

Talavera Covid-19 - Amenities update:

We are pleased to announce that we will be opening up the Clubhouse Pool and Tennis court on Sat, June 6th, 2020. During Phase 1 of our re-opening, the basketball court, playground and splash pad will remain closed until further notice. Following CDC and Pasco County Health guidelines, we will be conducting online reservations for the scheduling of pool times and court play time. Throughout this time, we will also be operating at a 40% capacity (45 people max.) to be inside the pool area per time slot. We appreciate your patience during this time as the safety of residents is the most important.
