Please Note: If you choose to pay your bill at a location not listed on our website or provided by Peoples Gas, you are paying someone who is not authorized to act as a payment agent at Peoples Gas. You bear the risk that this unauthorized party will relay the payment to Peoples Gas and do so in a timely fashion. Peoples Gas is not responsible for payments made to unauthorized agents, including their failure to deliver or timely deliver the payment to us. Such failures may result in late payment charges to your account or service disconnection.

Important Information About Your 2026 Bill

Thank you for choosing Peoples Gas to deliver safe and resilient natural gas to your home. We are committed to safely and efficiently serving our customers while prudently managing our operations. In August, Peoples Gas filed a joint motion with intervening parties, including the Office of Public Counsel, requesting the Florida Public Service Commission (PSC) approve a settlement agreement that resolves all issues in our rate request proceeding. The PSC approved the settlement this fall, resulting in an overall increase that is less than we originally proposed. Impacts to the Customer Charge and Distribution Charge portions of your bill, as well as other charges which are adjusted annually, are outlined below.

Typical components of a residential bill

- **Customer Charge** – This fixed monthly amount covers the cost of providing service to your location.
- **Distribution Charge** – This is a grouping of several costs including your base rate, a charge for energy conservation programs, pipeline replacement and other costs. The portion of the distribution charge that will increase as a result of our rate request is the base rate. The other portions are adjusted annually. In 2026, charges for pipeline replacement will increase and conservation programs will decrease.
- **PGA Charge** – The Purchased Gas Adjustment (PGA) is the cost of gas purchased for you by Peoples Gas. This charge is passed through from suppliers to consumers and can fluctuate monthly within an approved range based on the price of natural gas. We do not mark up or profit from this charge. Because of projected increases for the cost of natural gas, we are increasing the current PGA range cap from \$1.00135 per therm to \$1.16057 per therm for 2026. This does not necessarily mean your monthly rate will increase.
- **Florida Gross Receipts Tax** – Utilities collect this tax from customers and remit it to the state without markup.
- **Franchise Fee** – Similar to taxes, this fee is collected from customers and remitted to a municipality.

Rate Class*	Annual Therm Usage	Monthly Rates Effective January 2026	
		Customer Charge	Base Rate Per Therm
RS-1	0 - 99	\$ 23.00	\$ 0.41465
RS-2	0 - 1,999	\$ 32.00	\$ 0.41465
RS-GHP	N/A	\$ 56.00	\$ 0.10046
RSG (Residential Standby Generator)	N/A	\$ 41.00	\$ 0.58931

Miscellaneous Service Charges Effective January 2026

Residential Meter Turn On	\$94.00 (\$36.00 per additional meter)
Residential Meter Reconnect	\$100.00 (\$33.00 per additional meter)
Account Opening	\$31.00
Temporary Turn-off Charge	\$33.00 per meter
Failed Trip Charge	\$31.00
Trip Charge/Premise Collection	\$25.00

* Effective Jan. 1, 2026, the RS-1 rate class will be closed to new customers. Existing RS-1 customers will continue to bill on this rate as long as their annual usage is less than 99 therms. Rate classes RS-2 and RS-3 will be combined into one rate class, RS-2, for residential usage up to 1,999 therms per year.

The above rates do not reflect the Purchased Gas Adjustment (PGA).

Rate schedules are subject to gross receipts taxes, city and state taxes and franchise fees, where applicable.

Base rates are part of the Distribution Charge line item on your bill.

What To Do If You Think You Find A Mistake On Your Statement

If you think there is an error on your statement, please call us at the telephone number on the front of this statement, or write to us at: Elan Financial Services, P.O. Box 6335, Fargo, ND 58125-6335.

In your letter or call, give us the following information:

- ▶ Account information: Your name and account number.
- ▶ Dollar amount: The dollar amount of the suspected error.
- ▶ Description of Problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake. You must contact us within 60 days after the error appeared on your statement. While we investigate whether or not there has been an error, the following are true:
 - ▶ We cannot try to collect the amount in question, or report you as delinquent on that amount.
 - ▶ The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
 - ▶ While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
 - ▶ We can apply any unpaid amount against your credit limit.

Your Rights if You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing at: Elan Financial Services, P.O. Box 6335, Fargo, ND 58125-6335. While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay we may report you as delinquent.

Important Information Regarding Your Account

1. INTEREST CHARGE: Method of Computing Balance Subject to Interest Rate: We calculate the periodic rate or interest portion of the INTEREST CHARGE by multiplying the applicable Daily Periodic Rate ("DPR") by the Average Daily Balance ("ADB") (including new transactions) of the Purchase, Advance and Balance Transfer categories subject to interest, and then adding together the resulting interest from each category. We determine the ADB separately for the Purchases, Advances and Balance Transfer categories. To get the ADB in each category, we add together the daily balances in those categories for the billing cycle and divide the result by the number of days in the billing cycle. We determine the daily balances each day by taking the beginning balance of those Account categories (including any billed but unpaid interest, fees, credit insurance and other charges), adding any new interest, fees, and charges, and subtracting any payments or credits applied against your Account balances that day. We add a Purchase, Advance or Balance Transfer to the appropriate balances for those categories on the later of the transaction date or the first day of the statement period. Billed but unpaid interest on Purchases, Advances and Balance Transfers is added to the appropriate balances for those categories each month on the statement date. Billed but unpaid Advance Transaction Fees are added to the Advance balance of your Account on the date they are charged to your Account. Any billed but unpaid fees on Purchases, credit insurance charges, and other charges are added to the Purchase balance of the Account on the date they are charged to the Account. Billed but unpaid fees on Balance Transfers are added to the Balance Transfer balance of the Account on the date they are charged to the Account. In other words, billed and unpaid interest, fees, and charges will be included in the ADB of your Account that accrues interest and will reduce the amount of credit available to you. To the extent credit insurance charges, overlimit fees, Annual Fees, and/or Travel Membership Fees may be applied to your Account, such charges and/or fees are not included in the ADB calculation for Purchases until the first day of the billing cycle following the date the credit insurance charges, overlimit fees, Annual Fees and/or Travel Membership Fees (as applicable) are charged to the Account. Prior statement balances subject to an interest-free period that have been paid on or before the payment due date in the current billing cycle are not included in the ADB calculation. If you do not pay your New Balance in full by the Payment Due Date, you will not get an interest-free period on Purchases again until you pay the New Balance in full by the Payment Due Date for two billing cycles in a row.

2. Payment Information: We will accept payment via check, money order, the internet (including mobile and online) or phone or previously established automatic payment transaction. You must pay us in U.S. Dollars. If you make a payment from a foreign financial institution, you will be charged and agree to pay any collection fees added in connection with that transaction. The date you mail a payment is different than the date we receive the payment. The payment date is the day we receive your check or money order at Elan Financial Services, P.O. Box 790408, St. Louis, MO 63179-0408 or the day we receive your internet or phone payment. All payments by check or money order accompanied by a payment coupon and received at this payment address will be credited to your Account on the day of receipt if received by 5:00 p.m. CT on any banking day. Payments sent without the payment coupon or to an incorrect address will be processed and credited to your Account within 5 banking days of receipt. Payments sent without a payment coupon or to an incorrect address may result in a delayed credit to your Account, additional INTEREST CHARGES, fees, and/or Account suspension. The deadline for on-time internet and phone payments varies, but generally must be made before 5:00 p.m. CT to 8 p.m. CT depending on what day and how the payment is made. Please contact Elan Financial Services for internet, phone, and mobile crediting times specific to your Account and your payment option. Banking days are all calendar days except Saturday, Sunday and federal holidays. Payments due on a Saturday, Sunday or federal holiday and received on those days will be credited on the day of receipt. There is no prepayment penalty if you pay your balance at any time prior to your payment due date.

3. Credit Reporting: We may report information on your Account to Credit Bureaus. Late payments, missed payments or other defaults on your Account may be reflected in your credit report.

Important Messages

Paying Interest: You have a 24 to 30 day interest-free period for Purchases provided you have paid your previous balance in full by the Payment Due Date shown on your monthly Account statement. In order to avoid additional INTEREST CHARGES on Purchases, you must pay your new balance in full by the Payment Due Date shown on the front of your monthly Account statement.

There is no interest-free period for transactions that post to the Account as Advances or Balance Transfers except as provided in any Offer Materials. Those transactions are subject to interest from the date they post to the Account until the date they are paid in full.

Your payment of \$1139.52 will be automatically deducted from your bank account on 12/16/2025. Please refer to your AutoPay Terms and Conditions for further information regarding this account feature.

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing at: Elan Financial Services, P.O. Box 6335, Fargo, ND 58125-6335. While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay we may report you as delinquent.

Important Information Regarding Your Account

1. **INTEREST CHARGE:** Method of Computing Balance Subject to Interest Rate: We calculate the periodic rate or interest portion of the **INTEREST CHARGE** by multiplying the applicable Daily Periodic Rate ("DPR") by the Average Daily Balance ("ADB") (including new transactions) of the Purchase, Advance and Balance Transfer categories subject to interest, and then adding together the resulting interest from each category. We determine the ADB separately for the Purchases, Advances and Balance Transfer categories. To get the ADB in each category, we add together the daily balances in those categories for the billing cycle and divide the result by the number of days in the billing cycle. We determine the daily balances each day by taking the beginning balance of those Account categories (including any billed but unpaid interest, fees, credit insurance and other charges), adding any new interest, fees, and charges, and subtracting any payments or credits applied against your Account balances that day. We add a Purchase, Advance or Balance Transfer to the appropriate balances for those categories on the later of the transaction date or the first day of the statement period. Billed but unpaid interest on Purchases, Advances and Balance Transfers is added to the appropriate balances for those categories each month on the statement date. Billed but unpaid Advance Transaction Fees are added to the Advance balance of your Account on the date they are charged to your Account. Any billed but unpaid fees on Purchases, credit insurance charges, and other charges are added to the Purchase balance of the Account on the date they are charged to the Account. Billed but unpaid fees on Balance Transfers are added to the Balance Transfer balance of the Account on the date they are charged to the Account. In other words, billed and unpaid interest, fees, and charges will be included in the ADB of your Account that accrues interest and will reduce the amount of credit available to you. To the extent credit insurance charges, overlimit fees, Annual Fees, and/or Travel Membership Fees may be applied to your Account, such charges and/or fees are not included in the ADB calculation for Purchases until the first day of the billing cycle following the date the credit insurance charges, overlimit fees, Annual Fees and/or Travel Membership Fees (as applicable) are charged to the Account. Prior statement balances subject to an interest-free period that have been paid on or before the payment due date in the current billing cycle are not included in the ADB calculation. If you do not pay your New Balance in full by the Payment Due Date, you will not get an interest-free period on Purchases again until you pay the New Balance in full by the Payment Due Date for two billing cycles in a row.
2. **Payment Information:** We will accept payment via check, money order, the internet (including mobile and online) or phone or previously established automatic payment transaction. You must pay us in U.S. Dollars. If you make a payment from a foreign financial institution, you will be charged and agree to pay any collection fees added in connection with that transaction. The date you mail a payment is different than the date we receive the payment. The payment date is the day we receive your check or money order at Elan Financial Services, P.O. Box 790408, St. Louis, MO 63179-0408 or the day we receive your internet or phone payment. All payments by check or money order accompanied by a payment coupon and received at this payment address will be credited to your Account on the day of receipt if received by 5:00 p.m. CT on any banking day. Payments sent without the payment coupon or to an incorrect address will be processed and credited to your Account within 5 banking days of receipt. Payments sent without a payment coupon or to an incorrect address may result in a delayed credit to your Account, additional **INTEREST CHARGES**, fees, and/or Account suspension. The deadline for on-time internet and phone payments varies, but generally must be made before 5:00 p.m. CT to 8 p.m. CT depending on what day and how the payment is made. Please contact Elan Financial Services for internet, phone, and mobile crediting times specific to your Account and your payment option. Banking days are all calendar days except Saturday, Sunday and federal holidays. Payments due on a Saturday, Sunday or federal holiday and received on those days will be credited on the day of receipt. There is no prepayment penalty if you pay your balance at any time prior to your payment due date.
3. **Credit Reporting:** We may report information on your Account to Credit Bureaus. Late payments, missed payments or other defaults on your Account may be reflected in your credit report.

- Important Information**
- Because the new franchise hauler agreements took effect mid-month, the system had to prorate solid waste charges. This may have caused discrepancies in the solid waste portion of some bills, even though the total amount due did not change. Solid waste base rates remain the same, and any overcharges will be credited on the next statement.
 - All mailed payments must include a copy of the bill stub or the appropriate account number. Payments for multiple bill stubs

2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing at: Elan Financial Services, P.O. Box 6335, Fargo, ND 58125-6335. While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay we may report you as delinquent.

Important Information Regarding Your Account

1. INTEREST CHARGE: Method of Computing Balance Subject to Interest Rate. We calculate the periodic rate or interest portion of the **INTEREST CHARGE** by multiplying the applicable Daily Periodic Rate ("DPR") by the Average Daily Balance ("ADB") (including new transactions) of the Purchase, Advance and Balance Transfer categories subject to interest, and then adding together the resulting interest from each category. We determine the **ADB** separately for the Purchases, Advances and Balance Transfer categories. To get the **ADB** in each category, we add together the daily balances in those categories for the billing cycle and divide the result by the number of days in the billing cycle. We determine the daily balances each day by taking the beginning balance of those Account categories (including any billed but unpaid interest, fees, credit insurance and other charges), adding any new interest, fees, and charges, and subtracting any payments or credits applied against your Account balances that day. We add a Purchase, Advance or Balance Transfer to the appropriate balances for those categories on the later of the transaction date or the first day of the statement period. Billed but unpaid interest on Purchases, Advances and Balance Transfers is added to the appropriate balances for those categories each month on the statement date. Billed but unpaid Advance Transaction Fees are added to the Advance balance of your Account on the date they are charged to your Account. Any billed but unpaid fees on Purchases, credit insurance charges, and other charges are added to the Purchase balance of the Account on the date they are charged to the Account. Billed but unpaid fees on Balance Transfers are added to the Balance Transfer balance of the Account on the date they are charged to the Account. In other words, billed and unpaid interest, fees, and charges will be included in the **ADB** of your Account that accrues interest and will reduce the amount of credit available to you. To the extent credit insurance charges, overlimit fees, Annual Fees, and/or Travel Membership Fees may be applied to your Account, such charges and/or fees are not included in the **ADB** calculation for Purchases until the first day of the billing cycle following the date the credit insurance charges, overlimit fees, Annual Fees and/or Travel Membership Fees (as applicable) are charged to the Account. Prior statement balances subject to an interest-free period that have been paid on or before the payment due date in the current billing cycle are not included in the **ADB** calculation. If you do not pay your New Balance in full by the Payment Due Date, you will not get an interest-free period on Purchases again until you pay the New Balance in full by the Payment Due Date for two billing cycles in a row.

2. Payment Information: We will accept payment via check, money order, the internet (including mobile and online) or phone or previously established automatic payment transaction. You must pay us in U.S. Dollars. If you make a payment from a foreign financial institution, you will be charged and agree to pay any collection fees added in connection with that transaction. The date you mail a payment is different than the date we receive the payment. The payment date is the day we receive your check or money order at Elan Financial Services, P.O. Box 790408, St. Louis, MO 63179-0408 or the day we receive your internet or phone payment. All payments by check or money order accompanied by a payment coupon and received at this payment address will be credited to your Account on the day of receipt if received by 5:00 p.m. CT on any banking day. Payments sent without the payment coupon or to an incorrect address will be processed and credited to your Account within 5 banking days of receipt. Payments sent without a payment coupon or to an incorrect address may result in a delayed credit to your Account, additional **INTEREST CHARGES**, fees, and/or Account suspension. The deadline for on-time internet and phone payments varies, but generally must be made before 5:00 p.m. CT to 8 p.m. CT depending on what day and how the payment is made. Please contact Elan Financial Services for internet, phone, and mobile crediting times specific to your Account and your payment option. Banking days are all calendar days except Saturday, Sunday and federal holidays. Payments due on a Saturday, Sunday or federal holiday and received on those days will be credited on the day of receipt. There is no prepayment penalty if you pay your balance at any time prior to your payment due date.

3. Credit Reporting: We may report information on your Account to Credit Bureaus. Late payments, missed payments or other defaults on your Account may be reflected in your credit report.

Important Messages

Paying Interest: You have a 24 to 30 day interest-free period for Purchases provided you have paid your previous balance in full by the Payment Due Date shown on your monthly Account statement. In order to avoid additional INTEREST CHARGES on Purchases, you must pay your new balance in full by the Payment Due Date shown on the front of your monthly Account statement.

There is no interest-free period for transactions that post to the Account as Advances or Balance Transfers except as provided in any Offer Materials. Those transactions are subject to interest from the date they post to the Account until the date they are paid in full.

Your payment of \$1055.56 will be automatically deducted from your bank account on 02/17/2026. Please refer to your AutoPay Terms and Conditions for further information regarding this account feature.

The Board, in its sole discretion and upon motion of any Board member, may vote to rescind a termination of access to the Amenity Facilities.

4. **Authority of District Manager and District Field Manager.** The District Manager or the District Field Manager, or their respective designee, has the ability to remove any person from one or all Amenity Facilities if a Violation occurs or, if in his/her reasonable discretion, it is the District's best interests to do so. The District Manager or the District Field Manager, or their respective designee, may each independently at any time restrict or suspend for cause or causes, including but not limited to those Violations described above, any person's privileges to use any or all of the Amenity Facilities until the next regularly scheduled meeting of the Board of Supervisors that is at least eight (8) days after the initial suspension, as evidenced by the date of notice sent by certified or other mail service, or longer if such individual requests deferment of his or her right to due process. If the person is a minor, the letter shall be sent to the adults at the address within the community where the minor resides.

5. **Administrative Reimbursement.** The Board may in its discretion require payment of an administrative reimbursement of up to Five Hundred Dollars (\$500) in order to offset the actual legal and/or administrative expenses incurred by the District as a result of a Violation ("Administrative Reimbursement"). 6. **Property Damage Reimbursement.** If damage to District property occurred in connection with a Violation, the person or persons who caused the damage, or the person whose Guest caused the damage, or the person who has charge of a minor that caused the damage, shall reimburse the District for the costs of cleaning, repairing, and/or replacing the property ("Property Damage Reimbursement"). Such Property Damage Reimbursement shall be in addition to any suspension or termination of Amenity Facilities access, any applicable legal action warranted by the circumstances, and/or any Administrative Reimbursement.

7. **Initial Hearing by the Board; Administrative Reimbursement; Property Damage Reimbursement.**

a. If a Patron's Amenity Facilities privileges are suspended, as referenced in Section 4 herein, a hearing shall be held at the next regularly scheduled Board meeting that is at least eight (8) days after the initial suspension, as evidenced by the date of notice sent by certified or other mail service, or as soon thereafter as a Board meeting is held if the meeting referenced in the letter is canceled, during which both District staff and the person subject to the suspension shall be given the opportunity to appear, present testimony and evidence, cross examine witnesses present, and make arguments. The Board may also ask questions of the District Manager, District staff, the person subject to the suspension, and witnesses present. All persons are entitled to be represented by a licensed Florida attorney at such hearing if they so choose. Any written materials should be submitted at least seven (7) days before the hearing for consideration by the Board. If the date of the suspension is less than eight (8) days before a Board meeting, the hearing may be scheduled for the following Board meeting at the discretion of the person subject to the suspension.

b. The person subject to the suspension may request an extension of the hearing date

to a future Board meeting, which shall be granted upon a showing of good cause, but such extension shall not stay the suspension.

c. After the presentations by the District staff and the person subject to the suspension, the Board shall consider the facts and circumstances and determine whether to lift or extend the suspension or impose a termination. In determining the length of any suspension, or a termination, the Board shall consider the nature of the conduct, the circumstances of the conduct, the number of rules or policies violated, the person's escalation or de-escalation of the situation, and any prior Violations and/or suspensions.

d. The Board shall also determine whether an Administrative Reimbursement is warranted and, if so, set the amount of such Administrative Reimbursement.

e. The Board shall also determine whether a Property Damage Reimbursement is warranted and, if so, set the amount of such Property Damage Reimbursement. If the cost to clean, repair and/or replace the property is not yet available, the Property Damage Reimbursement shall be fixed at the next regularly scheduled Board meeting after the cost to clean, repair, and/or replace the property is known.

f. After the conclusion of the hearing, the District Manager shall mail a letter to the person suspended identifying the Board's determination at such hearing.

8. **Suspension by the Board.** The Board on its own initiative acting at a noticed public meeting may elect to consider a suspension of a Patron's access for committing any of the Violations outlined in Section 3 herein. In such circumstance, a letter shall be sent to the person suspended which contains all the information required by Section 4, and the hearing shall be conducted in accordance with Section 7 herein.

9. **Automatic Extension of Suspension for Non-Payment.** Unless there is an affirmative vote of the Board otherwise, no suspension or termination will be lifted or expire until all Administrative Reimbursements and Property Damage Reimbursements have been paid to the District. If an Administrative Reimbursement or Property Damage Reimbursement is not paid by its due date, the District reserves the right to request surrender of, or deactivate, all Access Cards associated with an address within the District until such time as the outstanding amounts are paid.

10. **Appeal of Board Suspension.** After the hearing held by the Board required by Section 7, a person subject to a suspension or termination may appeal the suspension or termination, or the assessment or amount of an Administrative Reimbursement or Property Damage Reimbursement, to the Board by filing a written request for an appeal ("Appeal Request"). The filing of an Appeal Request shall not result in the stay of the suspension or termination. The Appeal Request shall be filed within thirty (30) calendar days after mailing of the notice of the Board's determination as required by Section 7(f), herein. Filing of an Appeal Request will be perfected and deemed to have occurred upon receipt by the District. Failure to timely file an Appeal Request shall constitute a waiver of all rights to protest the District's suspension or termination and shall constitute a failure to exhaust administrative remedies. The District shall consider the appeal at a Board meeting and shall provide reasonable notice to the person of the Board meeting where the appeal will be considered. At the appeal stage, no new evidence shall be offered or considered. Instead, the appeal is an opportunity for the person subject to the suspension or termination to argue, based on the evidence elicited at the hearing, why the suspension or termination should be reduced or vacated. The Board may take any action deemed by it in its sole discretion to be appropriate under the circumstances, including affirming, overturning, or otherwise modifying the suspension or termination. The Board's decision on appeal shall be final.

11. **Legal Action; Criminal Prosecution; Trespass.** If any person is found to have committed a Violation, such person may additionally be subject to arrest for trespassing or other applicable legal action, civil or criminal in nature. If a person subject to a suspension or termination is found at the Amenity Facilities, such person will be subject to arrest for trespassing. If a trespass warrant is issued to a

person by a law enforcement agency, the District has no obligation to seek a withdrawal or termination of the trespass warrant even though the issuance of the trespass warrant may effectively prevent a person from using the District's Amenity Facilities after expiration of a suspension imposed by the District.
