CORRESPONDENCE

Based on the most recent CDC recommendations amongst other recommendations from various entities regarding the Corona Virus Pandemic the CDD management has conferred with the Chairman and has decided to close the community center for the rest of March and April.

This will affect all parties, events and meetings. This is the safest course of action for the CDD property, staff and our residents. March and April CDD meetings will be canceled as well.

We apologize for any inconvenience this may cause. We sincerely hope all of you stay safe and healthy throughout this current health crisis. This is a very fluid situation so as more information comes out, it will determine how we move forward.

Sincerely,

Angel Montagna
