General Updates, Recent & Upcoming Maintenance Events

- **During the month of April, Bahia turf shall receive an application of 21-0-0/0-0-52 fertilizer, (1,452 lbs./ (29) 50 lb. bags).** I ask that CLM notify me and clubhouse staff at least five days prior to each application and check into the clubhouse so on-site staff can verify quantities and type.

- **The District must consider increasing this year’s budget to begin the upgrade of the property-wide irrigation system.** We could break the District up into sections and plan to perform the upgrade a section or sections at a time over a period of years.

- **Pink, white and red Begonias were installed the week of March 15th.**

The following are action items for Capital Land Management (CLM) to complete. Please refer to the item # in your response listing action already taken or anticipated time of completion. **Red text** indicates deficient from previous report. **Bold Red text** indicates deficient for more than a month. **Green text** indicates a proposal has been requested. **Blue** indicates irrigation. **Orange** is for staff. **Bold & underlined** is info. Or questions for the BOS.

1. Top the Florida Privet surrounding the tennis courts. Make sure none has grown through the fence.

2. I’ve asked CLM to flush cut 2-3 failing Drake Elms along the Elgin/Arborglades wall. These trees are small and near other trees and do not need to be replaced.

3. Trim all Blue Daze and apply a light fertilizer.

4. CLM to rejuve cut all Aztec Grass to the ground for a spring re-flush. Water needs to be increased.

5. Apply extra fertilizer more often to all the Variegated Confederate Jasmine throughout the property. It appears this plant took a hit in the winter and more fertilizer will encourage more top growth.

6. Hand pull sand vetch and other grassy weeds from the Hawthorn between North Park and Brightstone Place.

7. What is occurring with the Jack Frost Ligustrum on the Brackenwood median? It seems to be declining – even since the last inspection. Irrigation reportedly has been increased so we will continue to monitor. Oaks are a competition. If necessary, add drip lines if pressure allows. (Pic 7)

8. CLM needs to replace several Feijoa installed along the SHBlvd. wall on the outbound side of Brackenwood. Those recently installed are not thriving. These should be under warranty. **Was irrigation increased here?** (Pic 8>)

9. Make sure all Jasmine, whether it be Dwarf Asian or Confederate, is trimmed behind the curbing.
10. Palm trimming was not completed by the anticipated date of March 5th. When will this be completed?

11. Remove four ornamental grasses from beneath two Sabal Palms as SHBlvd. curves toward Arborglades behind Amersham Isles.

12. Remove volunteers (Saltbush?) from the Feijoa along the rear wall surrounding Amersham Isles.

13. There is no change to the condition of the Dw. India Hawthorn across SHBlvd. from the Arborglades entrance. This was to have been cut back and treated. I think these should now be removed and replaced. (Pic 13)

14. Make sure all plant material behind the 3-rail on the Amersham side between Arborglades and the south intersection is being maintained. Heights are inconsistent and overgrown.

15. Remove Aztec Grasses in front of the three beds of Red-Tip Photinia from the Lift Station to the south intersection. If CLM thinks the Aztec Grass can transplant easily, they can relocate it to the final bed of Aztec Grass closest to the south intersection where there are no Re-Tip Photinia.

16. Reduce Star Jasmine along Elgin from the south intersection northward by 8"-10".

17. I observed this Sabal across from the northern entrance of the school on Elgin. The spear leaf looks okay, but the lower fronds are senescing in an unusual pattern. It could be cold damage, but Sabals are very hardy and it’s the only one showing these symptoms. We will have another look next month. However, the fronds are also curling which sometimes is a symptom of a “minors” nutrient deficiency such as Boron. I ask CLM to apply 8-0-12+4Mg fertilizer more frequently to this palm. There may be another one a little further north toward the north intersection. (Pic 17)

18. We need to take the Jatropha down to approximately waist high property-wide.
19. Clean up all Flax Lily at Mandalay Place.

20. Delineate between the beds in front of the Mandalay Place signs.

21. Has the new Barrington turf been fertilized yet? It is off-color.

22. Documenting the Petite Salmon Oleander are still tip damaged from the winter freezes in Barrington. I think it is safe for these to be pruned. (Pic 22)

23. Hand pull dead, brown grassy weeds that have been sprayed and have died in the Barrington beds.

24. Remove live grassy weeds from the base of the Ribbon Palm on the back side of the rear median at Barrington.

25. Treat dollar weed and all other weeds in the turf at Barrington behind the gate.

26. I don’t think this palm in Barrington will last through the grow season and will be replaced by the installing contractor under warranty. Also, the turf in this area appears very dry. (Pic 26>)

27. I think the Variegated Confederate Jasmine needs to be tipped at Barrington median.

28. Dead Dw. India Hawthorn still needs to be removed from the SHBlvd. south median as well as between the sidewalk and the 3-rail on the east side.

29. Flush cut a small dead tree between a cluster of Pines near the lift station and Covey Run. (Pic 29)

30. Just north of the picture taken above there is a section of failed Juniper near Sandankwa Viburnum behind the sidewalk that needs to be removed. Cut several more plants to the ground between the sidewalk and the 3-rail approaching Covey Run form the south.
31. Inspect the yellowing Feijoa on the north side of the sand volleyball courts. Diagnose and treat accordingly. Typically, this is followed by a near complete defoliation.

32. Remove climbing vines on the 3-rail plants between South Park and Dunwoody.

33. Treat all Knockout Roses with organic matter.
1. CLM to provide a proposal to remove any remaining Red-Tip Photinia along the Elgin/Arborglades across approximately four sections and replace with 3 Gal., FULL Sweet Viburnum on 36” centers. Sweet Viburnum need to be planted at least 36” away from wall. Flush cut Drake Elms. North of this area, there is another bare area where the same thing can be done. Include that area in this proposal. (Pic 1)

2. CLM to provide a proposal to fill in all bare areas of “Blue My Mind” Blue Daze using 1 Gal., FULL plants and existing spacing.

3. CLM to provide a proposal to remove remaining Juniper on the outbound side tip of the Arborglades median and install 3 Gal., FULL Knockout Roses to balance the other side of the median. (Pic 3)

4. CLM to provide a proposal to flush cut the first Leyland Cypress leaving Brackenwood heading to the north intersection. It is a smaller one that is not thriving and leaning outward.

5. CLM to provide a proposal to remove what Plumbago remains between the Dw. Firebush and Variegated Confederate Jasmine on the SHBlvd. median between the north intersection and the Amersham Isles/Brackenwood entrance and replace with 3 Gal., FULL Dw. Firebush – existing spacing.

6. Staff can work with their sod installation company to perform required hand grading and install new Bahia sod in two areas in the DRA surrounded by Larkenheath Dr. & Copper Hill Dr. inside Amersham Isles. (see below & Pic 6)
7. CLM to provide a proposal to remove the failing Arboricola on the SHBlvd. median in front of Glenburne closest to Elgin and replace with 3 Gal., FULL Pringles Podocarpus, 24" oc.

8. CLM to provide a proposal to fill in the areas under the groups of Sabal Palms on the Mandalay Place median with beds of 3 Gal., FULL White Fountain Grass on 24" centers. Also install a non-named variety of Dark Pink Pentas, 1 Gal., FULL on 18" centers at each tip of the median.

9. Leaving Mandalay Place, install 1 Gal., FULL Society Garlic on the northern tip of the southern median and fill in the southern tip of the northern median so they match. Plants should be planted on 12"- 8" centers. Ensure 100% coverage in irrigation.

10. CLM to provide a proposal to change out the Bulbine at Dunwoody to 1 Gal., FULL Society Garlic on both medians.

1. On the west side of the tennis court, we have some sabals that need to be trimmed. It looks like we trimmed the ones at the entry gate but not these. (Pic 1)

2. Treat the dollar weed with a selective herbicide throughout the frontage of the north clubhouse.

3. Prune dead Arboricola stocks at the front of the exercise center.

4. Remove vines and tall weeds from the entrance to the north clubhouse in the Loropetalum on Sterling Hill Boulevard.

5. On Elgin Parkway east side, it looks like a homeowner has thrown a dead tree over the fence. CLM to remove the debris and document this to Amenity Center Staff.

6. Remove weeds from the Arborglades center island beds.

7. Remove tall nutsedge coming up through Indian Hawthorne at the Arborglades exit side ROW.

8. Edge Jasmine at the Edgemere entry center island. It is currently overgrowing on to the pavement. (Pic 8)
9. Remove vines from the Odo. Viburnum across from the North Clubhouse on Sterling Hill Boulevard.

10. Remove tall weeds from the Brackenwood Jasmine Minima stands. We need to use selective herbicides in these areas.

11. Improve the detail at the entry beds to Sterling Hill on Elgin Boulevard. Improve plant separation and hand pull weeds. (Pic 11)

12. Trim back Jasmine Minima from roadway at the Covey Run and Haverhill center island sections.

13. Improve vigor in the Barrington turf stands. The color is off for this time of year.

14. Remove vine from the parking area Parsoni Juniper at the South Clubhouse

15. Improve the detail at the Amersham Isles main entrance. Noticed quite a few weeds and debris in beds at this entrance.

The Objective and Scope of the Audit of the Financial Statements

You have requested that we audit the financial statements of Sterling Hill Community Development District, which comprise governmental activities and each major fund for the General Fund as of and for the year ended September 30, 2021, 2022, 2023, 2024, and 2025 which collectively comprise the basic financial statements. We are pleased to confirm our acceptance and our understanding of this audit engagement by means of this letter for the year ending September 30, 2021, 2022, 2023, 2024, and 2025.

Our audit will be conducted with the objective of our expressing an opinion on the financial statements.

The Responsibilities of the Auditor

We will conduct the audit in accordance with auditing standards generally accepted in the United States of America and "Government Auditing Standards" issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

Because of the inherent limitations of an audit, together with the inherent limitations of internal control, an unavoidable risk that some material misstatements may not be detected exists, even though the audit is properly planned and performed in accordance with generally accepted auditing standards. Also, an audit is not designed to detect errors or fraud that are immaterial to the financial statements.
In making our risk assessments, we consider internal control relevant to Sterling Hill Community Development District's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. However, we will communicate to you in writing concerning any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we have identified during the audit.

We will also communicate to the Board any fraud involving senior management and fraud that causes a material misstatement of the financial statements that becomes known to us during the audit, and any instances of noncompliance with laws and regulations that we become aware of during the audit.

The funds that you have told us are maintained by Sterling Hill Community Development District and that are to be included as part of our audit are listed below:

1. General Fund
2. Reserve Fund
3. Debt Service Fund
The Responsibilities of Management and Identification of the Applicable Financial Reporting Framework

Our audit will be conducted on the basis that management acknowledges and understands that it has responsibility:

1. For the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America;

2. To evaluate subsequent events through the date the financial statements are issued or available to be issued, and to disclose the date through which subsequent events were evaluated in the financial statements. Management also agrees that it will not evaluate subsequent events earlier than the date of the management representation letter referred to below;

3. For the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; and

4. To provide us with:
   a. Access to all information of which management is aware that is relevant to the preparation and fair presentation of the financial statements such as records, documentation and other matters;
   b. Additional information that we may request from management for the purpose of the audit; and
   c. Unrestricted access to persons within the entity from whom we determine it necessary to obtain audit evidence.

As part of our audit process, we will request from management written confirmation concerning representations made to us in connection with the audit including among other items:

1. That management has fulfilled its responsibilities as set out in the terms of this letter; and;

2. That it believes the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.
Management is responsible for identifying and ensuring that Sterling Hill Community Development District complies with the laws and regulations applicable to its activities, and for informing us about all known material violations of such laws or regulations. In addition, management is responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the entity involving management, employees who have significant roles in internal control, and others where the fraud could have a material effect on the financial statements. Management is also responsible for informing us of its knowledge of any allegations of fraud or suspected fraud affecting the entity received in communications from employees, former employees, analysts, regulators, or others.

The Board is responsible for informing us of its views about the risks of fraud within the entity, and its knowledge of any fraud or suspected fraud affecting the entity.

Sterling Hill Community Development District agrees that it will not associate us with any public or private securities offering without first obtaining our consent. Therefore, Sterling Hill Community Development District agrees to contact us before it includes our reports or otherwise makes reference to us, in any public or private securities offering.

Because Berger, Toombs, Elam, Gaines & Frank will rely on Sterling Hill Community Development District and its management and Board of Supervisors to discharge the foregoing responsibilities, Sterling Hill Community Development District holds harmless and releases Berger, Toombs, Elam, Gaines & Frank, its partners, and employees from all claims, liabilities, losses and costs arising in circumstances where there has been a known misrepresentation by a member of Sterling Hill Community Development District’s management, which has caused, in any respect, Berger, Toombs, Elam, Gaines & Frank’s breach of contract or negligence. This provision shall survive the termination of this arrangement for services.

**Records and Assistance**

If circumstances arise relating to the condition of the Sterling Hill Community Development District’s records, the availability of appropriate audit evidence, or indications of a significant risk of material misstatement of the financial statements because of error, fraudulent financial reporting, or misappropriation of assets, which in our professional judgment, prevent us from completing the audit or forming an opinion, we retain the unilateral right to take any course of action permitted by professional standards, including declining to express an opinion, issuing a report, or withdrawing from the engagement.

During the course of our engagement, we may accumulate records containing data that should be reflected in the Sterling Hill Community Development District books and records. The District will determine that all such data, if necessary, will be so reflected. Accordingly, the District will not expect us to maintain copies of such records in our possession.

The assistance to be supplied, including the preparation of schedules and analyses of accounts, has been discussed and coordinated with Aimee Brandon. The timely and accurate completion of this work is an essential condition to our completion of the audit and issuance of our audit report.

Other Relevant Information

In accordance with Government Auditing Standards, a copy of our most recent peer review report has been provided to you, for your information.

Either party may unilaterally terminate this agreement, with or without cause, upon sixty (60) days written notice subject to the condition that the District will pay all invoices for services rendered prior to the date of termination.

Fees, Costs and Access to Workpapers

Our fees for the services described above are based upon the value of the services performed and the time required by the individuals assigned to the engagement, plus direct expenses. Invoices for fees will be submitted in sufficient detail to demonstrate compliance with the terms of this engagement. Billings are due upon submission. Our fee for the services described in this letter for the years ending September 30, 2021 and 2022 will not exceed $3,865, and the fee for the years ending September 30, 2023, 2024, and 2025 will not exceed $3,985, unless the scope of the engagement is changed, the assistance which Sterling Hill Community Development District has agreed to furnish is not provided, or unexpected conditions are encountered, in which case we will discuss the situation with you before proceeding. All other provisions of this letter will survive any fee adjustment.

In the event we are requested or authorized by Sterling Hill Community Development District or are required by government regulation, subpoena, or other legal process to produce our documents or our personnel as witnesses with respect to our engagement for Sterling Hill Community Development District, Sterling Hill Community Development District will, so long as we are not a party to the proceeding in which the information is sought, reimburse us for our professional time and expenses, as well as the fees and expenses of our counsel, incurred in responding to such requests.

The audit documentation for this engagement is the property of Berger, Toombs, Elam, Gaines, & Frank and constitutes confidential information. However, you acknowledge and grant your assent that representatives of the cognizant or oversight agency or their designee, other government audit staffs, and the U.S. Government Accountability Office shall have access to the audit documentation upon their request and that we shall maintain the audit documentation for a period of at least three years after the date of the report, or for a longer period if we are requested to do so by the cognizant or oversight agency. Access to requested documentation will be provided under the supervision of Berger, Toombs, Elam, Gaines, & Frank audit personnel and at a location designated by our Firm.
Information Security – Miscellaneous Terms

Berger, Toombs, Elam, Gaines & Frank is committed to the safe and confidential treatment of Sterling Hill Community Development District’s proprietary information. Berger, Toombs, Elam, Gaines & Frank is required to maintain the confidential treatment of client information in accordance with relevant industry professional standards which govern the provision of services described herein. Sterling Hill Community Development District agrees that it will not provide Berger, Toombs, Elam, Gaines & Frank with any unencrypted electronic confidential or proprietary information, and the parties agree to utilize commercially reasonable measures to maintain the confidentiality of Sterling Hill Community Development District’s information, including the use of collaborate sites to ensure the safe transfer of data between the parties.

If any term or provision of this arrangement letter is determined to be invalid or unenforceable, such term or provision will be deemed stricken and all other terms and provisions will remain in full force and effect.

Reporting

We will issue a written report upon completion of our audit of Sterling Hill Community Development District’s financial statements. Our report will be addressed to the Board of Sterling Hill Community Development District. We cannot provide assurance that an unmodified opinion will be expressed. Circumstances may arise in which it is necessary for us to modify our opinion, add an emphasis-of-matter or other-matter paragraph(s), or withdraw from the engagement.

In addition to our report on Sterling Hill Community Development District’s financial statements, we will also issue the following types of reports:

- Reports on internal control and compliance with laws, regulations, and the provisions of contracts or grant agreements. We will report on any internal control findings and/or noncompliance which could have a material effect on the financial statements;
- Management letter required by the Auditor General, State of Florida; and
- Attestation reports required by the Auditor General, State of Florida.

This letter constitutes the complete and exclusive statement of agreement between Berger, Toombs, Elam, Gaines, & Frank and Sterling Hill Community Development District, superseding all proposals, oral or written, and all other communications, with respect to the terms of the engagement between the parties.
Please sign and return the attached copy of this letter to indicate your acknowledgment of, and agreement with, the arrangements for our audit of the financial statements including our respective responsibilities.

Sincerely,

BERGER, TOOMBS, ELAM, GAINES & FRANK

Confirmed on behalf of the addressee:
Report on the Firm's System of Quality Control

To the Partners
Berger, Toombs, Elam, Gaines & Frank, CPAs, PL
and the Peer Review Committee of the Florida Institute of Certified Public Accountants

October 30, 2019

We have reviewed the system of quality control for the accounting and auditing practice of Berger, Toombs, Elam, Gaines & Frank, CPAs, PL, (the firm), in effect for the year ended May 31, 2019. Our peer review was conducted in accordance with the Standards for Performing and Reporting on Peer Reviews established by the Peer Review Board of the American Institute of Certified Public Accountants (Standards).

A summary of the nature, objectives, scope, limitations of, and the procedures performed in a System Review as described in the Standards may be found at aicpa.org/prsummary. The summary also includes an explanation of how engagements identified as not performed or reported in conformity with applicable professional standards, if any, are evaluated by a peer reviewer to determine a peer review rating.

Firm's Responsibility

The firm is responsible for designing a system of quality control and complying with it to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. The firm is also responsible for evaluating actions to promptly remediate engagements deemed as not performed or reported in conformity with professional standards, when appropriate, and for remediating weaknesses in its system of quality control, if any.

Peer Reviewer's Responsibility

Our responsibility is to express an opinion on the design of the system of quality control, and the firm's compliance therewith based on our review.

Required Selections and Considerations

Engagements selected for review included engagements performed under Government Auditing Standards, including a compliance audit under the Single Audit Act.

As a part of our peer review, we considered reviews by regulatory entities as communicated by the firm, if applicable, in determining the nature and extent of our procedures.

Opinion

In our opinion, the system of quality control for the accounting and auditing practice of Berger, Toombs, Elam, Gaines & Frank, CPAs, PL, in effect for the year ended May 31, 2019, has been suitably designed and complied with to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. Firms can receive a rating of pass, pass with deficiency(ies), or fail. Berger, Toombs, Elam, Gaines & Frank, CPAs, PL has received a peer review rating of pass.
