General Updates, Recent & Upcoming Maintenance Events

• During the month of June, all Bahia turf shall receive an application of 3000 lbs. (60 – 50 lb. bags) of 24-0-11 fertilizer. Additionally, all Ornamentals shall receive an application of 1500 lbs. (30 – 50 lb. bags) of 12-0-13 fertilizer and all Palms shall receive an application of 1000 lbs. (20 – 50 lb. bags) of 8-2-12+4Mg fertilizer. And finally, all Specialty Plant Material (Loropetalum) shall receive an application of 200 Gals. 20-20-20 + micros and copper.
• Juniper to notify STAFF and Landscape Specialist at least one week prior to the application being scheduled. Then on the day of application, Juniper is to notify staff so that staff can verify quantity and fertilizer types and write how many bags have been delivered, what it is being used for and date it on the label. This will need to be sent to me for verification.
• There were areas along the Elgin wall alongside Glenburne that have not been beveled or mulched.

The following are action items for Juniper to complete. Please refer to the item # in your response listing action already taken or anticipated time of completion. Red text indicates deficient from previous report. **Bold Red text** indicates deficient for more than a month. **Green text** indicates a proposal has been requested. **Blue** indicates irrigation. **Orange** is for staff. **Bold & underlined is info. or questions for the BOS.**

1. **In general, Juniper is behind in their detailing, most notably on the north side of the community. Crews being assigned to beveling the community's sidewalks and curbs for two months or more for the installation of the mulch is being stated as the cause of this decline.** However, beveling has always been in the scope of services and should have been planned for as several discussions prior to the mulch installation took place regarding such.

2. Terracing of plant heights needs to improve throughout the community, specifically surrounding the clubhouses and flagpole plantings at North Park. Overall, the foundation plantings are too tall here. (Pic 2>)

3. As mentioned, detailing was lacking in many areas. Crews were to be addressing these issues starting the day after the date of this inspection. This pic was taken surrounding the flagpole at North Park. Water shoots on Crapes, tall weeds in the beds and overgrown shrubs. (Pic 3>)

4. **The DRA in the SE corner of the property along Elgin has also not been mowed for what appears to be more than two weeks.**
5. Stated previously, different species of plants along walls need to be maintained at different heights.

6. Also stated previously, make sure spray techs are keeping a close eye on the Red-Tip Photinia that was recently cut to a rejuve cut. Most are flushing back nicely, but some are defoliating. Preventative fungicides need to be applied to minimize damage from a common fungus that attacks these plants.

7. There remain damaged irrigation valve boxes and lids throughout the community. In this report, I will note some, but it is not an exhaustive list. These MUST be replaced. These have been reported for several months. This one is along Arborglades/Elgin wall app. 100’ before getting to the 3-rail transition approaching the south intersection from the south. (Pic 7)

8. Silverthorn along the Arborglades/Elgin wall near the school crossing needs to be cut lower, but also needs to be kept from growing through the 3-rail. (Pic 8)

9. Palms are not scheduled to be trimmed until the end of this month. Juniper needs to improve on their scheduling of contracted duties clearly stated in the scope of services, which state palms are to be trimmed on an as-needed basis. I have been requesting this to be completed for several months. The need for this task to be completed is determined by the CDD’s representative, not the contractor. (Pic 9)
10. Many (most) beds of Blue Daze throughout the community have not yet been cut to nearly the ground (at least to the main stem). Most have not even had the dead winter growth cut out.

11. Most all plantings (Dw. Firebush, Texas Sage, etc.) near the tips of the SHBlvd. medians have become overgrown and need lowered.

12. All irrigation valve boxes need to be exposed as there are many that have turf and weeds covering them.

13. What is the status of filling in the SHBlvd. median tip outside Arborglades? The Dw. Firebush have recently been installed, however, there is still a large bare area in the Variegated Confederate Jasmine. (Pic 13)

14. First reported in April’s inspection report, this Tree Ligustrum at Arborglades inbound side is now all but dead. Why? Has Juniper inspected this tree and diagnosed anything? The only response I received was “Irrigation is up and running.” (Pic 14)

15. There are 24” tall Nutsedge in the Arborglades median and it is mostly full of weeds. (Pic 15)

16. Several DRA tops (flat areas between street and sidewalk as well as behind the sidewalk) were skipped mowing the day before this inspection.

17. The Confederate Jasmine needs to be tipped and kept behind the SHBlvd. medians.

18. Duranta along the wall between Arborglades and Edgemere needs to be lowered.

19. Reported before several times, it appears no sooner than new growth emerges from many of our ornamental grass beds, it begins turning brown. Why? Has Juniper diagnosed spider mites on these? Are they being thoroughly drenched PRIOR to them being cut to low mounds? These are between Edgemere and North Park, but there are others along the wall between Arborglades and Edgemere. (Pic 19)
20. As mentioned earlier, many plants at the SHBlvd. median tips need to be lowered. These are approaching Edgemere from the south. (Pic 20>)

21. Remove Virginia Creeper from the rear Edgemere median as well as from the Jasmine beds on the outbound lanes. Also, weed the Variegated Confederate Jasmine bed on the SHBlvd. median outside Edgemere.

22. Whether it be true Dwarf Asian Jasmine or a mock vining weed, keep a clear delineation between the Jasmine beds and the newly planted Azaleas on the Brackenwood median. Remove mock vining weed. Remove fallen limbs that are on the ground.

23. I’ve asked Juniper to lift the back sides of the CDD-planted street trees where they overhang the walls along the village entrance streets approaching the gates. This should be done every time the tree is lifted on the front side.

24. The red and white Pentas and blue Salvia were installed last week. Ensure they are receiving adequate water – even if it means programming a second and third time to allow water to run a few minutes in the AM and then after the afternoon strong sun.

25. Detail the beds on the Glenburne corner of the north intersection surrounding the monument.

26. Trim the Silverthorn in the triangular lawn on the Amersham Isles (AI) corner of the north intersection and trim down the Pyracantha leading to the AI entrance.

27. Since Juniper placed mulch around many junction boxes, they need to keep them soft-edged and weeded.

28. Increase irrigation to the Lime Sizzlers planted at the AI entrance.

29. Lower the Loropetalum in front of the AI monuments. This is some of the Blue Daze that was not cut to the ground or had dead growth removed. (Pic 29)
30. I did not receive a response to Item 14 in the May 3rd report – replacement of chinch bug damaged turf at AI entrance. When will this be replaced?

31. Leybourne Way ROW and behind the sidewalk was also not mowed the day before this inspection. (see below)

32. We are awaiting a corrected proposal to replace the failing Confederate Jasmine on the back side of the Amersham Isles gates with Pringles Podocarpus.

33. Trim the Silverthorn along the 3-rail and wall across the street from North Park.

34. Lift a few Drake Elms over the sidewalk on the back side of AI.

35. Crews need to aggressively eradicate the “gourd” vine that tends to overtake the Dw. India Hawthorn bed across from the Edgemere entrance and is now extending into the Silverthorn as well.

36. New Bahia turf has been installed in the ROW of SHBlvd. on the back side of AI along the curved portion approaching Arboglades from the north. Juniper was not notified regarding this installment to increase irrigation. There are several other places where new Bahia turf was installed that also looks like this. It is VITAL that when new turf gets installed, communication is sent to our maintenance vendor to increase irrigation frequency. (Pic 36 >)

37. In conjunction with proposal request No. 2, Juniper to reach into the Walter’s Viburnum to the right of the WV that is proposed to be removed and pull out all dead material so that sun can reach the inside of the plant and generate new growth. (Pic 37)

38. Here is another area that, although it was partially beveled, no mulch was installed. But also, there is a dead Loropetalum behind the sidewalk that needs to be pulled. (Pic 38 >)

39. The Crape Myrtles at the south intersection monument - AI corner need some TLC...eradicate lichen and ball moss and apply some extra fertilizer. What is the irrigation duration and frequency here?

40. Some weeds are taller than the Star Jasmine along the Elgin wall.
41. What is the status of getting this wood fence that fell from the property above the Elgin Alcove retaining wall into our landscape beds? Isn’t this required to be replaced? Who will be removing this? (Pic 41)

42. We need to keep the specimen Walter’s Viburnum between the Elgin 3-rail and sidewalk around the middle of the large interior AI DRA. Trimmed back from the sidewalk. There will be a lot of visible dead wood at first, but they will fill in. Also replace a broken irrigation valve box. (Pic 42>

43. Where we have sections of black aluminum fencing between sections of wall, crews need to ensure the plants are not growing through and covering up that detail.

44. There is still a lot palm debris on the ground below palms.

45. As mentioned previously, the sidewalk along Glenburne/Elgin has not been beveled or mulched and there is a tremendous amount of mulch on the sidewalk. (Pic 45)

46. Is this newly installed Bahia turf on the SHBlvd. median outside Glenburne receiving adequate water? What is the duration and frequency here? (Pic 46>)

47. The ROW on the NW corner of Glenburne (Ayrshire) did not get mowed. (Pic 47> & )
48. Juniper has reported that the irrigation in the vicinity where the car went through the wall on SHBlvd. south is all re-connected and 100%.

49. There is also a lot of new Bahia turf on the west ROW of SHBlvd. between Glenburne and Mandalay Place. A lot of this is under severe drought stress or perhaps dead. (Pic 49>)

50. Hand pull volunteer “Drake Elms” in the bed of Blue Daze on the rear tip of the Mandalay Place median.

51. The south end of Beaumont Loop in Mandalay Place was also not mowed the day before this inspection. Interior areas CAN NOT BE SKIPPED! (Pic 51>)

52. Trim back the Mexican Petunia on the back side of the Mandalay Place gates.

53. Cut back the Golden Dewdrop along the wall between Mandalay Place and Haverhill.

54. Juniper needs to spray some RoundUp on the Virginia creeper coming up over the wall from the natural area to the north of the Haverhill entrance. (Pic 54>)

55. New ornamental grass growth is also turning brown in those grasses at Haverhill.

56. Kill the ball moss on the Tree Ligustrum on the rear median at Haverhill.

57. The SHBlvd. median re-do outside Haverhill has been completed. (Pic 57>)
About 400’-500’ south of Haverhill, there is another irrigation valve box that needs to be replaced. (Pic 58>)

The Tree Ligustrums at the Windance entrance are still in need of tipping. March report. (Pic 59>)

The DRA ROW and sidewalk on the west side of Windance was also not mowed or hard-edged.

If a sleeve cannot be located, or they are no longer usable, I’ve asked Juniper to provide a proposal to Jack and Bore a sleeve from the east side of SHBlvd. south on the south side of the Barrington entrance to the southern-most median. We need provide water here prior to further road extension. (Pic 61>)

I’ve been informed by Juniper that weeds have been treated in the ROW turf inside and outside of Barrington, but no diagnosis has been made as to why it is in such poor condition. Juniper to provide this diagnosis.
63. It’s also been reported that weeds were treated in the ROW of Golden Lime and Autumn Amber. However, turf is still not in great condition. (Pic 63)

64. Interior DRA’s and their access tracts were not mowed inside Barrington. Nor was the PVC fence line trimmed.

65. Please provide the wet check report for the exterior buffer irrigation on the east and south sides of Barrington as part of the response to this report.

66. Juniper needs to ensure crews are maintaining the sideyard tracts adjacent to the first homes on Autumn Amber south of Golden Lime. All landscape looks rough in here including a dead tree and water shoots on Oaks to the ground. (Pic 66)

67. What has happened to two long beds of Sandankwa Viburnum on the east side of Sterling Hill Blvd. between the lift station near Windance and Covey Run? Juniper to provide an update. I feel this is collateral damage from Controller “F” being down for an extended period of time. Provide the latest irrigation wet check report performed in this area as part of the response to this report. (Pic 67)

68. Continuing northward toward Covey Run, in the vicinity of a cluster of junction boxes and ground vaults in the SHBlvd. east ROW, there is a Chickasaw Plum on the SHBlvd. median that needs to be flush cut. (Pic 68)

69. Still very disappointed the Dwarf Asian Jasmine at the entrance of Covey Run is not coming back after the Controller “F” issue.
If it does not rebound, I will expect Juniper to provide some type of remediation or atonement. (Pic 69)

70. Crews need to maintain the tract extending from Bramblewood Loop (west leg) inside Covey Run to SHBlvd. There are 3’ dog fennel in this tract.

71. The 2nd or 3rd resident on the west leg of Bramblewood Loop off Covey Run Dr. needs to have a large Oak limb removed from the ground on the back side of their fence. It is keeping crews from mowing this area. The CDD does not have any trees in this area. (Pic 71)

72. Is the Bahia turf installer returning to this DRA inside and to the right of the Covey Run entrance to finish the area? (Pic 72>)

73. These Little John Bottlebrush on the SHBlvd. median between Covey Run and South Park still need to be cut to the ground. April report. (Pic 73)

74. Can STAFF work on getting this dead “existing” tree at the edge of the natural area east of the sand volleyball court removed? (Pic 74>)

75. Can Juniper trim out the dead growth in the remaining Leyland Cypress leading from the South Park parking lot to the sand volleyball court? (Pic 75>)

76. The annuals on the Dunwoody corner of the north intersection are not as thriving as others. Are they getting the same amount of irrigation?
This is the newly installed Bahia on the Dunwoody/Elgin wall in an attempt to minimize mulch runoff. (Pic 77>)}
1. Juniper and STAFF to provide a proposal to flush cut a dead Drake Elm along the Arboglades/Elgin wall. (Pic 1)

2. Juniper to provide a proposal to completely remove a long expanse of failing Walter’s Viburnum along the 3-rail on the back side of AI. Beginning at the Pine trunk where the Silverthorn ends on the back side of the 3-rail and extending to the left. We need to be prepared for this hedge to rebound by sending up suckers afterwards. (Pic 2)

3. Juniper and STAFF to provide a proposal to remove the two failing Tree Ligustrum on the inbound side of the Haverhill entrance. This village entrance is my next priority for an enhancement. (Pic 3)

4. Now that Sandra has 100% completed her task 😊, Juniper to provide a proposal to completely remove all Petite Salmon Oleander at the Barrington entrance. Removal needs to include the raking out and smoothing of all grade and the re-installation of mulch. I will assume we will transition to turf in the front bed on the inbound side but will wait to see what should be added in the interior beds. (Pic 4)

General Updates, Recent & Upcoming Maintenance Events

- During the month of May, all St. Augustine turf shall receive an application of 450 lbs. (9 – 50 lb. bags) of 24-0-11 fertilizer.
- Juniper to notify STAFF and Landscape Specialist at least one week prior to the application being scheduled. Then on the day of application, Juniper is to notify staff so that staff can verify quantity and fertilizer types and write how many bags have been delivered, what it is being used for and date it on the label. This will need to be sent to me for verification.

The following are action items for Juniper to complete. Please refer to the item # in your response listing action already taken or anticipated time of completion. Red text indicates deficient from previous report. Bold Red text indicates deficient for more than a month. Green text indicates a proposal has been requested. Blue indicates irrigation. Orange is for staff. Bold & underlined is info. or questions for the BOS.

1. Begin tipping the Gold Mound in the North Park parking lot to bring it to consistent shapes and size.

2. Weed the entire Simpson’s Stopper hedge surrounding the storage facility even though some of it is “out of sight, out of mind”.

3. I do not see where the Blue Daze throughout the property was cut back to the main stem at the ground. This should help it flush new growth as long as irrigation is being applied regularly.

4. Is STAFF looking into correcting this erosion issue in a DRA within Arborglades? This was reported 3-4 months ago. (Pics 4a & b> &>)

5. Is it possible to clean up these Coontie Palms a bit more? There is still a lot of dead material remaining. (Pic 5>)

6. Is Juniper continuing to treat the Dw. India Hawthorn under the last bed of Crape Myrtles before getting to Edgemere from Arborglades?
7. On the inbound side of the Edgemere median, we found a micro-jet spray head lying in the street. Make sure this is located and replaced. (Pic 7>)

8. Hand pull vines from the Hawthorn bed between the 3-rail and sidewalk where the Edgemere wall ends heading to North Park.

9. Clean up all the fallen Crape Myrtle debris from the median between North Park & Brightstone Place.

10. The Azaleas have been replaced at the Brackenwood median. Juniper to ensure irrigation has also been adjusted to provide sufficient water every day.

11. The three SHBlvd. median tips have been completed with the planting of the Lantana beds. (Pic 11>)

12. This may be a combination of critter hole and irrigation break – but it’s along the Brackenwood/SHBlvd. wall. (Pic 12>)

13. Where the Elgin/SHBlvd. median tip was enhanced on the Amersham side, crews need to clean up dirt and debris from the curb and gutter.

14. What reportedly began as an irrigation issue on the Amersham Way ROWs’ new St. Augustine turf is now being identified as chinch bug damage. I feel the District should not have to wait for this to fill in. (Pic 14>)
15. Inspect Anise on the back side of the 3-rail after the SHBlvd. curve on the back side of Amersham Isles a couple hundred feet before the left turn lane into Arborglades. More are turning brown. Cut back into healthy wood and apply a preventative fungicide if a fungus is present.

16. The newly enhanced planting bed across from the Arborglades entrance will be completed by May 9th.

17. Make sure the spray crew inspects some more Simpson’s Stoppers along the Elgin wall. Like the Anise, more are turning brown. This has cleared out large sections of shrubs in the past, so I would like to stop this as quickly as possible. (Pic 17)

18. Hand pull and eradicate grassy weeds in the raised planter of the Elgin alcove. There is also Torpedograss present here. These beds along Elgin are to be detailed the Monday following this inspection – May 8th.

19. Check Oleander along Elgin for caterpillar and treat accordingly. These are where Elgin begins to curve to the NW alongside Brackenwood. (Pic 19)

20. Remove Loropetalum and Gold Mound from the Glenburne median – both sides. Remove Ball and Spanish Moss from the Crape Myrtles on the median.

21. Has Juniper made all necessary irrigation re-connections after the car went through the wall between the Glenburne and Mandalay Place entrances? (Pic 21)
22. We need to properly cut out a broken limb from a tree at the 3-rail between Glenburne and Mandalay Place. (Pic 22)

23. Regardless of the outcome of the on-going RFP process, all damaged irrigation valve boxes/lids need to be replaced by Juniper. There are still many throughout the property.

24. There remain many dead/dying Dw. India Hawthorn on the SHBlvd. medians between Mandalay Place, Haverhill and Windance. These should be removed.

25. The Loropetalum on either side of the Windance entrance are gorgeous but have reached the maximum height they should be kept without appearing overgrown. Selectively prune these plants.

26. Remove weeds from the Variegated Confederate Jasmine and keep it trimmed to behind the curb on the Windance median.

27. Re-establish a terraced effect between the Sweet Viburnum and Loropetalum along the walls on both sides of the Windance entrance. Keep an 18” – 24” difference in the heights.

28. Juniper to provide a reason why when the new growth flushes out of the Fakahatchee Grasses past the Barrington entrance, it immediately begins to turn brown.

29. We do not know who did it (it wasn’t Juniper), but the Petite Salmon Oleander at the Barrington entrance was cut nearly to the ground, and many have not begun to push out new growth. Sandra? 😒 (Pic 29)

30. The ROW turf at the Barrington entrance as well as behind the gates is still struggling. There are also a lot of weeds remaining. Remove weeds from the rear Barrington median behind the gates. This turf is at the crosswalk at Autumn Amber & Golden Lime. (Pic 30)

31. Has the developer for the new construction area across from Windance established a “construction zone” where vehicles are allowed to be kept? I feel they are encroaching into areas of the SHBlvd. ROW where they should not be.
32. Mentioned previously heading south on SHBlvd., the same thing holds true on the northbound side of the median – too many dead Hawthorn are being left behind. (Pic 32)

33. Continue to spot treat broadleaf weeds in what I consider to be good expanses of Bahia in the ROW leading up to Covey Run.

34. Work is progressing in the transition from ornamental grasses to turf on the SHBlvd. median outside Haverhill. (Pic 34)

35. Remove weeds and water shoots from the Crape Myrtles on the median between Covey Run and South Park.

36. We are now losing all the Hollies behind the South Park sign wall. I will work with Juniper to find suitable replacements here. (Pic 36+)

37. Regarding Item 36, I ask Juniper to provide the last wetcheck report performed here.

38. We need to maintain the Silverthorn around the dog park fence at the top of the fence.

39. Juniper to provide the last wetcheck report performed in the perimeter of the sand volleyball court as this hedge is also in wilt condition.

40. Remove water shoots from the Crape Myrtles on the back side of the South Park totlot.

41. These Red-Tip Photinia along the Dunwoody wall heading to the north intersection still need to be removed. (Pic 41)
1. Juniper to provide a proposal to apply a foliar spray to all Loropetalum throughout the property. Micro-mix should include micro-nutrients along with 0.5 lbs. powdered copper sulfate pentahydrate and 0.25 lbs. fresh hydrated lime to 10 gallons of water.

2. Juniper to provide a proposal to excavate the tip of the median of Brackenwood in front of where the newly planted Azaleas stop, removing all excess mulch (reserve it for use later). Install 3 Gal., FULL Dwarf Firebush “firefly compacta” on 24” centers maintaining a 2’ separation between the Azaleas and DFB. Keep plants at least 18” away from curb line. Proposal shall include the installation of new drip lines on an 18” parallel pattern. (Pic 2)

3. Juniper to provide a proposal to excavate the rear tip of the Amersham Isles median in the same manner as instructed in Proposal Request No. 2 above. Install 3 Gal., FULL Dwarf Firebush “firefly compacta” on 24” centers maintaining a 2’ separation between the Star Jasmine (?) and DFB. Keep plants at least 18” away from curb line. Proposal shall include the installation of new drip lines on an 18” parallel pattern. (Pic 3)

4. I’ve asked Juniper to provide one proposal with the different locations where Blue Daze needs to be filled in. Each line item shall list the location, quantity, unit price (inc. labor).

5. Juniper to provide a proposal to install 15 – 3 Gal., FULL Pringles Podocarpus on the back side of the Glenburne rear median. Juniper to first ensure 100% operable irrigation as well as drip line coverage not to exceed 18” spacing. Space plants app. 24” on center. Keep a minimum 24” between the wall and plants. (Pic 5)

6. Juniper to provide a proposal to replace a dead Live Oak in the triangular lawn next to the first house on the south side of Autumn Amber Ct. at Golden Lime Ave. Replacement shall be a 2” caliper Live Oak, Quercus virginiana (original spec). (Pic 6)
7. Juniper (and STAFF) to provide a proposal to flush cut a tree that is now interfering with other trees (Crape Myrtles) at the front right side of the South Park clubhouse near the parking lot driveway. (Pic 7)

Juniper will like to propose to install Blue daze though out the community were it is needed.

Juniper would like to excavate the tip of the median of Brackenwood in front of where the newly planted Azaleas stop, removing all excess mulch (reserve it for use later).

Install 3 Gal., FULL Dwarf Firebush “firefly compacta” on 24” centers maintaining a 2’ separation between the Azaleas and DFB. Keep plants at least 18” away from curb line.

Our Mission:
To be the Partner and Protector of the Most Critical Resource That Helps Communities Prosper
Re: Proposal for Sterling Hill Community Development District

Dear Board of Supervisors,

Inframark is excited and pleased to provide a proposal for District and Amenity Management services with pricing and a scope of services for Sterling Hill Community Development District. Sterling Hill is a premier community and we are excited about the opportunity to serve the board and residents.

Our Mission is: “To be the Partner and Protector of the Most Critical Resource that helps Communities Prosper.” We do this through our 3 Principles of Pure Partnership:

**PURE PARTNERSHIP**

**Pure Alignment**
We connect with clients on their terms, on a foundation of clarity, trust and mutual understanding. We make their goals our goals, tailoring the right mix of skills and resources to every project.

**Pure Accessibility**
We are open and transparent with our clients and each other. We make information and insights easy to see, understand and share. We’re always available and open to share our skills, ideas and thinking.

**Pure Accountability**
We hold ourselves accountable to our clients, through continuous measurement and improvement, to our environment, through rigorous compliance, and to each other, through ongoing safety, training and professional development.

- **Experience:**
  - Providing District Management Services to West Florida Region for over 40 years.
  - We provide service to over 125 CDDs throughout Florida including 80+ CDDs in the West Florida Region.
  - 15 District Managers on staff with 10+ years average tenure.
  - Our District Managers have college degrees and a variety of experience in IT, Finance, Government and Construction.

- **Project Management** – We are able to provide project management services by an Inframark employee who has been a Certified Project Manager (PMP) for over 15 years. This designation requires recertification every 3 years.
• **Cost Savings** – Our proposal includes a price decrease of 11.9% for overall District Management and Financial services. We will continue to review your current operating budget and to identify additional savings opportunities or more efficient ways to operate the district.

• **Technology:**
  o **Avid Xchange**: An advanced accounts payable system that allows the Inframark team to be highly efficient and effective at making sure that District invoices are paid timely and only after review and approval by Inframark staff or a designated Board member, if desired. This system provides historical information on invoice payments, provides for creation of specialized reports, and allows Board members to review all invoices for the District through a web-based application.
  o **Customized Financial Statements and Budgets**: Inframark developed a proprietary financial operating system that allows us to provide clients customized financial statements and budgets. Our financial software is continually being updated and we offer our clients the ability to choose how their financial statements and budget documents will look, depending upon the preference of the Board.

• **Team Approach: We are more than the individual assigned to your account.** Our service to your community will include 11 highly trained professionals including: a secondary District Manager, Finance and Recording personnel and supervision. We have been told the depth and experience of our team is one of our greatest strengths!

• **Infrastructure:**
  o Full team of Health, Safety and Environmental (HSE) staff
  o Complete internal IT support and infrastructure. We backup our servers and your information at multiple Inframark offices around the state and country to protect against catastrophic storms
  o Team of HR professionals to assist with recruiting, employee retention and appreciation, bonus plans and more

Inframark is committed to making continuous improvements and service enhancements, offering new technology and processes to help keep your community on the leading edge of the industry. All the proposed services are designed to demonstrate our desire to be a long-term partner for your community and make certain that the Board and residents are receiving the most effective and advanced services possible, all with a value-based fee schedule.

We look forward to hearing from you concerning our proposal and further discussing these plans, along with your vision, for your community.

Respectfully,

Chris Tarase
Vice President

1 Executive Summary

Inframark – Community Management Services Division is pleased to provide this proposal for District Management Services to the board. Inframark has been providing District Management services in Florida for over 40 years.

To meet the needs of your District, we provide a fully empowered local District Manager out of our Tampa office. We provide additional support to all our clients through a central office with a regional management and support team and our structured business systems. This approach brings the strength, experience and expertise of Inframark to work proactively to address the needs of the District in the most cost-effective manner possible.

Inframark specializes in value-added services to our clients which include the following:

- **Personnel:**
  - Inframark offers one of the largest and most accomplished professional teams in the District Management business.
  - We also bring in professionals from different disciplines to address special issues that may arise. Therefore, it is not only the number of professionals we offer to your District, but also our competence in addressing a wide range of complex matters that may come before your District.
  - Your assigned team has more than 200 years combined expertise and experience in the CDD business.

- **Willingness to Meet Time & Budget Requirements:** Inframark is capable and committed to meeting time and budget requirements as agreed upon with the Board and in compliance with Florida statutes.

- **Experience:**
  - Inframark is the most experienced company in the business.
  - We manage over 200 clients statewide including Community Development Districts, Special Districts, Homeowner Associations and local municipalities.
  - We pride ourselves on providing the best customer service in the industry and have a client retention rate over 99%.

- **Capital Project Management:** Inframark has the knowledge and experience to manage multi-million dollar capital improvement projects for our clients and also can provide Certified Project Managers (PMP) on staff as needed.

- **Office Locations:**
  - We have seven offices in the State of Florida that support our district clients. (Tampa, Brandon, Wesley Chapel, Ft. Myers, Celebration, St. Augustine and Coral Springs)
  - We will support your District with a local district manager out of the Tampa office.

“I have served as a supervisor on our CDD board for 3 years and the chairman for 2 years and in this 5 year period our CDD has performed many projects from paving roadways to a multi million dollar project replacing bulkheads and bridges throughout the community. Our project manager has served us well in maintaining accurate financial records and guidance with both contractors and our membership. His strict adherence to Florida law has protected us from legal and public actions and ridicule. In areas where his knowledge was limited he sought out staff members and professionals to get the answers needed for our board to make an informed decision. When our views differed he listened and we then were always able to reach a better outcome.”

-- Norman Day, Cedar Hammock CDD Chair
Sterling Hill Community Development District

3 About the Company

**Inframark** is an organization designed to accommodate all phases of operations for Community Development Districts, municipalities, residential and commercial property owner associations. With offices throughout the State of Florida in Tampa, Brandon, Wesley Chapel, St. Augustine, Celebration, Ft. Myers and Coral Springs. Inframark maintains a focus in serving CDD’s and HOA’s and, as a result, has become a leader in our industry managing over $87M in financial assets for over 125+ Community Development Districts and 200+ HOA’s. Inframark is a member of Florida Association of Special Districts (FASD), Community Association Institute (CAI), the Florida League of Cities, Greater Orlando Builders Association, Tampa Bay Builders Association, Association of Florida Community Developers (AFCD) and the Urban Land Institute.

The success of any project (big or small) and every relationship depends on a positive and productive interplay of the people, processes, resources and responsibilities of all involved. Over the years, we’ve formalized the most important elements into our own service philosophy that we call the Principles of Pure Partnership™. These partnership elements, Alignment, Accessibility and Accountability, are infused into our culture, into every project and every interaction. The result is deeper relationships with our clients and each other and real value in ways you can see, feel and measure.

**Our Partnership Principles**

**Pure Alignment**  
We connect with our clients on a foundation of clarity, trust and mutual understanding. We make our clients’ goals our goals, and tailor the right mix of skills and resources to every project.

**Pure Accessibility**  
We are open and transparent with our clients and each other, making information and insights easy to see, understand, and share. We are always available and open to share our skills, ideas, and thinking.

**Pure Accountability**  
We hold ourselves accountable to our clients and ourselves. We seek continuous improvement through rigorous compliance, as well as ongoing safety, training, and professional development.

4 Qualifications

Meetings, Hearings and Workshops:

Inframark attends and conducts all regularly scheduled meetings. Inframark will also schedule and attend special Board meetings, continued meetings, hearings and workshops, as requested. As the District Manager, Inframark will arrange for time and location and all other necessary logistics for such meetings. For each meeting, we will prepare agenda packages for transmittal to the Board and staff at least seven days prior to the Board’s meeting. Inframark will attend up to twelve meetings a year at no additional cost to the District.

The Inframark team uses a primary and secondary management approach to the District Management position. This ensures that the District will have continuity of services for district management services which are not dependent on a single individual. This approach is a hallmark of the Inframark approach to highly effective customer service to our District clients. This ensures that there will always be a qualified District Manager at every meeting.

Records:

Inframark has one of the largest teams of recording professionals (ten personnel), in the business. Our Recording Department develops all the necessary advertisements for meetings. With the size and professionalism of our Recording Department, we can provide an extremely high level of service for all our District Management clients. This service includes an unmatched level of automation of records management. Our team is aided through our searchable database that allows for quick and accurate searches for past meeting minutes and efficient responses to public records inquiries. We have dedicated staff that are assigned to handle all public record requests and are highly experienced in ensuring compliance with the requirements of Florida Statutes.

Inframark provides full compliance with all the Florida Statutes Records Requirements of Chapter 119. This includes storage of records, access to records and coordination of all responses to public record requests. In addition, Inframark is in full compliance and follows all the requirements of the Florida Administrative Code Section R.1B-24.003(1)(a), which deals with the retention of District records.

Other critical aspects of our Records Management Services Include:

Document Management:

Inframark utilizes three parallel processes to manage the documents of our clients.

- First, our electronic document management system allows access security settings to be placed on each file to prevent unauthorized editing or manipulation, thus ensuring the integrity of the document. The documents are maintained in a PDF format that is exportable to the client’s Website for timely updates. We update records of District meetings (minutes, agendas and supporting documentation) to the District’s Website in compliance with Florida Statutes.
document management system allows for ease of e-retrieval of documents using multiple search methods (document name, document number, document content, file type, author or the assigned retention category) to ensure all record requests are fulfilled in a timely fashion.

Secondly, the process utilizes offsite storage of documents. Our vendor guarantees the secure storage and/or destruction of documents. Annually, upon completion of the audit, the accounting and accounts payable files are inventoried, boxed and sent to the secured offsite storage facility. All records are maintained within applicable statutory requirements.

Finally, we maintain an onsite Master File for each client. The Master File contains previous years’ audits, arbitrage reports, budgets, insurance policies and other important historical information.

Disaster Contingency & Recovery:

Disaster recovery is particularly important since the Districts we manage are in areas prone to hurricanes. Our hurricane preparedness procedure includes the following:

- Provisions for the compilation and storage of files and data required to perform critical client services
- Securing the physical office space with the protection of client files as a top priority
- Satellite phone for contingency communication with local team
- Internet and phone-based communication chains to update personnel
- The ability to shift client critical tasks and District Management services to alternate office locations both out of region or state if necessary
- Securing priority commitments from key contractors due to strong and lasting relationships

Because of the critical nature of the electronic information we manage on behalf of our clients, Inframark emphasizes system security and has disaster recovery procedures in place to minimize the impact of storms, power outages and other similar events for the districts we serve. Our disaster recovery plans are continually updated in response to the changing needs of our business and the clients we serve.

In addition, Inframark utilizes sites certified to survive the equivalent of a Category 5 hurricane. District data is stored on servers that reside in Horsham, Pennsylvania. A full backup of all data is performed nightly and stored offsite at a remote location. Our Horsham facility is equipped with backup generator power. In addition to redundant equipment at our Houston IT center, we also have equipment co-located at other sites.

District Operations:

Inframark has fifteen (15) District Managers throughout the State of Florida with over 100 years of District Management experience in the Florida Community Development District market. The West Regional Manager for Inframark has over fifteen (15) years of District Management experience in addition to experience in finance, IT and is a Certified Project Manager. Since Inframark utilizes a team approach in the provision of all its services, we share best practices and success stories from District clients across the state. We conduct monthly manager calls in which we discuss existing issues and develop and implement solutions that are in the best interest of our clients. All Inframark team members go through monthly training to keep them up to date on a wide variety of issues that impact District operations.
The District Management team has access to all records of their Districts which includes all current and past contracts entered into by the District Board of Supervisors. With our searchable data base, it is very easy for our District Managers to review past contracts to compare with existing or proposed contracts. This allows our District Management team to keep up with contract termination dates, scope of services and fee schedules in each contract. We work closely with the Attorney for each District to ensure compliance with contract requirements and make certain that when the Board decides to terminate a vendor contract, it is done in an appropriate manner avoiding legal issues for the District.

Inframark has dedicated personnel that work with each District Manager on the renewal of District insurance requirements, including review of District facilities and working with insurance providers to develop the most cost-effective approach to insuring District facilities.

Our District Management team is highly experienced in working with District Attorneys and District Engineers in the development of Request for Proposals (RFP’s) for a wide variety of District construction, capital and maintenance projects including:

- development of complex bid and proposal packages,
- advertisement of the opportunities,
- analysis of the proposals and bids, and
- development of recommendations for Board consideration.

With the vast experience of our District Management team and the presence of Inframark across the State of Florida we have established excellent relationships with many vendors and contractors which brings a value-added service to the District.

**Accounting and Reporting:**

Inframark performs all required financial accounting functions through solid workflow processes that are designed to integrate the traditional tasks associated with accounting transactions. Those traditional accounting tasks of disbursements, accounts payable, general ledger journal entries, trial balance reconciliation and budget monitoring are knitted together in such a way to achieve:

- Fast turnaround for vendor payments
- Smooth approvals for setting up capital requisitions
- Open communications to field operations staff
- Advanced preparation for independent audit field work

Our understanding of accounting processes allows us to quickly differentiate areas needing further work and those items that are routine in nature. While there is a great deal of accounting activity that goes into ensuring the individual transactions are properly recorded in the financial records of the District, we use our expertise, our knowledge and our experience to ensure accounting theory is applied in the best interest of the District. The importance of complying with statutory requirements as well as annual disclosure to lenders and bondholders is given an interconnected focus of everyone on our staff which is appreciated and
respected by our industry partners. Our accounting staff is committed to a quality standard that allows the accounting activities of the District to properly reflect its financial condition. Inframark has over 300 years of combined experience on our Finance Team.

Our finance team constantly monitors various investments instruments in Qualified Public Depositories to determine the best investment plan for District funds. Our accounting team monitors the maturity dates of District investments and alerts the District Manager so that the options for reinvestment can be brought to the Board for direction.

Audits:

Inframark has been working for decades with District auditors to make certain that each District audit is in full compliance with all GAAP and State accounting requirements. Inframark has a fully customized accounting software system that was designed for the Community Development District business that allows us to provide the most accurate and comprehensive information for all audit requirements.

Budgeting:

Inframark’s customized CDD financial software system allows us to deliver options to our clients on how they wish to have their monthly financials and annual budget detailed. Each District Manager works with their assigned accountants to develop a draft budget for consideration by the Board of Supervisors. The draft budget is based upon the input from the Board as to the goals they wish to achieve in the upcoming budget cycle.

The Inframark Assessment Team works with the District Manager and the Finance Team to present a complete picture of the revenue and expenses for each annual budget and how the proposed expenditure plan impacts the annual assessments. This approach allows our clients to see how their annual budget will impact residents (financially) and how each budget will achieve the goals set forth by the Board of Supervisors. The District Manager and Finance Team work closely with the Recording Department to ensure that all legal requirements for advertisements are met during the budgeting process. In addition, the District Manager will solicit input from the District Staff, District Engineer and District Attorney on any operation and maintenance expenditures that they believe need to be increased, decreased or eliminated as part of the new budget cycle. It is critical in the development of an annual budget that aspects of the budget are reviewed by each team member providing service to the District.

Capital Program Administration:

As part of the annual budgeting process, the District Manager will solicit information from the District Engineer and District Staff on any capital projects they believe should be included in the annual budget. This includes the timing, cost, and whether a capital expenditure will increase or decrease any operation or maintenance expenditure currently included in the budget. It is important that the annual capital budget is fully coordinated with the operation and maintenance budget. We also examine the life cycle cost of projects based on the Reserve Study to determine their financial feasibility prior to the Board acting on said expenditure.

Inframark has many years of experience in dealing with capital bond issues and bank qualified loans for District projects. We have extensive experience in working with bond underwriters, financial advisors and various lending institutions on the establishment and implementation of capital programs for District clients. We have established procedures for making certain that specific deadlines associated with bond documents and bank qualified loan requirements are met. We have an excellent reputation of successful
implementation of a wide variety of financing programs for our District clients.

Assessments and Revenue Collection:

Inframark has an exceptional record of administering annual assessment rolls for our District clients. This experience includes on roll and off roll collection. We have successfully worked with District legal counsel to accurately and timely collect off roll assessments when they are called for. We also routinely conduct true up analysis for District tax rolls to ensure that all collections are being completed as per the Board’s direction. Our Assessment Department also provides estoppel letters on an as needed basis at no cost to the District.

Our Treasury Services Group actively manages the revenue and investments for Districts across the State of Florida. This team ensures that the revenue generated by the District provides the financial platform to meet all its operational expenses and debt obligations. By working closely with the banking industry across our broad client base, we can provide economies of scale in the management of our banking relationships – which is passed along to the Districts we service in the form of favorably negotiated fees and service costs.

The depth and breadth of our special assessment knowledge lends opportunities to capture efficiencies and effectiveness in the collection of District revenues. We pride ourselves in our ability to interpret developer agreements to maximize cash flow for the District and satisfy cash requirements for running the operations of the District.
5 Effective Technology Tools and Support

AvidXchange Accounts Payable Processing System

Inframark offers AvidXchange, which is an advanced accounts payable processing system that is highly efficient and effective at making sure that District invoices are paid timely and only after review and approval by the District Manager and/or a designated Board member, if desired. The system is PDF driven, easily tracks and archives records, preserves historical information on vendor payments, provides for creation of specialized reports, allows increased transparency for the Board’s overall review of the payables process and provides for timely payment for the vendor.

- **Improve Security and Transparency**
  Automate the approval workflow to improve governance and control for managers and board members. Enjoy 24-7 access from anywhere with an internet connection.

- **Centralize Invoices and Speed Up Approvals**
  Leverages a flexible online invoice approval process for expedited processing, while minimizing manual data entry and enabling mobile invoice review and approval.

- **Efficiently Manage Invoices**
  Vendors scan invoices in PDF format and submit them directly to the system in seconds. No need for printing, mailing & stuffing invoices in file cabinets.

The Manager reviews invoices online and ensures expenditures are coded to the proper general ledger account. Designated approvers receive email notifications whenever invoices are awaiting their review and approval. Approvers log on to the AvidXchange website, view the invoices in their individual queues and approve them for payment, which then prompts a payment being sent to the vendor.

**Customized Financial Statements & Budgets**

Inframark developed a proprietary financial operating system designed exclusively for the Community Development District business, allowing us to provide clients customized financial statements and budgets. Our financial software is continually being updated and we offer our clients the ability to choose how their financial statements will look, depending upon the preference of the Board.

**TECHNOLOGY DRIVES OUR COMMUNITIES**
IMS TownSquare – Website, Portal and Communications

Inframark intentionally promotes communication and transparency through our hybrid communication tools. Accessible from smart phones, pads, and computers streaming community info and news feeds, providing tangible communication and alternatives to unofficial chatter among social media.

Inframark’s hybrid webpage is password protected and functions like both a webpage documents center and a social media network with safety control filters. It is manager-controlled communication hub to proactively provide information, build approved community groups, update important community activities, and optionally request feedback from residents – all postings have a 1200-word filter to screen out profanity and other inappropriate language.

Managers can proactively plan and schedule communications with strategic postings, so residents are more informed. Inframark’s Phone App creates proactive postings where residents are focused! This site can be stand alone or become the District’s Communication Hub.

- Private and secure communication tool - only for the use of the residents.
- Communication can be one-way from manager, or if chosen, interactive with residents.
- Official District news and topic channels are used to categorize discussion threads.
- “Report a post” feature and blacklisted word filters
- Designed for optimum web and mobile viewing and posting.
- IMS TownSquare Mobile app for Apple iOS and Android users.

IMS TownSquare Work Order System

Managers, Residents AND Vendors can now go online to maximize workflow. Inframark TownSquare Work Orders allow for Members, Vendors and Community Manager to create work orders online and via our TownSquare App. The digital forms created by the Manager or approved vendor are tracked in the system which notifies all parties with all work order requests. Status and activity can be exported in Excel or PDF form and becomes part of our standard Monthly Reporting.
6 Staffing

Inframark is the only District Management firm with its own Human Resource team. This means the following:

- our employees are fully vetted prior to hiring,
- employees have regular performance evaluations,
- we follow a progressive disciplinary policy,
- we have an exceptional benefit program for our employees that other firms do not offer,
- we have a bonus program for exceptional performance,
- we offer a management bonus for employees that are responsible for financial performance goals,
- we provide a 401K retirement plan,
- we provide ongoing training and training incentive programs,
- we offer tuition reimbursement, and
- we have an in-house safety team and continuous safety training program for all employees

Inframark places the highest value on its employees and provides a work environment and benefits that are designed to encourage long-term employment with Inframark.

In terms of the personnel assigned to your District, Inframark will ensure to the highest degree possible that we will retain the same personnel for your District. In addition, for the primary District Manager and the Secondary District Manager we will not remove or replace them without notifying the Board and the Board will have the opportunity to approve their replacement.

Proposal for District Management Services
**Proposal for District Management Services**

**District Management:**

**Mark Vega,** District Manager, is a certified District Manager through Florida Association of Special Districts (FASD) and has over nine years of District Management experience. He has been a District Manager in the Tampa Region for the past nine years and has managed many complex Districts. Mark has never lost a district that he manages and has over thirteen years of CDD experience as he was the first resident Board Supervisor on the South Fork CDD and shortly after being appointed by the developer was selected as Chairman. He has a Bachelor of Arts Degree in Political Science from the University of South Florida.

**Andy Mendenhall** is the Regional Manager for Inframark and is also available to work with Mark on addressing any issues that could develop and he will be responsible for the overall performance of the Inframark team. Mr. Mendenhall has 16 years of district management experience. He is a certified Project Management Professional with more than 19 years of project and program management experience in technical and business operational areas. His background includes treasury services work with JP Morgan and Citibank with additional years of information technology experience working for Cigna Healthcare and Metris Corporation. He holds a bachelor’s and master’s degree in Business Administration. Mr. Mendenhall also currently serves as a Supervisor on the Seven Oaks CDD and previously served as the Chairman of the Northwood CDD and is based in our Tampa office.

**Recording Services:**

**Sandra Demarco,** Records Manager, has been with Inframark for over 17 years and serves as Manager of the Recording Department. She has over 14 years of experience providing services to special districts throughout Florida, including water control and improvement districts with experience in processing permits. In addition, she has over 7 years of experience as a Records Management Liaison Officer overseeing maintenance of public records and responding to public records requests; and over 4 years’ experience serving as a municipal clerk. Sandra earned a BA from Florida Atlantic University.

**Janice Swade,** Recording Secretary, has been working with Inframark for 17 years as a District Recording Secretary. Her previous experience includes 13 years with The Port Authority of New York and New Jersey, working with various administrative and clerical positions, including that of Senior Executive Secretary with the Deputy Director of the World Trade Center. Ms. Swade is extremely thorough in her attention to detail with all the Districts she serves.

**Stephanie Rehe,** Office Manager, has been with Inframark for over 18 years and is responsible for coordinating the publication of all meeting notices, responding to public record requests and updating the electronic archival repository. She works closely with the entire Management Services team, facilitating and gathering documentation to compile agenda packages and finalize the District’s records of proceedings in accordance with Florida Statutes. Stephanie has 15 years of clerking experience with Inframark.

**Financial Services:**

**Stephen Bloom,** Finance Director, has been with Inframark for over 16 years and leads the Finance Department and coordinates the District’s banking and investment activities. He is also responsible for monitoring and implementing changes to the financial reports to ensure the District is compliant with all GAAP requirements. Stephen holds Bachelor Degrees in both Finance and Management and has more than 20 years of combined accounting and finance experience in both the public and private sectors.

**Andre McAden,** Director of Accounting, oversees the Inframark Financial Team which manage the District’s financials, budgets and annual audits. He works with financial institutions to provide long term investing, credit and debit cards; and ensures investment policies are upheld with Federal and State requirements. He coordinates bond compliance requirements with the Trustee, establishes procedures and maintains reporting of unclaimed property. He has over 12 years of Municipal experience.
**Terri Lusk**, Accountant, has been with InfraMark over 17 years and is responsible for preparation of financial statements, annual budgets and audits. She earned a Bachelor of Business Administration in Accounting from Florida Atlantic University and has more than 20 years of experience that includes over 17 years in the not-for-profit sector.

**Paula Davis**, Accounts Payable Manager, has been with InfraMark for 19 years and is responsible for overseeing all accounts payable, accounts receivable and payroll activities. In addition, she coordinates the annual renewal of the Districts’ insurance policies. Paula has nearly 30 years of accounting experience, which includes five (5) years as a Human Resources Coordinator.

**Sally Chalkey**, Accounts Payable Specialist, has been with InfraMark since 2014 working closely with vendors, field managers, District Managers, City Managers and accountants. Sally has 20 years’ extensive experience working in the accounting and customer service field. Sally is proficient in the accounts payable process, processing over 7,000 invoices annually.

**Luvinia LaCap**, Assessment Specialist, has been with InfraMark since 1999 working closely with title companies, residents, District Managers and accountants. Luvinia has over 19 years’ extensive experience working in assessments and customer service fields.

**Erika Wilson**, Assessment Services, Erika has 8 years’ experience that has encompassed a wide variety of fields and disciplines. Personal banking, mortgage lending, personal portfolio management, accounting and municipal financial management are some of the fields in which she has worked over the course of her career. Erika has worked for InfraMark since 2018 and is the lead Assessment Specialist of the Finance Department. Her current responsibilities include, but are not limited to building District assessment rolls, managing District lien books, bond methodology analysis and implementation, debt service funding, developer billings and debt service budget analysis.

8 Sample Scope of Services

All services required for the management of a Community Development District under Chapter 189, Florida Statutes, Chapter 190, Florida Statutes and all other applicable Federal, Florida, and local laws (including the ordinance(s) and resolution(s) relating to the District and any interlocal agreements). All services should be completed on a timely basis.

A. Meetings, Workshops, and Hearings
   1. Organize, attend, conduct, and provide minutes for all meetings, workshops, and hearings of the District.
   2. Schedule such meetings, workshops, and hearings.
   3. Coordinate the time, location, and all other necessary logistics (including providing conference call numbers or telephonic or virtual meeting technology).
   4. Send or publish notices for meeting, workshop, hearing, and election pursuant to Florida law.
   5. Provide agenda packages and meeting materials in the form requested by the Board.

B. District Operations
   1. Act as the primary point of contact for District-related matters.
   2. Maintain an action item list of tasks and follow ups from meetings.
   3. Coordinate with the District’s ADA document remediation vendor (and website vendor) to ensure the District’s website has the content required by Florida (and is on the website for the appropriate duration) and includes any additional information or materials requested by the Board.
   4. Consult with and advise the Board on policies, services, and responsibilities of the District and implement the Board’s policies and direction.
   5. Make recommendations and assist in matters relating to solicitation (competitive bidding, request for proposals, request for qualifications, etc...), approval, rejection, amendment, expiration, renewal, and termination of contracts for services, goods, supplies, or materials in accordance with the District’s rules and Florida law.
   6. Monitor certificates of insurance as needed per contracts.
   7. Assist with the preparation of and follow risk management policies and procedures.
   8. Recommend and advise the Board, in consultation with the District Engineer, of the appropriate amount and type of insurance and be responsible for procuring all necessary insurance.

Re: Sterling Hill Community Development District – Proposal for District Management Services

Dear Board of Supervisors,

On behalf of Vesta Property Services, Inc., it is my pleasure to submit the following proposal for District Management-related Consultant Services for your Community Development District. Our submittal outlines our company’s qualifications and capabilities, in hopeful anticipation of providing these important services to the Board and Residents of your District.

In July of 2020, Vesta formally entered Florida’s special district management industry through an acquisition of DPFG of Florida, LLC, an experienced and successful specialist in managing special taxing districts in Florida. Vesta is a Jacksonville-headquartered, leading property management company with three decades of successful experience as a “full-service” management company serving much of the state of Florida.

With the addition of District Management services, Vesta offers our client-communities all aspects of Community Management Services including Budgeting, Financial and Administrative Services, Financing/Refinancing of Bonds for public infrastructure, Special Methodology Assessment Structuring, Operational and Long-Term Capital Planning (all of which typically fall under “District Management Services”), as well as Homeowners Association, Amenities-and-Lifestyle, and Field Operations Management Services for the community.

Our proposal features the services of our local District Manager, Kyle Darin, assisted by Tish Dobson. Our hands-on leadership team of Kyle and Tish – directly overseen-and-supported by me – has over three (3) decades of combined district management and onsite amenity management experience and expertise (our summary bios are on Pages 6-7) to leverage for you. **We will be Sterling Hill CDD’s management team and will ensure the long-term management stability that is needed for your District.** We will also have the assistance of our uniquely-qualified financial, accounting, and administrative teams to resolve any immediate issues and assist in forward-planning for the benefit of your District. **Finally, our proposed Fee (shown on Page 15) would save the District a considerable sum of money and fully rounds out Vesta’s unsurpassed value proposition for Sterling Hill Community Development District.**

Thank you for your consideration; we look forward to the opportunity to serve and work on behalf of the District and Board of Supervisors. Should you have any questions, please feel free to contact me directly at (813) 390-6553 or scottsmith@vestapropertyservices.com.

Most respectfully,

Scott Smith  
Vice President,  
Vesta District Services

ABOUT US

Founded by J. Frank Surface in 1992 and headquartered in Jacksonville, Florida, Vesta Property Services, Inc. has redefined outstanding property management with superior amenities programming, customized management in every planned-community, and affordable, direct financing for planned-unit communities. Initially formed through the merger of several smaller, complimentary management companies, Vesta provides a single place where all community needs are fulfilled day-in and day-out.

Since 2011, Vesta’s success has largely been driven by 2 factors: (1) our statewide Senior Leadership Team (shown below; each team member was personally chosen by Mr. Surface for his or her particular role), (2) close collaboration between our Senior Leadership Team and our industry’s best-in-class team of managers and supervisors in a variety of disciplines.

OUR VISION

Vesta’s vision is to provide planned-communities with a superior community management experience, exceptional lifestyle services, and strong financial support for developers and residents.

Our senior leadership and management teams are equipped with decades of experience and expertise, which we leverage everyday on behalf of our valued clientele and frontline associates.

OUR LOCATIONS

In addition to our Jacksonville headquarters, Vesta has twelve (12) fully-staffed offices throughout the state. We successfully provide a wide-range of professional community management services from Amelia Island to Key West, Florida and nearly everywhere in between.
Originally incorporated as Point Management in 1973, Vesta Property Services, Inc. provides financing, management, and ancillary services to developers of planned-unit communities and resident associations in connection with clubhouses, golf courses, amenity and infrastructure facilities, and commercial real estate, as well as Special District and governmental agency management. Below is a timeline featuring some key milestones that have marked our journey:

LEadership and support

Scott Smith
Vice President, District Services

Scott has excelled for over 20 years with extensive community management-hospitality services industry experience, having been a District Manager, HOA Manager, and worked in the hospitality operations field. Since joining Vesta in 2020, Scott has worked closely with our frontline management teams in our Greater Tampa, Orlando and Jacksonville markets and most recently provided strong regional support for our best-in-class amenity operations across multiple regions in Florida.

He has recently transitioned to overseeing and supporting the District Services division for Vesta. Scott is also a graduate of the Leadership Tampa Bay Class of 2020.

District Management Services

Kyle Darin
District Manager

Kyle has been with Vesta Property Services for over two years, most recently successfully serving as our onsite General Manager at MiraBay (Harbor Bay CDD) in Apollo Beach. Prior to Vesta, Kyle held executive leadership roles in world-class hotels and resorts in Tampa, Boca Raton, Las Vegas, and Orlando. Kyle specializes in operations and process management, having led several optimization and efficiency initiatives during his operational career at locations such as the Boca Raton Resort & Club, a Waldorf Astoria Resort, The Hilton and Waldorf Astoria Bonnet Creek, and The Venetian | The Palazzo Las Vegas.

With over 15 years of leadership experience, Kyle has managed budgets in excess of $100M, teams as large as 4,000 associates, oversaw and managed several capital projects, hotel and community clubhouse renovations and rebranding, and brings with him a passion for service excellence, employee training, and effective management of staff. In his role as District Manager, Kyle is able to provide valuable counsel to boards, sharp insight during the budget process, professional and effective communication, and skilled leadership and management of vendors and fellow staff. Kyle prides himself on building, maintaining, and improving relationships across all industries, and is able to leverage those relationships to the benefit of his clients.
Tish Dobson

Assistant District Manager

Tish Dobson has over 16 years of special district services experience focusing on Amenity, Facility, Field Service, and District Management.

Before focusing on special district services, Tish had unparalleled success in the aviation industry as she managed several airports throughout Florida. She specialized in marketing, safety regulations, and training programs for local, national, and international competitive teams, including the U.S.A. Skydiving Team.

Tish’s astute fiscal insights and innovative planning abilities assist her Districts in the financial oversight of the Districts budgeted revenues and expenses. Tish also specializes in the Community/Clubhouse Emergency Planning that encompasses scenarios, plans, and procedures that are utilized extensively during critical times, including the recent pandemic. Her passion for excellence has resulted in numerous achievement recognitions and awards over the years in our industry, most recently the Special Districts Technology Innovation Award in 2020 and a Leadership Award in 2021. Furthermore:

- She holds a Degree in Ministry, along with several professional licenses. Through local and national organizations, Tish volunteers her time and utilizes two of her three licenses to provide services at no cost to those in need.

- Tish currently works with and manages 6 districts, all within the Greater Tampa area: Long Lake Ranch CDD, Heritage Harbor CDD, Bridgewater of Wesley Chapel CDD, Stonebrier CDD, Asturia CDD, and The Preserve at South Branch CDD.

- As part of her role, she performs site visits as well as meets with staff and vendors as needed, to ensure her District’s operating productivity, with a minimum of one site inspection visit per month to review the property and its physical assets.

- She is available and on-call for after-hours emergencies, same as all Vesta district managers. Tish is also backed up by the rest of her district management team in case of an emergency or temporary vacancy.
 MANAGEMENT SUPPORT

**Logan Muether**

Senior Financial Analyst

Logan Muether is a skilled Financial Analyst with experience working with Special Assessments and CDD bond financing/re-financing. Mr. Muether’s primary responsibilities include management and applications of special assessment bonds, development and preparation of annual budgets, strategic financial planning, and financial analysis for clients. Serving special district clients, he has also prepared special assessment methodologies and concurrently administered all annual special assessment rolls for Vesta/DPFGMC.

Logan holds a Bachelor of Science in Business Administration and Management with a focus in finance from Florida Southern College where he played on the men’s lacrosse team. Mr. Muether is also an avid golfer and college football fan for his hometown team, the Ohio State University Buckeyes.

**Johanna "Skye" Lee**

Controller – District Services

Skye Lee has 17 years in accounting and financial services. Before joining the Vesta Corporate Accounting team in 2020, Skye was responsible for overseeing the accounting in over 200 properties in the residential and commercial industry, as well as serving as a Development Analyst. She specialized in auditing, acquisition and disposition underwriting, due diligence, and construction accounting.

As Controller for our District Management Services Division, Skye oversees our staff accounting team members who are responsible for budgeting and forecasting and financial statement accounting as well as construction accounting. She oversees Accounts Payable, Accounts Receivable and our Payroll Services.

Accounting Manager

Bridgett is a Florida native and graduate of Seminal State with a degree in Business information Management. She has a versatile background in accounting with over 10 years of experience in AP, AR, financial statement production and information systems. Bridgett is CPA-eligible and currently studying to sit for the exam. She reviews monthly financials, reporting and annual audit preparation for all Districts.
Ms. Leger is responsible for managing our Special Districts Administration Department. She oversees all the administrative responsibilities including the department's records management procedures and implementation guidelines through the State of Florida, Division of Library and Information Services and Bureau of Archives and Records Management.

Under the oversight of Ms. Leger, our Administrative Department ensures the proper preparation of agendas for Board meetings and workshops, compiling necessary information for the assembling of the meeting agenda packets. Her team of professionals support the District Manager’s responsibilities, by updating the District’s meeting schedules and coordinating the proper legal/public notice and advertisement requirements for all meetings, Requests for Proposals and Public Hearings. The Administrative Department collects, stores, and transcribes the audio recordings into meeting minutes, coordinates the dissemination and proper signatures of resolutions, contracts and other District documents as approved/adopted by the Board and appropriately retains them in the District’s files.

Ms. Leger has earned her bachelor’s degree in Technical and Scientific Communication – Creative Writing from The University of Central Florida and is finalizing her MBA in Library and Information Science from the University of Washington.

Austin Comings
Senior Accountant

Austin has been part of the accounting team with DPFG/Vesta since graduating from Florida Southern College in 2015. He has worked on various aspects of CDD accounting, including Accounts Payable, Construction Accounting, Financial Accounting, and now serves as the Senior Accountant.

Austin is responsible for ensuring the district follows all Florida Statutes for the reporting of our CDD accounting, helps in the preparation of the yearly audits and budgets, and is involved in the accounting transition process for any new districts. He has also previously served as a District Manager on several properties.

Jacquelyn Leger
Senior Administrator

Ms. Leger is responsible for managing our Special Districts Administration Department. She oversees all the administrative responsibilities including the department's records management procedures and implementation guidelines through the State of Florida, Division of Library and Information Services and Bureau of Archives and Records Management.

PROPOSAL

Sterling Hill Community Development District
Prepared for: Christina Miller, Chair
June 06, 2023

Christina Miller  
Chairman  
K-Bar Ranch CDD  

RE: Community Development District Management Services  

Dear Christina,

Rizzetta & Company appreciates the opportunity to present our qualifications to serve as District Manager for Sterling Hill Community Development District. With 36 years of experience in the industry, and 20 years serving as your District Manager, we are prepared to handle all present and future projects for the district.

As the current provider of district management services, we are uniquely qualified to understand the workings of the district. Based on our review of the district's needs, we are excited to recommend a new management structure for your district, the introduction of a General Manager! We believe the General Manager position would not only maximize the resources necessary for success but would also provide an on-site presence with a dedicated manager. Our proposal outlines a knowledgeable team, including Jason Pond as your proposed General Manager. He would have the support of Matthew Huber as 2nd Chair District Manager, and a large team of district services professionals to ensure transition and daily operations run smoothly.

Thank you for your time and consideration of our proposal. We look forward to meeting with you and the Board of Supervisors to review and discuss our proposal in detail. Should you have any questions or require additional information, please feel free to contact Scott Brizendine at sbrizendine@rizzetta.com

Very truly yours,

Scott Brizendine  
Vice President of Operations

OUR STORY ... SO FAR

Rizzetta & Company is a Florida-based professional community management and consulting firm that provides services to residential and commercial communities throughout the state of Florida. With over 36 years in the industry, Rizzetta & Company, is staffed with highly experienced managers and support staff. Each of our eight offices throughout Florida has a team of employees with diverse backgrounds, both personally and professionally, who provide the highest quality services to our clients.

Rizzetta & Company was founded in 1986 in Tampa, Florida by William Rizzetta. The original focus of the Company was to provide professional assessment consulting services for Community Development Districts in association with the issuance of bonds. As the Company’s reputation for excellent work and customer service grew, the practice expanded over the next thirty years by adding related services which resulted in today’s “Full Service” organization.

OFFICE LOCATIONS

HEADQUARTER
3434 Colwell Avenue, Suite 200
Tampa, FL 33614
Rizzetta & Company was founded.

Collection agent services were added for Community Development Districts to support the process of bond repayments.

Community Development District Management services were added.

As a natural counterpart to District Management, Association Management was introduced.

Seeing a growing need for Amenity Services at the request of various clients, Amenity Services was introduced.

In addition to the growing Amenity Management services, the need for more landscape oversight led to adding our Field Services.

With the departure of various companies from the marketplace, Continuing Disclosure services were added to provide various compliance reporting for Districts and Bondholders.

Due to the recession, some Districts were in financial crisis and required the formation of Special Purpose Entities to manage them through these times. Our firm was asked to take on many of these projects as an additional service.

The continued growth in technology & changes to Florida Laws, Technology Services was introduced to provide website development and hosting, along with email and support services to our clients.

Rizzetta & Company celebrated its 30th anniversary.

Rizzetta & Company was designated an approved educational provider of Association Board Member Certification from the Florida Department of Business and Professional Regulation.

Rizzetta & Company would provide professional district management services to Sterling Hill CDD pursuant to Chapter 190, Florida Statutes. A brief description of these services is provided below:

**Management**

- Attend and conduct all regularly scheduled and special Board of Supervisors meetings, continued meetings, and workshops.
- Arrange for time and location and all other necessary logistics for such meetings.
- Ensure compliance with all statutes affecting the district which include but are not limited to:
  - Assist in the negotiation of contracts, as directed by the Board of Supervisors.
  - Advise the Board on the status of negotiations as well as contract provisions and their impacts on the District.
  - Make recommendations on contract approval, rejection, amendment, renewal, and cancellation. In advance of expiration of contracts, advise the Board as to need for renewal or additional procurement activities and implement same.
  - Monitor certificates of insurance as needed per contracts.
- General Manager will perform one monthly site inspection and will meet with vendors as needed
- Review and create as needed a periodic maintenance schedule for District assets

The General Manager shall be employed as a full time, salaried position to provide District Management and supervise the amenity facilities. They are the on-site representative of the Consultant. The General Manager shall have the responsibilities of overseeing all personnel, managing resident relations and interacting with the District's Board of Supervisors while working with administrative support personnel.

**Administrative**

- Prepare agendas for Board of Supervisors meetings
- Provide accurate minutes for all meetings and hearings.
- Implement and maintain a document management system to create and save documents, and provide for the archiving of District documents per general records schedule GS1-SL.
- Certify and file the annual report to the Department of State, Library and Archive Division, for storage and disposal of public records.
- Protect integrity of all public records in accordance with the requirements of State law. Respond to public records requests as required by law and in compliance with the Rules of Procedure and the District’s adopted public records policy.
Rizzetta has been electronically providing agendas to our Boards for a number of years resulting in substantial savings in printing costs to the Districts. We go one step further by providing electronic tablets to Board member for use during the meetings. This approach also allows immediate posting on the CDD website as required by statute. Audio recordings of the board meetings are stored on our Raid 5 disk array which is redundantly backed up to both a local and cloud storage appliance.

**Accounting**

Services include the monthly preparation of the District’s financial statements in accordance with Governmental Accounting Standards, accounts payable and accounts receivable functions, asset tracking, investment tracking, capital program administration and requisition processing, filing of annual reports required by the State of Florida and monitoring of trust account activity.

Rizzetta uses Sage Intacct Fund Accounting software that is designed specifically for governmental fund accounting. Our accounting processes have multi-level reviews to insure proper internal control and accuracy. The result of our accounting infrastructure is an industry recognition by auditing firms that the books and records of Rizzetta managed districts are exceptional.

**Financial & Revenue Collection**

Services include all functions necessary for the timely billing, collection and reporting of District assessments in order to ensure adequate funds to meet the District’s debt service and operations and maintenance obligations.

Our staff has significant expertise in assessment roll preparation and required certification to county Property Appraiser offices. Because of our experience, we enjoy a great relationship with those staff throughout the state. In addition, the required direct billings for property not on the tax roll are managed in concert with the same familiar staff.

We are organized to efficiently respond to property owner questions regarding District assessments and issue estopel letters and lien releases as needed for property transfers.

**Bond Issuance Services**

When the District is ready for a major augmentation that may require additional bonds; we can help by:

Preparing a Special Assessment Allocation Report;

a) Prepare benefit analysis based on infrastructure to be funded with bond proceeds.
b) Prepare Preliminary Special Assessment Allocation Report and present to District board and staff.
c) Present Final Special Assessment Allocation Report to board and staff at noticed public hearing levying special assessments.
WHAT WE DO

Bond Validation;

d) Coordinate the preparation of a Bond Validation Report which states the “Not-to exceed” par amount of bonds to be issued by the District and present to board as part of the Bond Resolution.

e) Provide expert testimony at bond validation hearing in circuit court.

Certifications and Closing Documents;

f) Prepare or provide signatures on all closing documents, certificates or schedules related to the bond issue that are required by District Manager or District Assessment Methodology Consultant.

Because providing bond issuance services was the cornerstone on which Rizzetta was founded, our expertise in this area is unparalleled. The special assessment allocation methodology report has been continually refined over the years to reflect new financing methods that are acceptable to the industry.

Landscape Inspection Services

Landscape Inspection Services conducted by certified and experienced advisors is the fastest growing business sector at Rizzetta. As the District’s live assets generally represent the largest maintenance expenditure. Our Field Services team presently services 40 communities preparing monthly reports for District Boards wanting their greenspace to be unrivalled. Working alongside the District Manager, monthly inspections ensure irrigation, vegetation and landscape maintenance are working in concert to create the appealing environment envisioned by the original landscape architect.

Amenity Services and Management

Rizzetta & Company provides expert general management and oversight of the amenity contract with the District within the agreed upon scope of service. These responsibilities include duties associated with managing the personnel, such as recruiting, hiring, training, oversight, and evaluation.

As required, the Amenity Services representative will attend meetings to provide any updates or address concerns as well as be available to any board member for open and direct communications.

Technology Services

Our Technology Services host District websites for purposes of updating records to ensure the websites remain in compliance with statutory requirements. Having this service under the same roof as District Management ensures details are not missed and critical filings are consistently observed. A third-party vendor performs the ADA mediation of the website. We also host and archive District specific e-mail accounts, if necessary.
HOW WE DO IT

TECHNOLOGY TOOLS & RESOURCES

Vendor Management Software

As leaders in the industry, we are continually looking for ways to improve the level of service we offer and protect the communities we serve. To enhance our Vendor Compliance Program, we have partnered with Vendor Information Verification Experts (VIVE) as the platform to support the program.

We chose to move vendor vetting to VIVE to ensure consistent compliance amongst similar vendors, speed up the review process, and allow our managers to have real-time information to properly screen vendors for insurance and trade licensing. The choice to engage with a particular vendor will always be in the hands of the board of supervisors. Our goal is to provide our clients with information to help make educated decisions.

Client Support System

Dedication to our clients is one of the driving principles at Rizzetta & Company. We’re here to help our communities thrive and offer support in ways that are convenient for our board of supervisors and residents. Our integrated, client-focused system, powered by Zendesk, helps our staff manage requests across platforms and efficiently connect with internal teams and external partners.

This industry-leading system allows our team to deliver immediate assistance while providing superior customer experience over the phone or e-mail. Making it easier to track, prioritize and streamline the processes to provide faster resolution.
Document Management System

You’re just a click away from what you are looking for with your dedicated SharePoint Site. This web-based collaborative platform will allow you to quickly find District information and share files, data, news, and other resources. SharePoint empowers teamwork, seamlessly integrates with Microsoft Office, and securely connects across PCs, Macs, and mobile devices.

Customize your site to streamline your District’s work. Accelerate productivity by transforming processes—from simple tasks like notifications and approvals to complex operational workflows.

Financial Management Software

Sage Intacct will simplify your accounts payable and payment processes and get convenient, secure access to all your financial information. One District account login provides access to real-time accounting information. Sage Intacct integrates with existing tools and automates processes.

- **Accounts payable**: Streamline workflows and see expenses.
- **Cash management**: Track multiple accounts with real-time visibility.
- **Back transactions**: View written checks, deposits, and monthly statements.
- **Financial Statements**: Easily track transactions at anytime from anywhere

**General Manager - Jason Pond**

Jason Pond started working at Sterling Hill CDD 17 years ago. Prior to Sterling Hill, Mr. Pond was a Manager at Weeki Wachee Springs from 1998 - 2006, but was excited to start a new chapter in his life having recently married that year. Mr. Pond started work at Sterling Hill CDD in 2006 as a Clubhouse Attendant, and within the first year started to assist the manager at that time. In 2009, he was promoted to Clubhouse Manager by Rizzetta Amenity Services. Mr. Pond has always loved working at Sterling Hill as it has allowed a lot of his personal strengths to be show cased. He is appreciative for the support from Rizzetta & Co., his board members, the Sterling Hill CDD employees, and residents over the years. He is looking forward as to what the future has in store for himself and the Sterling Hill community.

**2nd Chair District Manager - Matthew Huber**

Matthew Huber is a Regional District Manager for Rizzetta & Company, Inc., and oversees the management team in our Tampa Bay market, with offices in Tampa, Wesley Chapel, and Riverview. He was named to the position in August of 2020.

Mr. Huber most recently served as a District Manager in the Tampa office, overseeing a portfolio of Community Development Districts in Pasco, Hillsborough, and Manatee Counties. Prior to that he served as a District Manager in the Wesley Chapel office. Mr. Huber started with Rizzetta & Company, Inc., in 2006 as a District Manager for our Fort Myers area clients in Lee and Collier County. Prior to joining Rizzetta & Company, Inc., Mr. Huber worked as a Land Development Project Manager with DR Horton in the Fort Myers area. While working as a Land Development Manager, Mr. Huber gained valuable development knowledge that assists him in his management of his Districts. In addition to his development experience, Mr. Huber also has sat as CDD Board member, serving on two CDD Boards as an Assistant Secretary. Prior to working for DR Horton, Mr. Huber interned with the Board of County Commissioners Long Range Planning Department in Polk County. With his experiences working in this department, he has gain valuable insight into government practices.

Mr. Huber received his Degree in Business Administration from the University of South Florida in 2005. He is a Licensed Community Association Manager and Notary Public in the State of Florida.
IMMEDIATE SUPPORT FOR STERLING HILL CDD

TEAM MEMBERS

Scott Brizendine is our Vice President of Operations, Community Development Districts. His responsibilities include the oversight of all operations associated with Rizzetta’s district services department including management, administration, accounting, financial and dissemination services. Most recently, Scott was the Manager of District Financial Services after serving 10 years as a District Manager and Associate Director, beginning his employment with Rizzetta in 2005. He has extensive experience managing special districts in Florida and Louisiana, as well as writing assessment methodology reports for 100+ bond issuances, processing assessment rolls and providing continuing disclosure services. He has served as an expert witness multiple times for litigation, district establishments, district boundary amendments and bond validation proceedings.

Prior to joining Rizzetta, Scott worked in the Finance Department of the Walt Disney Corporation and most recently he was employed as an Accountant for property management companies in Indianapolis as well as in Tampa.

Scott received a bachelor’s degree in Finance from Florida State University. He is a licensed Community Association Manager and Notary Public. He is a member of the Florida Government Finance Officers Association, the Association of Florida Community Developers, and a graduate of Leadership Tampa Bay – Class of 2018. Scott has enjoyed volunteering his services to multiple charities including the Make a Wish Foundation, Metropolitan Ministries and The United Way.

Kaitlyn Gallant is the Manager of our exceptional District Accounting Services. She started with Rizzetta in 2006 as a Construction Accounting Clerk and has progressed to her current role where she is responsible for all facets of district accounting, including preparation of financial statements, processing accounts payable and construction requisitions, reconciliation of bank statements, recording and collecting assessments, completing annual audits, and all other accounting processes that periodically require attention.

Kaitlyn received her bachelor’s degree in International Business and Economics from Fitchburg State University in Massachusetts. As part of her coursework, she studied abroad in London, England.
Kayla Connell is the newest member of the CDD management team having been with Rizzetta & Company for 3 years and manages the District Financial Services department where she and her staff are responsible for the preparation of tax rolls for the thousands of homeowners residing in Rizzetta managed Districts and the corresponding collection of the revenues from the various tax collection offices.

Additionally this department issues Estoppels for properties changing ownership, assists in individual District budget preparations and posts required disclosures to EMMA – the official source for municipal securities data and disclosure documents. She oversees the writing of assessment methodology reports for bond issuances, refundings and restructures; authoring Statement of Estimated Regulatory Costs reports for District establishment and boundary amendment petitions.

Kayla spends some of her spare time supporting Feeding Tampa Bay, Autism Speaks as well as instructing at Orange Theory Fitness. Kayla received her Bachelor of Science in Finance from the University of Central Florida.
Bill Rizzetta is the founder and President of Rizzetta & Company and has been responsible for the overall operation of the firm for over 35 years. In that time, he participated in the establishment and management of over 150 Community Developments Districts in Florida which issued over $3 billion in bonds in over 250 separate transactions and managed over 170 Homeowners Associations.

He received his B.S. from the U.S.F. College of Engineering and his M.B.A. from U.S.F. School of Business. He has been qualified as an expert witness and provided testimony in: bond validation hearings in circuit court; administrative hearings conducted by the State of Florida, local public hearings required for establishment of CDD’s and the levy of special assessments and litigation regarding impact fee assessments.

He built Rizzetta on emphasizing the importance of giving back to the community and financially supports a variety of organizations including The Spring, Joshua House, Meals on Wheels, Athletes & Causes, Tampa Bay Heros and the Shriners. He previously served on the Board of Directors of the Tampa Lighthouse for the Blind and currently serves on the Board of Directors of the Jason Ackerman Foundation.

Shawn Wildermuth, our long-time Chief Financial Officer, is responsible for all financial aspects of the Rizzetta companies as well as oversees the financial reporting for our clients, including special taxing districts and community associations.

Mr. Wildermuth has over 28 years of finance and accounting experience with both public and private companies. He started his career in public accounting with Arthur Andersen in Chicago. During his career, he has gained experience in various industries, including real estate development, Professional Employer Organizations, direct marketing, and manufacturing. Prior to joining Rizzetta & Company, he held positions as Chief Financial Officer, Controller, Director of Treasury & Budget, and Director of Finance. His responsibilities included financial reporting, accounting, finance, treasury, payroll, human resources, and computer consulting.

Mr. Wildermuth received his bachelor’s degree in Accountancy from the University of Illinois at Champaign-Urbana. He is a Registered Certified Public Accountant in the State of Illinois and a member of the American Institute of Certified Public Accountants.
OUR COMMITMENT TO THE INDUSTRY

As a leader in District Management, we have a responsibility to be aware of industry-related developments and then sharing that knowledge with our clients and peers. We encourage continuing education for all staff and provide the resources needed to attend classes and conferences. Currently, Rizzetta holds memberships in the following professional organizations:

- Association of Florida Community Developers
- Community Associations Institute
- International Society of Arboriculture

PROPOSAL
Municipal Advisor Disclaimer: Rizzetta & Company, Inc., does not represent the Community Development District as a Municipal Advisor or Securities Broker nor is Rizzetta & Company, Inc., registered to provide such services as described in Section 15B of the Securities and Exchange Act of 1934, as amended. Similarly, Rizzetta & Company, Inc., does not provide the Community Development District with financial advisory services or offer investment advice in any form.

TESTIMONIAL

“Rizzetta & Company has recently become the management for our Community Development District. Their positive impact within the community has been immediate. The responsiveness to issues and the professional manner in which they have been addressed has proven to be incomparable to previous management. We look forward to a relationship of many years with Rizzetta & Company.”

Susie White, Chairperson, The Harbourage at Braden River Community Development District
One of the largest expenses in any planned community is landscape maintenance. Why not have a professional, experienced landscape manager ensuring it is thriving and beautifully framing the community as it was intended to be?

Our Landscape Inspection Services team includes the Landscape Designer who, while serving sixteen years employed by the Developer of Sterling Hill, was responsible for the overall design, construction & installation oversight of not only the landscaping throughout the Sterling Hill community but both the North and South Park site designs. Mr. John R. Toborg, Manager of Landscape Inspection Services and now employed by Rizzetta and Co., has been the main Landscape Specialist overseeing the maintenance of Sterling Hill for the past fourteen years. Our team also includes a former commercial landscape maintenance company account manager, and two prior owners of multi-dimensional landscape service firms. Rizzetta & Co.’s Landscape Inspection Services team has a combined total of more than 100 years serving Florida community landscapes!

Each of our Landscape Specialists is Best Management Practices (BMP) certified in the state of Florida. Our team is committed to elevating the landscape maintenance in your community with detailed inspections, formal reporting, landscape planning, and effective vendor management strategies.

The first thing noticed in any community is its landscaping. It can convey a “Wow” factor to visitors, set a welcoming tone for residents, and help to increase home values within the community. Rizzetta & Co.’s Landscape Inspection Services team provides the expertise needed for a well-planned, well-maintained community landscape now and for the future.
How we do it

Community Asset Management Plan: Upon request and following fee agreement, perform a complete inventory of the community landscape assets and provide an inventory report to the board.

Landscape Design: Landscape designer on staff available for landscape consultation, enhancements, and design upon request and following fee agreement.

Landscape and Irrigation Specification Development: Upon request and following fee agreement, develop a request for proposal (RFP) document to include a customized set of standards and specifications based on the community needs and budget. We will conduct the bidding process, review, and prepare bid tabulation documents for the board and assist the board with reviewing the bid tabulation and other pertinent information.

Landscape Maintenance Inspections: Perform landscape inspections, provide the board with an inspection report (see sample below), notify maintenance contractor of deficiencies in service, and obtain proposals for landscape projects.

Landscape Turnover Inspections: Attend landscape turnover meetings and participate in the inspection on behalf of the board. Follow up report provided.

Master Task Project Plan for Mature Communities: Upon request and following fee agreement, develop a project plan specific to landscape replacement and enhancement for the common areas. Emphasis is on maturing landscape in the community and budgeting accordingly.

[Sample images of inspection reports and turnover meeting participation are shown.]

Proper Collection of Tax: Florida's state sales tax rate is 6%; however, there is an established "bracket system" for collecting sales tax on any part of each total taxable sale that is less than a whole dollar amount. Sales and use tax brackets for the state tax rate and for the combined state rate and various discretionary sales surtax rates are available on our website at www.floridarevenue.com.

Discretionary Sales Surtax: Most counties impose a local option discretionary sales surtax that must be collected on taxable transactions. You must collect discretionary sales surtax along with the 6% state sales tax on taxable sales when delivery or use occurs in a county that imposes a surtax. Current discretionary sales surtax rates for all counties are listed on Form DR-15DSG, Discretionary Sales Surtax Information, posted on our website.

PAYMENT OPTIONS:
- Enroll in Automatic Bill Payment (EFT) with your Checking or Savings – no additional fees apply
- Enroll in AutoPay with credit or debit card – additional fees apply
- Online Payments via website www.invoicelcloud.com/hernandoCounty - additional fees apply
- Pay by Phone by calling (352) 754-4037 option 3 for 24 hours a day and 7 days a week access to our automated option – additional fees apply
- Drive-thru drop box conveniently located at 15365 Cortez Blvd., Brooksville, FL 34613 – no additional fees
- Payment centers located throughout the area. Visit www.hernandoCounty.us and find us under “Departments”

Credit cards accepted: VISA, MasterCard, Discover, American Express.

If you choose to pay through a third-party vendor, you could risk a delay in delivery of your payment. Such delays may result in additional fees and/or disconnection of service. Customers who use their online banking service should allow enough time for the payment to reach HCU in order to prevent additional fees and/or disconnection of service.

PAYMENT AND DISCONNECT POLICY:
Contact Customer Service department at (352) 754-4037 if your account is delinquent and in jeopardy of being disconnected.

A partial payment is not sufficient to resume service unless satisfactory arrangements have been made with Customer Service in advance.

- Utility bills become past due 20 days after the billing date
- Failure to receive a bill does not prevent service interruption or additional service charges
- Service may be disconnected for failure to pay the past due balance in full in a timely manner
- To restore service, all past due charges and fees must be paid in full
- Disconnection may result in an additional deposit being required
- Delinquent fees apply if service was interrupted OR scheduled for delinquent interruption

OVERTIME CHARGES apply to ANY services scheduled after 2PM, Weekends or Holidays.

AFTER HOURS AND EMERGENCIES: Our Customer Service and Operations Division responds to after hour call outs for EMERGENCY TURN OFF ONLY. For emergencies, please call (352) 754-4037.

PLEASE NOTE: No NON-EMERGENCY re-connects after 7 pm!

CURRENT WATERING RESTRICTIONS:
Address numbers ending with:
0 or 1 may water on MONDAY before 8 am or after 6 pm
2 or 3 may water on TUESDAY before 8 am or after 6 pm
4 or 5 may water on WEDNESDAY before 8 am or after 6 pm
6 or 7 may water on THURSDAY before 8 am or after 6 pm
8 or 9 may water on FRIDAY before 8 am or after 6 pm
Areas with no address or multiple addresses (common grounds, shopping plazas etc.) may water on FRIDAY.
Home Owners Associations please check with your organization or property manager.

Are you pumping and irrigating from a private well? A lake? A pond? A river or stream? Watering Restrictions Still Apply!

Authorization to Convert your Check to an Electronic Funds Transfer Debit - If your check is returned, you expressly authorize your bank account to be electronically debited for the amount of the check plus any applicable fees. The use of a check for payment is your acknowledgment and acceptance of this policy and its terms and conditions.

Notice - Nonpayment of any portion of your cable television, high-speed data, and/or Digital Phone service could result in disconnection of any of your Spectrum provided services.

Billing Practices - Spectrum Business mails monthly, itemized invoices for all monthly services in advance. A full payment is required on or before the due date indicated on this invoice. Payments made after the indicated due date may result in a late payment processing charge. Failure to pay could result in the disconnection of all of your Spectrum Business service(s). Disconnection of Business Voice service may also result in the loss of your phone number.

Changing Business Locations - Please contact Spectrum Business before moving your Business Voice modem to a new address. To establish service at your new location or return equipment, please contact your Spectrum Business Account Executive at least twenty one (21) business days prior to your move.

Video Closed Captioning Inquiries - Spectrum provided set-top boxes for video consumption support the ability for the user to enable or disable Closed Captions for customers with hearing impairment.

For immediate closed captioning concerns, call 1-855-707-7328 or email closedcaptioningsupport@charter.com.

To report a complaint on an ongoing closed captioning issue, please send your concerns via US Mail to W. Wesselman, Sr. Director, 2 Digital Place, Simpsonville, SC 29681, send a fax to 1-704-697-4935, call 1-877-276-7432 or email closedcaptioningissues@charter.com.

Tax and Fees - This statement reflects the current taxes and fees for your area (including sales, excise, user taxes, etc.). These taxes and fees may change without notice. Visit spectrum.net/taxesandfees for more information.

Spectrum Terms and Conditions of Service – In accordance with the Spectrum Business Services Agreement, Spectrum services are billed on a monthly basis. Spectrum does not provide credits for monthly subscription services that are cancelled prior to the end of the current billing month.

Terms & Conditions - Spectrum’s detailed standard terms and conditions for service are located at spectrum.com/policies.

Past Due Fee / Late Fee Reminder - A late fee will be assessed for past due charges for service.

Complaint Procedures: If you disagree with your charges, you need to register a complaint no later than 60 days after the due date on your bill statement.
All Expenditures must be supported by receipts in order to be eligible for reimbursement.

THE BREAKER FOR THE TREADMILLS KEEPS TRIPPING.

Treadmills each have their own dedicated 20 amp circuit and I found that a couple of them were not plugged into their proper circuit. This can cause the breaker to trip because the treadmill is 12 A and the breaker is only 20 A not to mention that the other breakers in that room are only 15 A.

**LIMITED WARRANTY:** Customer acknowledges the installation of aftermarket parts and/or accessories may void factory warranty and/or extended service contract component coverage. SERVICE AND PARTS GUARANTEE: The only warranties applying to part(s) sold or installed are those which may be offered by the manufacturer. The selling dealer hereby expressly disclaims all warranties, either express or implied, including any implied warranties of merchantability or fitness for a particular purpose, and neither assumes nor authorizes any other person to assume for it any liability in connection with the sale of this part(s). All parts sold or used are subject to the Magnuson-Moss act and the merchandise purchased is under limited warranty by the manufacturer. Buyer shall not be entitled to collect from the selling dealer any consequential damages to property, or damages from loss of use, loss of time, loss of profits or income, or any other incidental damages. Published labor rate $134.50 per hour. All parts are new unless otherwise indicated. STATE OF FLORIDA TIRE AND BATTERY FEE: The state of Florida collects a $2.50 fee for each new tire [s.403.718] and a $4.00 fee each new or remanufactured battery sold [s.403.7185]. STORAGE POLICY: A daily storage charge of $25.00 will begin to accrue five (5) working days from the date you are notified that the work on your vehicle has been completed. MV# 75386

Check Here to Sign Up for Automatic Payment Enrollment

If I enroll in Automatic Payment services, I authorize WM to pay my invoice by electronically deducting money from my bank account. I can cancel authorization by notifying WM at wm.com or by calling the customer service number listed on my invoice. Your enrollment to pay my invoice by electronically deducting money from my bank account could take 1-2 billing cycles for Automatic Payments to take effect. Continue to submit payment until page one of your invoice reflects that your payment will be deducted.

Notice: By sending your check, you are authorizing the Company to use information on your check to make a one-time electronic debit to your account at the financial institution indicated on your check. The electronic debit will be for the amount of your check and may occur as soon as the same day we receive your check.

In order for us to service your account or to collect any amounts you may owe (for non-marketing or solicitation purposes), we may contact you by telephone at any telephone number that you provided in connection with your account, including wireless telephone numbers, which could result in charges to you. Methods of contact may include text messages and using pre-recorded/artificial voice messages and/or use of an automatic dialing device, as applicable. We may also contact you by email or other methods as provided in our contract.

Please send all bankruptcy correspondence to RMCbankruptcy@wm.com or PO Box 43290 Phoenix, AZ 85080. Using the email option will expedite your request. (this language is in compliance with 11 USC 342(c)(2) of the Bankruptcy Code)
