all material costs and labor incurred by Presto prior to termination.

Signature below indicates acceptance of all services and terms outlined above. Thank you and we look forward to the opportunity to work with you.

Details:SCOPE OF WORK – CONCRETE ACCESS RAMP

Project Description:

Construct a reinforced concrete access ramp connecting the existing sidewalk to the elevated shed, designed for durability, safety, and proper drainage.

Ramp Dimensions & Layout:

- Ramp to be constructed approximately 6 feet wide x 16 feet long
- Slope to be consistent and uniform to allow safe pedestrian access.
- Ramp will tie cleanly into existing sidewalk and shed elevation.

Site Preparation:

- Excavate and sub-grade as required to achieve proper slope and compaction.
- Remove loose or unsuitable material.
- Install and compact fill material as necessary to provide a stable base.
- Sub-grade to be compacted to industry standard to prevent settlement.

Form-work:

- Install cinder block to required dimensions and elevations.
- Forms to be securely staked and braced to maintain alignment during concrete placement.

Reinforcement:

- Use of additional material as required to reinforce edges.
- Install reinforcing steel properly tied and supported.
- Concrete to be reinforced with fiber mesh throughout the slab for crack control.
- Reinforcement placement to meet standard concrete construction practices.

Concrete Placement & Finish:

- Place ready-mix concrete of appropriate strength for exterior pedestrian use.
- Concrete to be poured, consolidated, and finished in one continuous operation.
- Surface finish to be a broom finish to provide slip resistance.
- Edges to be tooled smooth for a clean, professional appearance.

Curing & Protection:

- Concrete to be properly cured to ensure strength and durability.
- Ramp to be protected from foot traffic during initial cure period.

Air filters and the annual maintenance kit are the only parts included in this maintenance plan. Any service calls for aeration repairs outside of this agreement will be invoiced separately at time and materials, with a two-hour minimum charge. Blue Water Aquatics does not assume responsibility for parts failure; however, we will assist the customer to the best of our ability in filing warranty claims.

Customers are aware that weather conditions such as, but not limited to, rain, lightning and wind may cause a delay in service. In which case, Blue Water Aquatics will perform the service as soon as

reasonably possible. Depending on the length and severity of weather conditions, it may take Blue Water Aquatics varying amounts of time to fulfill all work covered under this Agreement.

Third Party Fees: Customer agrees to reimburse Blue Water Aquatics for all processing fees for registering with third party companies for compliance monitoring services and/or invoicing portals.

Payment of Services: Customer agrees to pay Blue Water Aquatics within thirty (30) days of invoice for work performed. *Accepted forms of payments are Cash, Check, Money Order, Zelle, ACH or Credit Card (credit card payments will incur a 3.5% credit card fee for every credit card transaction).* Any account over thirty (30) days past due is subject to suspension of future work under this Agreement. The Customer is responsible for all money owed on the account from the time it was established to the time Blue Water Aquatics receives a written notice of termination of services under the terms of this Agreement. If the account of Customer is not fully paid within sixty (60) days after the date of any invoice for work performed pursuant to this Agreement, Customer will be charged interest at the rate of one and one-half percent (1 ½%) per month until the account is fully paid.

In the event that Blue Water Aquatics shall institute any collection proceedings against Customer with respect to its delinquent account, then Customer agrees to pay to Blue Water Aquatics on demand, an amount which is equal to all costs, charges and expenses paid or incurred by Blue Water Aquatics in pursuing such collection, including, without limitation, all reasonable attorney's fees, court costs and other litigation expenses in connection therewith.

Early Termination: Either party shall have the right to terminate this Agreement with thirty (30) days' written notice.

Insurance: Blue Water Aquatics will maintain the following insurance coverage: Workers' Compensation, General Liability, Automotive Liability and Property and Casualty. A Certificate of Insurance will be provided upon request. A Certificate of Insurance naming the Customer as "Additional Insured" may be provided upon Customer request, with Customer agreeing to pay for any additional costs associated with such request.

Automatic Renewal: This agreement will automatically renew yearly, on the anniversary date, unless terminated by either party with thirty (30) days written notice.

Written Notice: All written notices under the terms of this Agreement shall be sent Certified U.S. Mail, Return Receipt Requested, to the principal place of business of the party being noticed (as indicated herein above).

In the event that Blue Water Aquatics shall institute any collection proceedings against Customer with respect to its delinquent account, then Customer agrees to pay to Blue Water Aquatics on demand, an amount which is equal to all costs, charges and expenses paid or incurred by Blue Water Aquatics in pursuing such collection, including, without limitation, all reasonable attorney's fees, court costs and other litigation expenses in connection therewith.

Disclaimer: While Blue Water Aquatics makes every effort to thoroughly inspect the site before providing this contract proposal or beginning any work, it is possible, without fault or negligence, that unforeseen circumstances may arise, or that hidden conditions on the site might be found during the performance of the contract work. Such conditions may result in additional time or material costs that exceed this contract price. Should this occur, the Customer will be notified of these unforeseen circumstances or conditions and what the anticipated costs may be.

By signing this Agreement, the Customer acknowledges that they have informed Blue Water Aquatics of all known and relevant current site conditions that would be reasonable to successfully complete the contracted work. (Possible conditions may include site access, site parking, staging areas, fencing, obstructions or gate codes)

AERATION MAPPING SERVICE THE RIGHT SYSTEM FOR THE PERFECT POND!

LET A CERTIFIED AIRMAX INSTALLER DESIGN THE RIGHT SYSTEM FOR YOUR POND OR LAKE!

Selecting the right system as well as determining the proper placement of the diffusers is vital to ensuring you are circulating and aerating your pond or lake effectively. Incorrectly placing diffusers or using an under-sized unit, limits the overall effectiveness of an aeration system. The Airmax Assist™ mapping service ends the guesswork. When a Certified Installer uses Airmax's proprietary software to map your pond or lake, not only will the installer stand behind the installation but Airmax will guarantee the results!

HERE IS HOW TO GET YOUR LAYOUT:

Visit www.airmaxeco.com/airmax-assist and complete a short survey. Airmax will run this information along with input from your local Certified Installer through the Airmax Assist proprietary software to create a complete pond profile, detailed aeration placement map and a management plan.
